American Political Parties And Elections A Very Short Introduction:

American Political Parties and Elections Louis Sandy Maisel, 2016 Few Americans and even fewer citizens of other nations understand the electoral process in the United States Still fewer understand the role played by political parties in the electoral process or the ironies within the system Participation in elections in the United States is much lower than in the vast majority of mature democracies Perhaps this is because of the lack of competition in a country where only two parties have a true chance of winning despite the fact that a large number of citizens claim allegiance to neither and think badly of both Or perhaps it is because in the U S campaign contributions disproportionately favor incumbents in most legislative elections or that largely unregulated groups such as the now notorious 527s have as much impact on the outcome of a campaign as do the parties or the candidates campaign organizations These factors offer a very clear picture of the problems that underlay our much trumpeted electoral system The second edition of this Very Short Introduction introduces the reader to these issues and more Drawing on updated data and new examples from the 2016 presidential nominations L Sandy Maisel provides an insider s view of how the system actually works while shining a light on some of its flaws He also illustrates the growing impact of campaigning through social media the changes in campaign financing wrought by the Supreme Court recent decisions and the Tea Party s influence on the sub presidential nominating process As the United States enter what is sure to be yet another highly contested election year it is more important than ever that Americans take the time to learn the system that puts so many in power

American Political Parties and Elections Louis Sandy Maisel, 2022 Few Americans and even fewer citizens of other nations understand the electoral process in the United States This book offers an up to date overview of American political parties and elections providing an expert view of how the system actually works while shining a light on some of its flaws

American Political Parties and Elections: A Very Short Introduction L. Sandy Maisel, 2007-08-10 Few Americans and even fewer citizens of other nations understand the electoral process in the United States Still fewer understand the role played by political parties in the electoral process or the ironies within the system Participation in elections in the United States is much lower than in the vast majority of mature democracies Perhaps this is because of the lack of competition in a country where only two parties have a true chance of winning despite the fact that a large number of citizens claim allegiance to neither and think badly of both Or perhaps it is because in the U S campaign contributions disproportionately favor incumbents in most legislative elections or that largely unregulated groups such as the now notorious 527s have as much impact on the outcome of a campaign as do the parties or the candidates campaign organizations Studying these factors you begin to get a very clear picture indeed of the problems that underlay our much trumpeted electoral system This Very Short Introduction introduces the reader to these issues and more providing an insider s view of how the system actually works while shining a light on some of its flaws As we enter what is sure to be yet another highly contested election year it is more important than ever that Americans take the time to learn the system that puts so

many in power About the Series Oxford's Very Short Introductions series offers concise and original introductions to a wide range of subjects from Islam to Sociology Politics to Classics Literary Theory to History and Archaeology to the Bible Not simply a textbook of definitions each volume in this series provides trenchant and provocative yet always balanced and complete discussions of the central issues in a given discipline or field Every Very Short Introduction gives a readable evolution of the subject in question demonstrating how the subject has developed and how it has influenced society Eventually the series will encompass every major academic discipline offering all students an accessible and abundant reference library Whatever the area of study that one deems important or appealing whatever the topic that fascinates the general reader the Very Short Introductions series has a handy and affordable guide that will likely prove indispensable

American Politics: A Very Short Introduction Richard M. Valelly, 2013-02-11 American politics seems to grow more contentious and complicated by the day and whether American democracy works well is hotly debated Amidst all this roiling partisan argument and confusing claims and counterclaims there has never been a greater need for an impartial primer on the basics of the American political system This Very Short Introduction gives readers a concise accessible and sophisticated overview of the vital elements of American democracy emphasizing both how these elements function their historical origins and how they have evolved into their present forms Richard Valelly covers all facets of America's political system the bicameral Congress and the place of the filibuster the legislative executive process the role of the Supreme Court political parties and democratic choice bureaucracy the partisan revival and the political economy He offers as well an original analysis of the evolution of the American presidency and a fascinating chapter on the effects of public polling on political decision making and voter representation Valelly shows that the American political system is and always has been very much a work in progress unfolding within and also constantly updating an eighteenth century constitutional framework In a refreshingly balanced and judicious assessment he explores the strengths of American democracy while candidly acknowledging both gaps in representation and the increasing income inequality have sparked protest and intense public discussion Finally Valelly considers the remarkable persistence for more than two centuries of the basic constitutional forms established in 1787 despite the dramatic social changes that have reshaped virtually all aspects of American life For anyone wishing to understand the nuts and bolts of how our political system works and sometimes fails to work this Very Short Introduction is the very best place to start About the Series Oxford's Very Short Introductions series offers concise and original introductions to a wide range of subjects from Islam to Sociology Politics to Classics Literary Theory to History and Archaeology to the Bible Not simply a textbook of definitions each volume in this series provides trenchant and provocative yet always balanced and complete discussions of the central issues in a given discipline or field Every Very Short Introduction gives a readable evolution of the subject in question demonstrating how the subject has developed and how it has influenced society Eventually the series will encompass every major academic discipline offering all students an

accessible and abundant reference library Whatever the area of study that one deems important or appealing whatever the topic that fascinates the general reader the Very Short Introductions series has a handy and affordable guide that will likely prove indispensable

