LBJ and Mexican Americans Julie Leininger Pycior,2010-07-05 Masterfully researched There is no book like this either in the field of LBJ literature or in the field of Chicano history Mario T Garc a author of *Mexican Americans Leadership Ideology and Identity 1930 1960* As he worked to build his Great Society Lyndon Johnson often harkened back to his teaching days in the segregated Mexican school at Cotulla Texas Recalling the poverty and prejudice that blighted his students lives Johnson declared It never occurred to me in my fondest dreams that I might have the chance to help the sons and daughters of those students and to help people like them all over this country But now I do have that chance and I ll let you in on a secret I mean to use it This book explores the complex and sometimes contradictory relations between LBJ and Mexican Americans Julie Pycior shows that Johnson s genuine desire to help Mexican Americans and reap the political dividends did not prevent him from allying himself with individuals and groups intent on thwarting Mexican Americans organizing efforts Not surprisingly these actions elicited a wide range of response from grateful loyalty to in some cases outright opposition Mexican Americans complicated relationship with LBJ influenced both their political development and his career with consequences that reverberated in society at large

Victory Undone Carter Andress,Malcolm McConnell,2014-10-20 Here is a dramatic first person account of how the United States won the war in Iraq only to see the peace lost by an unengaged administration with Iraqis terrorized and the new caliph of ISIS promising I ll see you in New York Military contractor Carter Andress was the ultimate boots on the ground civilian in Iraq While reporters aid workers diplomats and even U S soldiers were often cut off from the ground truth in Iraq by the blast walls protecting the Green Zone and our bases Andress was in the thick of things driving through insurgent infested territory negotiating with hostile tribes and witnessing the transformation of Iraq from chaos and violence to a stable multi ethnic multi sectarian democracy that needed only minimal American support to defend itself support however that thanks to the Obama administration was not forthcoming A page turner of a story but also an incredibly important account of what actually happened in the Iraq War and afterwards **Victory Undone** is a book every American needs to read

The Greatest Evil is War

Chris Hedges, 2022-09-20. An unflinching indictment of the horror and obscenity of war by one of our finest war correspondents. Drawn from experience and interviews by Pulitzer prize winner Chris Hedges this book looks at the hidden costs of war what it does to individuals families communities and nations. In fifteen short chapters Chris Hedges astonishes us with his clear and cogent argument against war not on philosophical grounds or through moral arguments but in an irrefutable stream of personal encounters with the victims of war from veterans and parents to gravely wounded American servicemen who served in the Iraq War to survivors of the Holocaust to soldiers in the Falklands War among others. Hedges reported from Sarajevo and was in the Balkans to witness the collapse of the Soviet Union. In 2002 he published War Is a Force that Gives Us Meaning which the Los Angeles Times described as the best kind of war journalism bitterly poetic and ruthlessly philosophical and the New York Times called a brilliant thoughtful timely and unsettling book. In the twenty years since Hedges has not wanted to write another book on the subject of war until now with the outbreak of war in Ukraine. It is important again to be reminded who are the victors of the spoils of war and of other unerring truths not only in this war but

in all modern wars where civilians are always the main victims and the tools and methods of war are capable of so much destruction it boggles the mind This book is an unflinching indictment of the horror and obscenity of war by one of our finest war correspondents Focus On: 100 Most Popular 2010s Comedy-drama Films Wikipedia contributors, Dust Billy Lee Harman, **American Decorations (1862-1926) Volume 1** The Office of the Adjutant General of the Army, 2012-04-02 Volume 1 of 2 A Complete List of Awards of the Congressional Medal of Honour the Distinguished Service Cross DSC and the Distinguished Service Medal DSM Awarded under Authority of the Congress of the USA 1862 1926 Details on each recipient include place of birth place of residence on entry into the service where the award was won with citation and number of the General Order authorising the award Names are arranged alphabetically and in the case of posthumous awards name and relationship of the next of kin receiving the award are given Foreign holders of the DSC and DSM are listed by countries

Scapegoats Arsalan Iftikhar, 2016-05-17 When a murderous psychopath goes on a killing spree law enforcement officials and the media never make his religion the central issue unless he happens to be a Muslim Then it sets off another frenzied wave of commentary about the inherent evils that lurk within the Muslim faith From Fox News talking heads who regularly smear Muslim leaders as secret terrorists to Bill Maher who has made Islam a routine target it has become widely acceptable to libel a religion with a following of over 1.5 billion people nearly one quarter of the world's population Now popular commentator Arsalan Iftikhar better known as The Muslim Guy offers a spirited defense of his faith that is certain to win him wide acclaim and yes another round of overheated scolding from the usual media quarters Iftikhar's spirited defense of his faith is certain to hit a chord during the 2016 campaign season as politicians and pundits vie to be the toughest on the block when it comes to escalating the hostilities in the Middle East often demonizing Islam in the process With his witty and levelheaded demeanor the author will cut through all the sound and fury as a voice of sanity and reason **The American**
