Riversioux Peccary The Peccary, The Peccary, 2005-09 The author's search for his roots leads down paths unimagined or intended The ensuing saga cuts a swath through frontier America an America still young and yet unafraid Great rewards are visible and attainable for an individual possessing raw courage and luck Young Alanson Baker absolutely possesses courage and for awhile luck but alas luck is fickle Like his young nation Alanson triumphs at times and at times suffers the wrenching pain of defeat This is the entwined tale of a nation and a man testing their conscience and their will to survive Alanson although not great walked amongst the greats and was apart to great events unfortunately not all great events are laudable In time history separates the good from the bad Unfortunately this process usually comes to fruition only when both the conquering and conquered societies have long perished In this tale The Peccary attempts to tell the story of pioneer America from an interested but non judgmental perspective Likely some will be offended by this perspective of history while others may applaud both reactions please the Peccary

The Gate of Ivory Lewis E. Birdseye, 2014-10-03 GATE OF IVORY is a novel part one of a two volume series the second work called GATE OF HORN that could easily appear in tomorrow's New York Times as a front page news story It deals with events we read about every day and watch talking heads spout plumes of verbiage nightly concerning the losing battle current governments all over the world are fighting against the pernicious appeal of dangerous and illicit drugs and the pervasive presence and growing power of demagogic right wing ideologues who mask their plans for complete control of business and government and the citizenry with New Speak rhetoric about freedom and liberty It presents the reader as well with a small group of people who are unwittingly and unwillingly brought face to face with these potentially catastrophic situations and made to realize that their actions alone may be all that can return the world to sanity and at least a measure of safety For the characters in the novels theirs is an epic struggle the means at their disposal no more than intelligence courage and the realization that they have no choice but to act and act well Their task is clearly beyond their ability But they act nevertheless

Walther,2004 The 1850s offered the last remotely feasible chance for the United States to steer clear of Civil War Yet fundamental differences between North and South about slavery and the meaning of freedom caused political conflicts to erupt again and again throughout the decade as the country lurched toward secession and war

With their grudging acceptance of the Compromise of 1850 and the election of Franklin Pierce as president in 1852 most Americans hoped that sectional strife and political upheaval had come to an end. Extremists in both North and South, abolitionists and secessionists testified to the prevailing air of complacency by their shared frustration over having failed to bring on some sort of conflict. Both sets of zealots wondered what it would take to convince the masses that the other side still menaced their respective visions of liberty. And as new divisive issues emerged in national politics with slavery still standing as the major obstacle, compromise seemed more elusive than ever. As the decade progressed, battle lines hardened. The North grew more hostile to slavery while the South seized every opportunity to spread it. Immigrant Aid Societies flourished in the North, raising money and military supplies to secure a free soil majority in Kansas. Southerners flocked to the territory in an effort to fight off antislavery. After his stirring vilification of the institution of slavery, Massachusetts senator Charles Sumner was brutally attacked on the floor of the United States Senate. Congress, whose function was to peacefully resolve disputes, became an armed camp with men in both houses and from both sections arming themselves within the capitol building. In October 1858, Senator William Henry Seward said that the nation was headed for an irrepressible conflict. In spite of the progress ushered in by the decade's enormous economic growth, the country was self-destructing. The Shattering of the Union: America in the 1850s is a concise, readable analysis and survey of the decade.

