Jesus's Identification with the Marginalized and the Liminal Bekele Deboch Anshiso, 2018-05-06 The first century Judaic understanding of the identity and nature of the Messiah has been a much debated topic among biblical scholars and preachers alike So too has the messianic identity and nature of Jesus himself Bekele Deboch informs these debates with fresh evidence outside the traditional scriptural references to miracles and supernatural identifications by demons and God himself as well as earthly identification by human beings With thorough narrative criticism and analysis of contemporaneous literature this book brings insightful new conclusions that transform our understanding of the biblical messianic identity revealed in the person of Jesus Jesus not only self identified with the marginalized and liminal but also experienced extreme marginality himself to the point of shameful death on a tree Jesus church around the world has the responsibility to herald his messianic identity and salvation to the marginalized of today Bekele Deboch has followed Christ's example of walking with the marginalized and makes here a powerful case for the church to do the same

Reading the Way, Paul, and "The Jews" in Acts Within Judaism Jason F. Moraff, 2025-06-26 Jason F Moraff argues that Acts uses common Jewish ethnicity and parallel characterization to bind the Way Paul and the Jews together into a shared identity as Israel God's covenant people on a communal journey of repentance

The Story of Jesus William H. Kautz, 2012-04 THE STORY OF JESUS AN INTUITIVE ANTHOLOGY Many contemporary Christians suspect that there is more to Jesus and his enduring message than the little that has survived in historical writings and the legendary Christian tradition This book offers a narrative account of Jesus life from the perspective of twenty contemporary writers who have developed their natural intuitive abilities to an unusually high level They are therefore able to bring forth new and detailed information not ordinarily accessible by his tor ical or literary means Some of them had demonstrated their unusual skill by probing deep ly into the personal lives and minds of historical individuals other than Jesus while some had provided important and detailed technical infor mation which was then verified scien tifically They apply their intuitive skills here to uncover fresh information about the man Jesus his contemporaries and his extensive teachings which never found their way into the New Test ament Gospels and related historical documents These new findings offer a much richer view of the man himself than that available from traditional Christian sources They also provide illumi nating insights and a deep spiritual under standing of Jesus original and hidden teach ings The Story of Jesus is essential reading for all inquirers and seekers into these hidden and previously lost portions of Christian spiritual history

The Secret Teachings of Mary Magdalene Clare Nahmad, Margaret Bailey, 2012-01-05 Claire Nahmad and Margaret Bailey re evaluate the significance of Mary Magdalene and cast her in an entirely new light They have discovered that not only was she wife to Jesus Christ and mother to his child but she was his spiritual equal and their partnership exemplified the crucial balance of male and female in spiritual and worldly life Jesus gave her the title of Magdalene which means both tower and magnificent because he recognized her as his consort and co teacher However Mary's role was re written by the early church and it is only now that her secret teachings can be made known thanks to the revelation to the authors of the lost verses of The Gospel of Mary through their skills of inner listening Her teachings are not religious in the narrow sense they are spiritual and accessible to everyone They not only reveal the hidden key to unlocking the powers of the soul which is the next stage of development for humanity but also signal the beginning of a new age in which the sacred feminine assumes its rightful place

The MacArthur New Testament Commentary series continues to be one of today's top selling commentary series. These commentaries from respected Bible scholar and preacher John MacArthur give a verse by verse analysis in context and provide points of application for passages illuminating the biblical text in practical and relevant ways. Jesus in Jerusalem Eckhard Schnabel, 2018-09-18. This is the first book to describe and analyze sequentially and in detail all the persons, places, times, and events mentioned in the Gospel accounts of Jesus's last week in Jerusalem. Part reference guide, part theological exploration, Eckhard Schnabel's *Jesus in Jerusalem* uses the biblical text and recent archaeological evidence to find meaning in Jesus's final days on earth. Schnabel profiles the seventy-two people and groups and the seventeen geographic locations named in the four passion narratives. Placing the events of Jesus's last days in chronological order, he unpacks their theological significance, finding that Jesus's passion, death, and resurrection can be understood historically as well as from a faith perspective.

Days of the Living Christ W. Cleon Skousen, 2018-12-21. No other life has had such an amazing impact upon the human race as did our Savior Jesus Christ. From His birth in a humble stable until His death upon the cross of Golgotha, He left all of us simple teachings, direct commandments, and profound doctrines which have altered the history of the world. He performed astounding miracles that left His disciples and other onlookers stunned and speechless. He condemned the hypocrisy of the religious leaders of the day who would eventually conspire and arrange His death at the hands of the Romans. The culminating act of His ministry was the priceless gift of His eternal Atonement, which opened the floodgates of the resurrection, ending the final and icy grip of death upon all mankind. One day we too will participate in the glorious experience of the resurrection when all tears will be dried and fears will cease. In a matter of just three years, His brief ministry changed the course of history. Gone was the harsh and rigid Mosaic law, replaced by the higher law of love for friends and enemies alike. His life is an example to all. All of these magnificent scriptural accounts and doctrines can be found within the pages of *Days of the Living Christ*.

Story Work/Story Play Mary LaMont, 2023-05-02. A central assumption of narrative spirituality is that the act of retelling the story of episodes of our lives can help us better see the larger Guiding Story that God dreams for us. When I can see my Guiding Story more clearly, I am better able to handle crisis and transition and better able to see my true purpose. *Story Work/Story Play* lays out a four-door method of spirituality that invites participants to explore their Guiding Story through four doors that correspond to the four parts of any story: a main character, a problem to solve, the power needed to solve it, and the action taken by the main character. The chapter for each of these four doors provides theological, psychological, and scriptural foundations for the narrative method and includes up to ten to fifteen story work/story play exercises the reader can use to practice the method. Each chapter also includes profile stories of real people who have discovered layers of their own Guiding Stories. The book ends each chapter with a Guided

Visualization The book's final chapter explains how members of a narrative circle can use the narrative spirituality tools of this book to discern each one's own unique Guiding Story *Lectionary Levity* Ian S. Markham, Samantha R. E. Gottlich, 2017-10-17 Spanning all 3 years of the lectionary cycle this book provides a welcome tool for the renewal of preaching from the gospel readings In a concise uniform and simple format the authors provide a thematic summary of the gospel list several possible points for preaching and offer a humorous story for the week that illumines the deeper meaning of the biblical text *Lectionary Levity* also functions as a practical manual on how to use humor in preaching and allows the reader to view the gospel in a different light so as to enliven the worship experience A treasure trove of biblical insights homiletical helps and just good humor **John (Understanding the Bible Commentary Series)** J.