American Politics and Society David McKay, 2013-02-06 Now in its eighth edition this popular introduction tackles the most recent trends in American politics and society through explanation analyses and interpretations of government processes adding valuable context for students by considering these procedures and developments from an international perspective Fully updated to take account of the many recent developments in American politics and society exploring one of the most turbulent political arenas witnessed in decades Features new chapters on environmental politics and the Obama presidency Shifts its focus from the gap between public expectations and government performance to the increasingly divisive ideological climate of America's political system Benefits from a student friendly style and design with numerous illustrations and a range of helpful pedagogical features including chronologies biographies and definition boxes highlighting key concepts and controversial issues Offers thought provoking insights into the social background to contemporary politics in America while fully embracing the latest developments and considering these from a non U S perspective

American Government in Black and White Paula Denise McClain, Steven C. Tauber, 2025 American Government in Black and White Diversity and Democracy Seventh Edition is a unique introduction to American government that uses racial and ethnic equality as its underlying theme Through the course of teaching students the standard topics about the American governmental system and politics authors Paula D McClain and Steven C Tauber address issues of inequality in major facets of government including the U S Constitution key American political institutions and instruments of political behavior and the making of public policy Using the original voices of racial and ethnic actors in our nation's history they show students how to measure and evaluate the quest for and importance of equality in America from its founding up to today

Political Parties Stephanie Sammartino McPherson, 2015-08-01 When an election is coming up you usually expect a face off between the two major US political parties Democrats and Republicans It's easy to forget that there are numerous minor parties and even groups within a single party that have different goals Why do we need political parties In modern elections they are important in shaping candidates positions on issues determining who is nominated to run on a party ticket and working behind the scenes to influence an election's outcome Examine opposing viewpoints on some of the key issues surrounding political parties and consider for yourself the power they hold in the US election process

Elections A to Z David Tarr, Bon Benenson, 2012-07-03 Elections A to Z explains how campaigns and elections the hallmark of any democracy are conducted in the United States The new Fourth Edition has been redesigned and updated with new entries covering the vital current elections topics that readers want to know about Entries range from short definitions of terms like front runner to in depth essays exploring vital aspects of campaigns and elections such as the right to vote turnout trends and the history evolution and current state of House Senate presidential and some state level elections Readers will find essential

information on stages in the campaign process and the general election the roles of political consultants the media and political parties debates and issues such as term limits majority minority districts and campaign finance amendments legislation and court cases that have shaped electoral campaign and voting matters voter turnout and voting rights in the United States important terms and concepts like absolute majority and dark horse highlights of presidential elections throughout U S history

Handbook of Political Party Funding Jonathan Mendilow, Eric Phélippeau, 2018-01-26

Scrutinizing a relatively new field of study the Handbook of Political Party Funding assesses the basic assumptions underlying the research presenting an unequalled variety of case studies from diverse political finance systems

Ground Wars Rasmus Kleis Nielsen, 2012-02-05 Political campaigns today are won or lost in the so called ground war the strategic deployment of teams of staffers volunteers and paid part timers who work the phones and canvass block by block house by house voter by voter Ground Wars provides an in depth ethnographic portrait of two such campaigns New Jersey Democrat Linda Stender s and that of Democratic Congressman Jim Himes of Connecticut who both ran for Congress in 2008 Rasmus Kleis Nielsen examines how American political operatives use personalized political communication to engage with the electorate and weighs the implications of ground war tactics for how we understand political campaigns and what it means to participate in them He shows how ground wars are waged using resources well beyond those of a given candidate and their staff These include allied interest groups and civic associations party provided technical infrastructures that utilize large databases with detailed individual level information for targeting voters and armies of dedicated volunteers and paid part timers Nielsen challenges the notion that political communication in America must be tightly scripted controlled and conducted by a select coterie of professionals Yet he also quashes the romantic idea that canvassing is a purer form of grassroots politics In today s political ground wars Nielsen demonstrates even the most ordinary seeming volunteer knocking at your door is backed up by high tech targeting technologies and party expertise Ground Wars reveals how personalized political communication is profoundly influencing electoral outcomes and transforming American democracy

United States Government and Related Topics , Encyclopedia of American Political Parties and Elections Larry Sabato, Howard R. Ernst, 2014-05-14 Presents a complete reference guide to American political parties and elections including an A Z listing of presidential elections with terms people and events involved in the process

