American Myth And The Legacy Of Vietnam

Neil Campbell, Alasdair Kean

American Myth And The Legacy Of Vietnam:

American Myth and the Legacy of Vietnam John Hellmann, 1989-11-17 American Myth and the Legacy of Vietnam

American Myth and the Legacy of Vietnam John Hellmann, 1986 Includes critical estimates of such novels as *The Ugly American* by William Lederer and Eugene Burdick and *The Green Berets* by Robin Moore and such films as *The Deer Hunter* and *Apocalypse Now* **The Western Landscape in Cormac McCarthy and Wallace Stegner** Megan Riley

McGilchrist, 2012-06-25 The western American landscape has always had great significance in American thinking requiring an unlikely union between frontier mythology and the reality of a fragile western environment Additionally it has borne the burden of being a gendered space seen by some as the traditional virgin land of the explorers and pioneers subject to masculine desires and by others as a masculine space in which the feminine is neither desired nor appreciated Both Wallace Stegner and Cormac McCarthy focus on this landscape and environment its spiritual narrative symbolic imaginative and ideological force is central to their work In this study McGilchrist shows how their various treatments of these issues relate to the social climates pre and post Vietnam era in which they were written and how despite historical discontinuities both Stegner and McCarthy reveal a similar unease about the effects of the myth of the frontier on American thought and life The gendering of the landscape is revealed as indicative of the attempts to deny the failure of the myth and to force the often numinous western landscape into parameters which will never contain it Stegner's pre Vietnam sensibility allows the natural world to emerge tentatively triumphant from the ruins of frontier mythology whereas McCarthy's conclusions suggest a darker future for the West in particular and America in general However McGilchrist suggests that the conclusion of McCarthy's Border Trilogy upon which her arguments regarding McCarthy are largely based offers a gleam of hope in its final conclusion of acceptance of the feminine **War and Death in the Music of George Crumb** Abigail

Shupe, 2022-09-02 This book studies George Crumb's *The Winds of Destiny* 2004 and *Black Angels* 1970 as artifacts of collective memory and cultural trauma It situates these two pieces in Crumb's output and unpacks the complex methodologies needed to understand these pieces as contributions and challenges to traditional narratives of the Civil War and the Vietnam War *The Winds of Destiny* is shown to be a critical commentary on the legacy of American wars and militarism both concepts crucial to American identity *The Winds of Destiny* also acts as an ironic war memorial as a means of critiquing such concepts *Black Angels* has long been associated with the Vietnam War This book shows how this association began and how it endures through connections to iconic Vietnam War media including films and books Together these analyses show the legacy of trauma in American collective memory which is in a continuous crisis Crumb's musical critiques point to a need to resist conventional narratives and to begin to heal trauma on a collective level This book will be of interest to students of contemporary American music American studies and memory studies It benefits readers by newly situating Crumb's music within these three fields of study **Aryan Cowboys** Evelyn A. Schlatter, 2009-06-03 During the last third of

the twentieth century white supremacists moved both literally and in the collective imagination from midnight rides through Mississippi to broadband wired cabins in Montana But while rural Montana may be on the geographical fringe of the country white supremacist groups were not pushed there and they are far from fringe elements of society as many Americans would like to believe Evelyn Schlatter's startling analysis describes how many of the new white supremacist groups in the West have co-opted the region's mythology and environment based on longstanding beliefs about American character and Manifest Destiny to shape an organic home-grown movement Dissatisfied with the urbanized culturally progressive coasts disenfranchised by affirmative action and immigration white supremacists have found new hope in the old ideal of the West as a land of opportunity waiting to be settled by self-reliant traditional families Some even envision the region as a potential white homeland Groups such as Aryan Nations The Order and Posse Comitatus use controversial issues such as affirmative action anti-Semitism immigration and religion to create sympathy for their extremist views among mainstream whites while offering a solution in the popular conception of the West as a place of freedom opportunity and escape from modern society Aryan Cowboys exposes the exclusionist message of this American ideal while documenting its dangerous appeal

