Murder and the Movies David Thomson, 2020-08-05 A renowned movie critic on film's treatment of one of mankind's darkest behaviors murder Thomson's analysis of death in Hitchcock movies is gorgeous His restlessness is palpable There is an anxiety in this brief hurried book that suits these political and medical times Lisa Schwarzbaum New York Times Book Review Included in the New York Times Book Review's Best Books to Give holiday list 2020 How many acts of murder have each of us followed on a screen What does that say about us Do we remain law abiding citizens who wouldn't hurt a fly Film historian David Thomson known for wit and subversiveness leads us into this very delicate subject While unpacking classics such as *Seven Kind Hearts* and *Coronets Strangers on a Train* *The Conformist* *The Godfather* and *The Shining* he offers a disconcerting sense of how the form of movies makes us accomplices in this sinister narrative process By turns seductive and astringent very serious and suddenly hilarious *Murder and the Movies* admits us into what Thomson calls a warped triangle the creator working out a compelling death the killer doing his and her best and the entranced reader and spectator trying to cling to life and a proper sense of decency

The Defeated and the Dead Mark Percy, 2024-07-01 How do we teach about war How can social studies teachers empower students to understand how wars

are started how they are fought and how they are ended Films about war are featured in nearly all social studies classrooms across the US with practically every American teenager watching at least one historical film during their time in middle and high school Without the mandatory class viewing most of these movies would not have been seen by them otherwise Film is the medium through which most Americans learn about their national past But a passive viewing of a movie about war does little to help students learn to be critical thinkers about their country's choices In *The Defeated and the Dead Teaching About War Through Film* Dr Mark Pearcy outlines strategies and resources for teachers to incorporate movies about war into their classes in an effective thoughtful manner Employing elements of the Just War doctrine the basis for most international law and treaties this book highlights how teachers can make use of widely used films like *Saving Private Ryan* *Platoon* and *Glory* as well as other movies that span our nation's history from the American Revolution to modern conflicts By focusing on critical frameworks like Just War as well as featuring films both about war and the avoidance of war *The Defeated and the Dead* offers social studies teachers a valuable tool to approach difficult contentious topics in their classrooms