Presidential Elections in Nigeria's

Fourth Republic Babayo Sule, Usman Sambo, 2024-03-07 This book provides a uniquely detailed analysis of presidential elections in Nigeria s Fourth Republic The authors explore the changing dynamics of voting patterns religious politics politicians behaviour and the broader political system to offer new insights into presidential systems in Africa and beyond In doing so they address an often neglected area of political science and cast light on the political challenges facing one of the world s largest democracies The book s comprehensive coverage of Nigerian presidential elections and the lessons they hold for developing countries across the globe is a valuable resource for researchers students international institutions and non

governmental organisations

Parties and Elections in America Mark D. Brewer, L. Sandy Maisel, 2024-07-10 The 10th edition of this classic text introduces students to political parties and their critical role in representative democracy at the local state and national levels Students will engage in fully up to date discussion of changes to presidential campaigns and elections the ever evolving world of campaign finance rapidly changing media environment and much more In addition Parties and Elections in America reflects the authors continuing emphasis on the foundations of our modern political system by providing historical context throughout the text The new edition fully incorporates the 2020 and 2022 election cycles as well as the initial run up to the 2024 election

Political Party Financing and Electoral Politics in Nigeria's Fourth Republic Babayo Sule, 2023-03-17 In Political Party Financing and Electoral Politics in Nigeria's Fourth Republic Babayo Sule provides a detailed analysis of the process of political party financing in Nigeria from 1999 to the present Sule links the party financing process with the electoral process and explores issues of democratic accountability transparency and corruption in Nigeria under democratic rule Issues of excessive spending violation of legal procedures for party financing and monitoring of parties activities particularly finances are explored The book presents an analytical discourse on elections and processes that influence an election in Nigeria's Fourth Republic in which party financing and money politics are instrumental This book observes how political corruption gains root in the process of party financing and builds a theory linking party financing electoral politics and democratic accountability This book provides practical policy implications for strengthening Nigeria's electoral process and transparency in its democracy

Ancient Greece Paul Cartledge, 2009-10-22 The contribution of the Ancient Greeks to modern western culture is incalculable In the worlds of art architecture myth literature and philosophy the world we live in would be unrecognizably different without the formative influence of Ancient Greek models Ancient Greek civilization was defined by the city in Greek the polis from which we derive politics It is above all this feature of Greek civilization that has formed its most enduring legacy spawning such key terms as aristocracy oligarchy tyranny and last but by no means least democracy This highly stimulating introduction to Ancient Greece takes the polis as its starting point Paul Cartledge uses the history of eleven major Greek cities to illuminate the most important and informative themes in Ancient Greek history from the first documented use of the Greek language around 1400 BCE through the glories of the Classical and Hellenistic periods to the foundation of the Byzantine empire in around CE 330 Covering everything from politics trade and travel to slavery gender religion and philosophy it provides the ideal concise introduction to the history and culture of this remarkable civilization that helped give birth to the world as we know it

Navigating the News Michael K. Baranowski, 2013-07-19 This is the book for anyone who aspires to the title informed citizen It clearly explains how political news works how the media influences readers and how to sort through it all to be a better smarter consumer of political news In a perfect world political news would be objective and fact based Instead it is biased and unreliable This engaging book was written to help readers master the media Combining insight and humor it exposes the bias irrationality bad arguments and misleading

numbers that abound in political media It shows readers how to take advantage of available news sources and it guides them in developing the skills needed to sort through the flood of hype and misinformation Specifically the book examines types of political media and why it matters whether one gets political news from television radio newspapers or the Internet including social media It discusses the latest developments in political behavior economics media studies and neuroscience to explain why the political media does what it does to systematically distort consumers view of politics and it looks at ways consumers tend to be irrational in choosing and interpreting news Finally it offers concrete suggestions that will enable readers to become more critical of what they read see and hear

Topology Richard Earl, 2020-01-11 How is a subway map different from other maps What makes a knot knotted What makes the M bus strip one sided These are questions of topology the mathematical study of properties preserved by twisting or stretching objects In the 20th century topology became as broad and fundamental as algebra and geometry with important implications for science especially physics In this Very Short Introduction Richard Earl gives a sense of the more visual elements of topology looking at surfaces as well as covering the formal definition of continuity Considering some of the eye opening examples that led mathematicians to recognize a need for studying topology he pays homage to the historical people problems and surprises that have propelled the growth of this field

American Political Parties And Elections A Very Short Introduction Introduction

In the digital age, access to information has become easier than ever before. The ability to download American Political Parties And Elections A Very Short Introduction has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download American Political Parties And Elections A Very Short Introduction has opened up a world of possibilities. Downloading American Political Parties And Elections A Very Short Introduction provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading American Political Parties And Elections A Very Short Introduction has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download American Political Parties And Elections A Very Short Introduction. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading American Political Parties And Elections A Very Short Introduction. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading American Political Parties And

Elections A Very Short Introduction, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download American Political Parties And Elections A Very Short Introduction has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
