Porter, 2016-02-24 Did Paul ever meet Jesus and hear him teach A century ago a curious assortment of scholars William Ramsay Johannes Weiss and James Hope Moulton thought that he had Since then their idea has virtually disappeared from New Testament scholarship to be revived in this monograph When Paul Met Jesus is an exercise in both biblical exegesis and intellectual history After examining the positive arguments raised it considers the negative influence of Ferdinand Christian Baur William Wrede and Rudolf Bultmann on such an idea as they drove a growing wedge between Jesus and Paul In response Stanley E Porter analyzes three passages in the New Testament Acts 9 1 9 and its parallels 1 Corinthians 9 1 and 2 Corinthians 5 16 to confirm that there is New Testament evidence that Paul encountered Jesus The implications of this discovery are then explored in important Pauline passages that draw Jesus and Paul back together again      **Encyclopedia of Time** Samuel L. Macey, 2013-04-11 In this encyclopedia some 200 international scholars in 360 articles explore subjects such as physics archeoastronomy astronomy mathematics time s measurements and divisions as well as covering other scientific and interdisciplinary areas biology economics and political science horology history medicine geography geology and telecommunications      **Your Questions Scriptures Answers** John F Brug, 2013-07-01 What does the Bible say about Difficulties and mysteries in life often lead to questions that challenge our faith and cause sleepless nights In Your Questions Scripture s Answers author and pastor John Brug examines hundreds of real questions from real people of different backgrounds and faiths to give in depth answers directly from the Bible Themes of questions include The Bible The Sacraments Other Churches and Religions Christians and Government Sexual Morality Marriage and Divorce And so much more In this book you ll find God s answers to your questions along with guidance for sharing God s wisdom and what you believe as a Christian with others      **Christendumb** Eric W. Gritsch, 2013-02-05 This book offers a swift trek through two millennia of Christendom with all the information provided by boring textbooks The author presents the Christian story within the framework of a warning of Jesus in his famous Sermon

on the Mount You are the salt of the earth but if the salt becomes dumb with what shall one salt Matt 5 13 The story is told with wit spiked by satire and a gallows humor There are three chapters symbolizing the Trinity each encompassing seven centuries symbolizing the seven days of creation with four parts in each chapter symbolizing the four Gospels Chapter headings and subtitles are eye catchers such as Edifice Complex for the Middle Ages with its zeal for architectural and sacramental edification Idiosyncratic features are highlighted like the pillar saints monks who spent their lives on pillars in the desert castrated believers who experienced the procedure as a refinement of penance and competing popes who succumbed to secular pleasures Word plays the wisdom of proverbs and dumb Christian ways prevent readers from getting bored A witty preface and a serious epilogue provide food for new insights     For the Freedom of Zion Guy MacLean Rogers,2022-01-04 A definitive account of the great revolt of Jews against Rome and the destruction of the Jerusalem Temple A lucid yet terrifying account of the Jewish War the uprising of the Jews in 66 CE and the Roman empire s savage response in a story that stretches from Rome to Jerusalem John Ma Columbia University This deeply researched and insightful book examines the causes course and historical significance of the Jews failed revolt against Rome from 66 to 74 CE including the destruction of the Jerusalem Temple Based on a comprehensive study of all the evidence and new statistical data Guy Rogers argues that the Jewish rebels fought for their religious and political freedom and lost due to military mistakes Rogers contends that while the Romans won the war they lost the peace When the Romans destroyed the Jerusalem Temple they thought that they had defeated the God of Israel and eliminated Jews as a strategic threat to their rule Instead they ensured the Jews ultimate victory After their defeat Jews turned to the written words of their God and following those words led the Jews to recover their freedom in the promised land The war s tragic outcome still shapes the worldview of billions of people today     *A Guide to Early Jewish Texts and Traditions in Christian Transmission* Alexander Kulik,Lorenzo DiTommaso,2019 The Jewish culture of the Hellenistic and early Roman periods established a basis for all monotheistic religions but its main sources have been preserved to a great degree through Christian transmission This Guide is devoted to problems of preservation reception and transformation of Jewish texts and traditions of the Second Temple period in the many Christian milieus from the ancient world to the late medieval era It approaches this corpus not as an artificial collection of reconstructed texts a body of hypothetical originals but rather from the perspective of the preserved materials examined in their religious social and political contexts It also considers the other non Christian channels of the survival of early Jewish materials including Rabbinic Gnostic Manichaeian and Islamic This unique project brings together scholars from many different fields in order to map the trajectories of early Jewish texts and traditions among diverse later cultures It also provides a comprehensive and comparative introduction to this new field of study while bridging the gap between scholars of early Judaism and of medieval Christianity     **Revised Chronology of the Bible** Anthony Lyle,2013-10-15 This book is a culmination of that research After trashing his work 10 times and starting over he managed to get a revised chronology that

