Why So Many Christians Have Left the Faith Michael L. Brown, 2023 This book will provide you with the facts and understanding you need to respond to difficult questions biblically and stay rooted in your faith even when others seem to be abandoning theirs We are living in unprecedented times when Christian leaders are renouncing their faith and large numbers of believers are falling away Is this the final apostasy prophesied by Jesus and Paul And can we do anything to help those struggling with their faith In Why So Many Christians Have Left the Faith Dr Michael L Brown confronts the problem of Christian deconstruction with solid faith building answers and honest responses to difficult questions Pentecostals and the Poor Ivan M. Satyavrata, 2017-08-23 There are occasions when a book comes along at a critical time where the insights provided and foundations established through its publishing fills a broad vacuum with new vision Dr Ivan Satyavrata has written just such a book at a critical moment where serious theological reflection about the Church's engagement with the poor again requires recalibration If readers will take seriously the sturdy scholarship and prophetic voice of Dr Satyavrata we will avoid the debilitating results of popular pop justice causes of the day that threaten to dissipate the Church's witness with feel good activities that rob the fullest impact of Spirit empowered ministry Dr Byron Klaus Former President Assemblies of God Theological Seminary **Romans (Teach the Text Commentary Series)** C. Marvin Pate, 2013-01-15 The Teach the Text Commentary Series utilizes the best of biblical scholarship to provide the information a pastor needs to communicate the text effectively The carefully selected preaching units and focused commentary allow pastors to quickly grasp the big idea and key themes of each passage of Scripture Each unit of the commentary includes the big idea and key themes of the passage and sections dedicated to understanding teaching and illustrating the text **Wisdom, Faith, and Service** Agam Iheanyi-Igwe, Dennis R. Lindsay, 2023-12-21 Wisdom Faith and Service captures the essence of the institutional vocation and mission of Bushnell University from its founding in 1895 The Bushnell Saga past present and future is shaped and framed by the individual wisdom faith and service sagas of Bushnell People women men professors students alumni administrators and countless friends whose own vocational callings have contributed to and benefited from the saga of this institution In this book current Bushnell People reflect theologically and practically on the university's mission and share the stories of other Bushnell People whose lives embody the high calling of wisdom faith and service **Your Child's Heart** Terry W. Grassl, 2019-05-14 My theological work was always only a superstructure placed upon the experiences and sufferings of my life Helmut Thielicke Thielicke's story is one of extraordinary circumstances Especially as a young man living through Germany's darkest hour he was time and again put on the brink of death by fatal sickness Nazi oppression and war These experiences left an indelible mark on his worldview In this thoroughly researched study Fabian F Grassl takes a fresh and original look at Thielicke's

turbulent life through the specific lens of suffering and death He paints an intimate portrait of a boundary rider whose theology uniquely developed in the face of death As a result new light is cast on one of the outstanding theologians ethicists and preachers of the twentieth century The reader is invited to explore a world of thought decidedly shaped by the eschatological existence of an intriguing personality a flawed human being like the rest of us yet endowed with a fascinating theological prowess taking his stand amongst Germany's major historical upheavals of the last century **Performing a Christian Life** Thomas D. Kennedy, 2019-11-13 We want to live good lives but determining what a good life is isn't easy especially if we want the lives we lead to be ours rather than somebody else's Tom Kennedy helps us see why it is hard to find our way when it comes to living well and what we can do about that Finding our way requires knowing who we are understanding ourselves and Christians because of their experience with God will understand themselves differently than others in at least some ways Kennedy explores that understanding and discovers that Christian encounters with God lead to beliefs about God human nature forgiveness values and loving well that have important implications for what we do and feel for how we should live In clear and familiar language and with probing questions he helps us think more carefully and deeply about our identities and what it should look like for us to live well **Faith Without Illusions** Andrew Byers, 2011-02-28 Cynicism has become almost a cliché It pervades the culture and defines the age and threatens to derail faith Andrew Byers identifies the primary factors in the church that inspire disillusionment rather than faith but he goes beyond that to help struggling cynics channel their frustrations into the redemptive vocations found in the Bible the prophet the sage the tragic poet These all find their fulfillment in Jesus and he in turn inspires cynics from the apostle Paul to you and me to embrace our saintly calling hopeful realism *A Little Book for New Bible Scholars* E.
