Brendan's Return Voyage: A New American Dream Ray Simpson,2021-03-31 A myth

is reviving in the USA which recent research validates that Saint Brendan voyaged over three thousand miles from Ireland to America to evangelize it but when the Indians near the Mississippi welcomed him he realized Jesus was already there In humility he returned home In contrast USA missions have taken a colonial approach to evangelizing Native American tribes requiring converts to rubbish their culture and accept white culture as Christian This book discerns the Creator s imprints in indigenous tribes It identifies some fault lines in USA and Western society and church e g white supremacy manifest destiny and the twin towers of empire building and separatism Churches need to repent of these false gods They need to break free from the prison of consumerism and become open to the prophetic spirit The book also explores the Creator s imprints in white American culture and the Christian spirituality of the Euro Americans indigenous forbears the Celts The book outlines ways in which in these fading decades of Western supremacy and despite polarization indigenous settler and immigrant peoples may journey together as modern followers of the Way Those who rise to this challenge undertake a new Brendan s Voyage and create a new American dream **RETURN OF THE GIANTS - black and white version** , Flannery O'Connor, the Growing Craft Flannery O'Connor,1993 God With Us - CTL - 2009 ,