seemed to be more accurate than that being put out by the status quo universities It combines secular world history with Biblical history in a far more even and smoother match than that proposed by former historians who have attempted the same This is his version 12 which doesn't try to match different histories based on dates but rather by matching people and events and then applying revised dates to those events and people This work will call into question the conclusions of historians of the last 200 years about the ancient periods of time and provide an alternative dating for those times It is a World History in that it incorporates the ancient history of India China Japan as well as the traditional Middle Eastern and European societies of ancient times It re-evaluates the beginnings of civilization and the solar system refuting common historical and scientific beliefs of the modern world Documents that have previously been written off as Mythology have been re-evaluated as well as they give a different perspective of ancient times and what happened back then The use and creation of calendars is an important feature added to this work which is seldom taken into account by modern histories Incorporated in this work are many of the more recent archaeological finds that have yet to be incorporated in status quo works and institutions He makes no apology for the fact that this is Biblically based and the conclusions that have been reached by this work fit very well in Biblical contexts and adds some understanding to the events that took place in the Biblical narratives

Thorns and Thistles Mark A. Escobar, 2013-05 With the onslaught of reflections and other biblical materials available online I have thought it best to welcome the challenge of putting into writing my homilies for each Sunday celebration Hence as a form of sharing these written homilies are meant to help us appreciate our sense of discipleship Like the seemingly endless footsteps of Christ in our lives the gift of the Spirit leads us to be united in one faith that captures the sense of transformation as implied in gospel reflections It is like a personal diary that attempts to lift the weight of Christ's message within the richness of human experiences As discipleship demands new perspectives and priorities these homilies articulate relationships in a variety of settings images and lifestyles of being in the world with others Though they help us understand the presence of God in our lives living with our own mystery and spirituality becomes like a dependable compass that is always there to guide us It is our road map as we walk by faith and not by sight alone Jesus' life teaching and ministry in a particular place time and culture have great significance to our journey as far as our mission is concerned He identifies himself with the people across cultures and he enters into solidarity with those in need

**The 70 Weeks of Daniel** Gerald Sigal, 2013-12-20 The interpretation of the Seventy Weeks passage of Daniel 9 has been the center of many discussions between Jews and Christians as to its meaning These controversies have generally revolved around three areas of dispute The division of the weeks The starting date of the Seventy Weeks The number of anointed individuals mentioned in the text and or his identification In agreement with the Masoretic accents and textual indicators e.g. verse 26 Jewish commentators divide the time period into three periods seven weeks sixty-two weeks and one week The last week culminates with the destruction of the Temple but with an addendum giving hope for the future Christian renderings of Daniel generally

follow the present day King James Version's division into two periods of weeks sixty nine weeks consisting of seven weeks plus sixty two weeks and one week This is also the position maintained by most Christian commentators in explaining this passage What is the overall purpose of the Seventy Weeks passage Is this passage messianic Who are the two anointed individuals mentioned in this passage How does its description of things to come and eventual fulfillment centuries later give proof of the eventual fulfillment of all God's promises to Israel What message does it hold for Jewish history past and future Does it refer to Christian eschatological beliefs Does this passage refer in any way to Jesus To investigate these questions is the purpose of this volume
