International Investment Law and the Right to Regulate Lone Wandahl Mouyal, 2016-03-10 The book considers the ways in which the international investment law regime intersects with the human rights regime and the potential for clashes between the two legal orders Within the human rights regime states may be obligated to regulate including a duty to adopt regulation aiming at improving social standards and conditions of living for their population Yet states are increasingly confronted with the consequences of such regulation in investment disputes

where investors seek to challenge regulatory interferences for example in expropriation claims Regulatory measures may for instance interfere with the investment by imposing conditions on investors or negatively affecting the value of the investment As a consequence investors increasingly seek to challenge regulatory measures in international investment arbitration on the basis of a bilateral investment treaty This book sets out the nature and the scope of the right to regulate in current international investment law The book examines bilateral investment treaties and ICSID arbitrations looking at the indicative parameters that are granted weight in practice in expropriation claims delimiting compensable from non compensable regulation The book places the potential clash between the right to regulate and international investment law within a theoretical framework which describes the stability flexibility dilemma currently inherent within international law Lone Wandahl Mouyal goes on to set out methods which could be employed by both BIT negotiators and adjudicators of investment disputes allowing states to exercise their right to regulate while at the same time providing investors with legal certainty The book serves as a valuable tool an added perspective for academics as well as for practitioners dealing with aspects of international investment law , International Arbitration and EU Law Nikos Lavranos,Stefano Castagna,2024-08-06 In this substantially revised and updated second edition this work examines the intersection of EU law and international arbitration based on the experience of leading practitioners in both commercial and investment treaty arbitration law It expertly illustrates the depth and breadth of EU law s impact on party autonomy and on the margin of appreciation available to arbitral tribunals This second edition covers all relevant new developments in law and practice and tracks the ever increasing influence of EU law and the jurisprudence of the Court of Justice of the EU CJEU in international arbitration

Cambridge Compendium of International Commercial and Investment Arbitration Stefan Kröll,Andrea K. Bjorklund,Franco Ferrari,2023-03-02 The Compendium like an encyclopedia contains entries for most of the foundational principles and concepts underlying arbitration Each entry takes a holistic view of international arbitration as they tackle core concepts from both a commercial and an investment arbitration perspective focusing on the fundamental issues underlying the various topics rather than on the solutions adopted in any particular jurisdiction thus making the Compendium a truly cross border transnational resource This innovative approach will allow readers to identify the commonalities as well as the differences between commercial and investment arbitration whether and where cross fertilization has taken place and what consequences it can have This approach allows the Compendium to be a tool in promoting the creation of a culture of international arbitration that considers commercial arbitration and investment arbitration as part of a whole but with certain distinct features particular to each ASEAN and the Reform of Investor-State Dispute Settlement Calamita, Nicolas J.,Giannakopoulos, Charalampos,2022-07-19 The reform of Investor State Dispute Settlement ISDS is a subject of ongoing debate in international institutions yet an ASEAN perspective on the subject has been largely absent to date This book addresses that gap by presenting analysing and assessing ISDS reform from an ASEAN perspective taking into account the