 reference tool **The Misadventures of Thonir** Sedigitus Swift,2024-10-01 Adrift on a sea of troubles in a world of magic
 Coming of age is never easy but for Thonir a sixteen year old apprentice wizard it s positively perilous Following the
 calamitous death of his master our unlucky hero embarks on a series of wild misadventures as he struggles to climb out of
 the gutter and resume his magical education braving pirates robbers and angry peasants along the way not to mention the
 occasional sea monster All of which while trying to meet girls It s a new standalone tale from the quirky medieval world of
 Ondiran in the distinctive voice of Sedigitus Swift *Doctors Without Borders in Ethiopia* Nyla Jo Jones Hubbard,2011
 Naturalists as well as volunteer workers and medical professionals will enjoy the warm and personal tale of one woman s
 experiences in the scorching climate and the heart melting expressions of humanity at this tent hospital in Ethiopia This book
 describes the function of a Doctors Without Borders program at the ground level at the TB mission they established in
 eastern Ethiopia during 2001 The culture of the Afar people is part of the story as well as the physical surroundings of the
 mission including the birds and animals of the desert setting It is also a story about relationships and how like a family a
 vastly different group of people from all over the world can become when they all share a life of physical hardship but
 enormous reward Setting up a hospital and lab in the desert and battling daily on behalf of people ill with TB malaria and
 other tropical diseases the invaluable organization of Doctors Without Borders MSF succeeds against enormous odds Their
 success proves what a collection of individuals can do with the skills at hand to make the world a better place and enjoy the
 process The team concept so vital to the mission concept comes alive in the author s depiction of the scene at Gahla The
 culture of the migratory Afar people with their fierce reputation and teeth filed to points and the city lifestyle in Ethiopia s
 capital Addis are explored As an avid birder the author also includes descriptions of the exotic birds animals and insects of
 this part of the Rift Valley with its searing heat and volcanic vents Geologists suggest that one day the entire Afar Triangle
 may give way in a tectonic shift to become the new Afar Sea Until then it is home to a wide range of wonderfully resourceful
 people and colorful fauna that enliven this impossibly hot dry land The World Trade Center disaster took place one week
 after the author s return from a Muslim part of the world and the outpouring of compassionate correspondence she received
 from the people whom she had just left tells volumes about why we must not tar all Muslims with the brush of terrorism

The Bear Killer Badge Nedler Palaz,2021-02-25 The Bear Killer Badge is earned through acts of courage perseverance
 and good judgement to achieve an extraordinary deed In 1897 Wyoming Dave Smith faces bankruptcy after a winter blizzard
 killed off his cattle herd Purchase of replacement cattle cannot take place until the sale of a valuable thoroughbred race
 horse redoubles his bank account One obstacle stands in the way The horse must be delivered halfway across Wyoming
 where obstructions arise from attempted horse theft to ransom of a railroad executive The story encounters a major

impediment on a lonely abandoned railroad siding in Suggs Wyoming A Chicago Burlington Quincy locomotive and private railcar figure prominently as the story moves via railroad from north to south within Wyoming Dave Smith learns he is considered for appointment as a District Judge for three counties one being Johnson County still rebuilding from the 1892 war that required the intervention of the US Cavalry to end the shooting war Undertones of conflict simmer five years later with efforts to drive off small ranchers arsonist night riders and rampant outlaw gangs from the Hole in the Wall unassailable hideout that includes the Dalton gang the Wild Bunch as well as Butch Cassidy and the Sundance Kid Dave s forays into stopping civil unrest and rustling gangs chip away at the criminal hold in north central Wyoming Closer to home he learns his new cattle herd is subject to being rustled unless he makes plans to thwart the theft Worst of all he discovers a friend foments the rustling tactics Old partner Jim Bowen a rapsallion US Marshal generates quirky encounters with outlaws while adding the weight of his marshal s badge to the roundup of miscreants The Checker Board ranch inhabitants continue to grow including a cadre of black men from the 9th Cavalry Buffalo Soldiers a British tutor for the irascible twin boys and the Cheyenne Indians who are on hand to deal with any threat to the ranch Dave s grown red headed twins Seth and Seamus inadvertently create a worse nightmare bear rampage This event initiates the idea of the Bear Killer Badge bestowed on those who earn it through bravery and self preservation Many factors make up the highlights of this book including whether the governor will sign off on the district judgeship Dave and Bowen delve into ways to restrain the Hole in the Wall hideout of bank robbers train holdup artists and wholesale rustlers To find a way to breach the vertical red walled canyon the most redoubtable criminal fortress in the west remains an unsolvable problem unless Dave Smith can develop a new scheme to penetrate the Hole in the Wall
