American Ways An Introduction To American Culture 4th Edition:

American Ways Maryanne Kearny Datesman, JoAnn Crandall, Edward N. Kearny, 2005 Indhold Introduction Understanding the Culture of the United States Traditional American Values and Beliefs The American Religious Heritage The Frontier Heritages The Heritage of Abundance The World of American Business Government and Politics in the United States Ethnic and Racial Diversity in the United States Education in the United States How Americans spend their leisure time The American Family American Values at the Crossroads Routledge Handbook of Strategic Culture Kerry M. Kartchner, Briana D. Bowen, Jeannie L. Johnson, 2023-10-11 This handbook offers a collection of cutting edge essays on all aspects of strategic culture by a mix of international scholars consultants military officers and policymakers The volume explicitly addresses the analytical conundrums faced by scholars who wish to employ or generate strategic cultural insights with substantive commentary on defining and scoping strategic culture analytic frameworks and approaches levels of analysis sources of strategic culture and modalities of change in strategic culture The chapters engage strategic culture at the civilizational regional supra national national non state actor and organizational levels The volume is divided into five thematic parts which will appeal to both students who are new to the subject and scholars who wish to incorporate strategic culture into their toolbox of analytical techniques Part I assesses the evolving theoretical strengths and weaknesses of the field Part II lays out elements of the theoretical and methodological foundations of the field including sources and components of strategic culture Part III presents a number of national strategic cultural profiles representing the state of contemporary strategic culture scholarship Part IV addresses the utility of strategic culture for practitioners and scholars Part V summarizes the key theoretical and practical insights offered by the volume s contributors This handbook will be of much interest to students of strategic studies defense studies security studies and international relations in general as well as to professional practitioners **The Marines, Counterinsurgency, and Strategic Culture** Jeannie L. Johnson, 2018 The US Marine Corps has traditionally been one of the most innovative branches of the US military but even it has struggled to learn and retain lessons from past counterinsurgency wars Jeannie L Johnson looks at the clash between strategic culture and organizational learning through the US Marine Corps s long experience with counterinsurgency She first undertakes a fascinating examination of what makes the Marines distinct their identity norms values and perceptual lens To do this Johnson uses an innovative framework for analyzing strategic culture Next she traces the history of the Marines counterinsurgency experience from the expeditionary missions of the early twentieth century through the Vietnam War and finally to the Iraq War She shows that even a service as self aware and dedicated to innovation as the US Marine Corps is significantly constrained in the lessons learned process by its own internal predispositions Even when internal preferences can be changed ingrained biases endemic to the broader US military culture and American public culture create barriers to learning **The American Ways** Maryanne Kearny Datesman, Jo Ann Crandall, Edward N. Kearny, 1997 Indhold
