Understanding Wisdom Literature David Penchansky, 2012-03-21 Israelite wisdom literature David Penchansky argues records the disputes of ancient sages over basic human questions What is the purpose of life Is God just Why do we suffer Does God even exist Penchansky sees conflicting answers to these questions in Proverbs Job Ecclesiastes Ben Sira and the Wisdom of Solomon and does not try to harmonize them Instead he finds meaning in the very dissonance and contradiction within these texts Employing the latest scholarship yet remaining accessible to nonspecialists and students Penchansky strikingly focuses on the big picture behind wisdom literature making it easy for readers to follow and appreciate these challenging texts without undermining each book's distinctive features In the process Penchansky opens up this rich and fertile vein of Israelite thought and demonstrates the renewed relevance of ancient Hebrew wisdom for today *Loss is an Aftertaste of Memories* Michael Chiedoziem Chukwudera, 2024-06-15 Nosike remembers the final years of his childhood and his adolescent years and the conflicts and delights that marked his life at the time The scope of his narration through memory takes us through the complexities of family friendship religious upbringing dreams and conflicts in the life of an adolescent on such a pedestal that the topic becomes a consideration for people of all ages It also shows the polaroid of the human experience and how our opinions on them are not final and is transient when viewed through the lens of memory