American Cultural Studies Neil C. Campbell, Alasdair Kean, 2005-08-12 Drawing on literature art film theatre music and much more American Cultural Studies is an interdisciplinary introduction to American culture for those taking American Studies This textbook introduces the full range and variety of American culture including issues of race gender and youth provides a truly interdisciplinary methodology suggests and discusses a variety of approaches to study highlights American distinctiveness draws on literature art film theatre architecture music and more challenges orthodox paradigms of American Studies This is a fast expanding subject area and Campbell and Kean's book will certainly be a staple part of any cultural studies student's reading diet

Revolutionary Armies in the Modern Era S. P. Mackenzie, 1997 This presents a major re-evaluation of the standard view of revolutionary armies the range of attitudes towards the role of heroic individuals the formation and leadership of armies and the differences and similarities between such armies Beginning with an exploration of the New Model Army of the 1640s a force whose name itself seems to denote its revolutionary credentials the author presents ten case studies from around the globe including the American War of Independence The French Revolution The Zulu Boer War the Waffen SS and the Viet Cong Through a detailed analysis of source material he examines the images connected with these armies both historical and recent and assesses these images in their socio-political and nationalist contexts

War and Film in America Marilyn J. Matelski, Nancy Lynch Street, 2017-10-27 America's chief exports are war and entertainment combined they are the war films viewed all over the world The film industry is a partner of the government American film shapes the ways in which both Americans and others view war The authors herein explore differing film perspectives across five decades The essays written especially for this volume explore topics such as frontier justice Cold War fervor government sponsored terrorism the back to Vietnam films as a venue for propaganda and war's far

reaching effects on personal values family relationships and general civility The movies used in these analyses vary from conventional battle epics like *Bridge on the River Kwai* and *The Green Berets* to motion pictures with a war motif either as part of the story *The Way We Were* or as a historical setting *The Graduate* Some of the films are satirical *Dr Strangelove* some are propagandistic *The Alamo* *Big Jim McLain* Other films include *Black Hawk Down* *True Lies* *The Deer Hunter* *Patriot Games* and *Let There Be Light* Instructors considering this book for use in a course may request an examination copy here

American Cultural Studies Neil Campbell, Alasdair Kean, 1997 A interdisciplinary introduction to American culture American Cultural Studies examines the tensions that exist within the multifaceted and multicultural mix of American life Exploring the changing debates throughout the century specific consideration is given to issues such as race and religion gender and sexuality and youth The volume draws on literature art film theatre architecture and music employing techniques and arguments both from traditional analysis and cultural studies Through examining forms of cultural expression in relation to their contexts this book highlights American distinctiveness and is sure to challenge orthodox paradigms of American Studies

The History of American Foreign Policy from 1895 Jerald A. Combs, 2015-02-12 This important text offers a clear concise and affordable narrative and analytical history of American foreign policy since the Spanish American War The book narrates events and policies but goes further to emphasize the international setting and constraints within which American policy makers had to operate the domestic pressures on those policy makers and the ideologies preferences and personal idiosyncrasies of the leaders themselves

The War Comes with You Stacey Peebles, 2024-12-12 How do we tell twenty first century war stories when the wars seem to go on forever In the post 2011 surge of war stories published in America and Iraq the defining characteristic is the depiction of combat violence that crosses borders overtakes civilian spaces and disrupts chronology In *The War Comes with You* Enduring War in Life Fiction and Fantasy Stacey Peebles picks up where her groundbreaking first book *Welcome to the Suck* Narrating the American Soldier's Experience in Iraq left off Via careful readings of fiction memoir and poetry by writers such as Ben Fountain Siobhan Fallon Brian Turner and Hassan Blasim as well as recent superhero and Star Wars films Peebles argues that in the face of real and fantasy forever wars things fall apart Language identities bodies and even the stories themselves fragment These narratives suggest that people need not accept incoherence and there is a range of meaningful responses to the experience of everywhere all the time war Peebles illustrates what to do that is when war comes with you

