Japan FIT/IP Global World Intellectual Property Organization, 2018-04-06 The History of Japan FIT IP for Africa and Least Developed Countries LDCs     A GUIDE TO ZIMBABWE TAXATION ,     **Regime and Education in Zimbabwe**

Bekithemba Dube, Albert Mufanechiya, 2024-06-10 This collection focuses on the post independence educational development in Zimbabwe It shows how the ZANU PF regime has presided over the demise of education and covers a wide range of topics such as violence against teachers poor salaries student activism minority languages and curriculum innovations This volume argues that the regime has used education as a tool for repression Curriculum innovations introduced and implemented in Zimbabwe have little to do with improving the performance of the learners and more to do with stopping teachers from pushing the regime change agenda Consequently this has resulted in a nation in crisis marked with high turnover poor economy and mass exodus of teachers and learners The contributors to this volume make various suggestions which could recenter education towards addressing the experiences of the learners as opposed to being used as a tool to push repression and thwart democracy     *African Free Trade Agreements and Intellectual Property* Michael Blakeney, Getachew M. Alemu, 2024-02-12 This informative book examines the intellectual property IP provisions of the sub regional and continental Free Trade Agreements FTAs that have been implemented in Africa to facilitate trade and promote economic integration Michael Blakeney and Getachew Mengistie Alemu explain how FTAs can be used when setting IP standards in order to influence the ongoing effort to develop effective international agreements with Africa     *Principles of International Investment Law* Rudolf Dolzer, Ursula Kriebaum, Christoph Schreuer, 2022 This book provides an ideal introduction to the fundamentals of international investment law and dispute settlement for students scholars and practitioners It combines a systematic analytical study of the texts and principles underlying investment law with a jurisprudential analysis of the case law arising in international tribunals     **Digital Activism in Zimbabwe** Tenford Chitanana, 2024-10-21 This book investigates the role of the internet and social media in political processes in non western and non democratic contexts Using Zimbabwe as a case study the book demonstrates how activists and ordinary people deploy social media particularly Facebook to subvert an enduring hegemonic state However the book also highlights how authoritarian regimes are in turn learning and adapting to the information age challenging the impact of digital activism Studies of digital activism in the Global South are often centred around democracy but this book paints a more complex picture examining the role and effect of digital activism in challenging state hegemony in authoritarian contexts The book notes that while communication technologies help mediate activism they are also simultaneously constrained by pre existing and emergent challenges tied to the social and political context and the inherent limitations of those technologies The book investigates the tactics used by digital activists the contextual factors and restrictive political environment they operate in including the role of pro government activists and ultimately the impact of digital activism given these constraints From the case of Zimbabwe the

book builds out a broader theoretical analysis of the evolution of third world protest in the digital age examining the limitations of activists actions and the ideological deficit in online activism to ferment a virulent counter hegemony

*Political Discourse in Emergent, Fragile, and Failed Democracies* Orwenjo, Daniel Ochieng, Oketch, Omondi, Tunde, Asiru Hameed, 2016-04-19 Any system of government is comprised of several dimensions of functionality which must all work in congruence When any part of the system is dysfunctional the government's stability becomes fractured and societal problems can arise Political Discourse in Emergent Fragile and Failed Democracies examines the effects of unstable democratic systems of government in modern society providing an imperative analysis on political communications from such nations Highlighting real world examples on the constraints seen in malfunctioning or emerging governments this book is a pivotal reference source for policy makers researchers academicians and upper level students interested in politics and governance

*Schreuer's Commentary on the ICSID Convention* Stephan W. Schill, Loretta Malintoppi, August Reinisch, Christoph H.