The Politics of Consolation Christina Simko, 2015 What meaning can be found in calamity and suffering This question is in some sense perennial reverberating through the canons of theology philosophy and literature Today *The Politics of Consolation* reveals it is also a significant part of American political leadership Faced with uncertainty shock or despair Americans frequently look to political leaders for symbolic and existential guidance for narratives that bring meaning to the confrontation with suffering loss and finitude Politicians in turn increasingly recognize consolation as a cultural expectation and they often work hard to fulfill it The events of September 11 2001 raised

these questions of meaning powerfully How were Americans to make sense of the violence that unfolded on that sunny Tuesday morning This book examines how political leaders drew upon a long tradition of consolation discourse in their effort to interpret September 11 arguing that the day s events were mediated through memories of past suffering in decisive ways It then traces how the struggle to define the meaning of September 11 has continued in foreign policy discourse commemorative ceremonies and the contentious redevelopment of the World Trade Center site in lower Manhattan

International History of the Twentieth Century and Beyond Anthony Best,2008 This major global history of the twentieth century is written by four prominent international historians for first year undergraduate level and upward Using their thematic and regional expertise the authors cover events in Europe Asia the Middle East Africa and the Americas from the last century and beyond Among the areas this book covers are the decline of European hegemony over the international order the diffusion of power to the two superpowers the rise of newly independent states in Asia and Africa the course and consequences of the major **Culture Wars** Roger Chapman,2010 Although openness and inclusion are cornerstones of life in the United States intolerance and reactionary politics are also very real As the nation prepares to elect a new president The Culture Wars addresses the key defining issues of contemporary **Echoes of War** Michael C.C. Adams,2014-10-17 Americans are often accused of not appreciating history but this charge belies the real popular interest in the past Historical reenactments draw thousands of spectators popular histories fill the bestseller lists PBS A and Hollywood war movies become blockbusters Though historians worry that these popular representations sacrifice authenticity for broad appeal Michael C C Adams argues that living history even if it is an incomplete depiction of the past plays a vital role in stimulating the historical imagination In Echoes of War he examines how one of the most popular fields of history is portrayed embraced and shaped by mainstream culture Adams argues that symbols of war are of intrinsic military significance and help people to articulate ideas and values We still return to the knight as a symbol of noble striving the Bowman appeals as a rebel against unjust privilege Though Custer may not have been the Army s most accomplished fighter he achieved the status of cultural icon The public memory of the redcoated British regular soldier shaped American attitudes toward governments and gun laws The 1863 attack on Fort Wagner by the black Fifty fourth Massachusetts regiment was lost to public view until racial equality became important in the late twentieth century Echoes of War is a unique look at how a thousand years of military history are remembered in popular culture through images ranging from the medieval knight to the horror of U S involvement in the My Lai massacre **After Saigon's Fall** Amanda C. Demmer,2021-04-08 A new understanding of US policy toward Vietnam after the end of the Vietnam War based on fresh archival discoveries **Facing My Lai** David L. Anderson,1998 But these questions are asked again in the hope that they might lead to a better understanding of what My Lai means for us now **International History of the Twentieth Century** Antony Best,2004 Using their thematic and regional expertise four prominent authors have produced an authoritative yet accessible account of the history of

international relations in the last century covering events in Europe Asia the Middle East Africa and the Americas **Oliver Stone's USA** Robert Brent Toplin,2000 Challenging audiences and critics alike the films of Oliver Stone have compelled many viewers to re examine some of their most revered beliefs about America s past Stone has generated enormous controversy and debate among those who take issue with his dramatic use of history This book brings Stone face to face with some of his most thoughtful critics and supporters and allows him room to respond to their views Writers including David Halberstam Stephen Ambrose Arthur Schlesinger Jr Walter LaFeber and Robert Rosenstone critique Stone s most contested films to show how they may distort amplify or transcend the historical realities they appear to depict **American Soldiers** Peter S. Kindsvatter,2003 Some warriors are drawn to the thrill of combat and find it the defining moment of their lives Others fall victim to fear exhaustion impaired reasoning and despair This book synthesizes the wartime experiences of American soldiers from the doughboys of World War I to the grunts of Vietnam Focusing on both soldiers and marines it draws on histories and memoirs oral histories psychological and sociological studies and even fiction to show that their experiences remain fundamentally the same regardless of the enemy terrain training or weaponry

The Top Books of the Year American Myth And The Legacy Of Vietnam The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels enthralling the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the fascinating narratives that have charmed audiences this year. American Myth And The Legacy Of Vietnam : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. American Myth And The Legacy Of Vietnam : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. American Myth And The Legacy Of Vietnam : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Pape, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and gripping novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
