This book is for mature adults over 18 Justin I had always perceived myself as a heterosexual male who appreciated the admiration of women and the thrill of fast cars Yet I had never faced a true test of my identity I married the first woman who professed her love for me but we remained childless She was often preoccupied with friends and traveling until my financial success prompted her desire for children which for reasons unknown to me never materialized Perhaps that was due to my relentless work ethic and her inclination to indulge in the wealth I had amassed through my business endeavors However it could be our relationship lacked genuine love I recognized her affection for me was superficial early on yet we maintained our partnership for the sake of my business and her lifestyle as the spouse of a wealthy man With the guidance of my gay mentor I transitioned from a struggling mechanic to a billionaire though I remain uncertain about my journey going forward Now my life is unraveling as I have discovered true love a revelation that took me by surprise The moment I looked into his green eyes and youthful face I realized I wanted him to fill my empty hours and days yet our situation is fraught with complications not due to his lack of interest but rather the complexities surrounding us me as a straight dude who can t afford to lose everything I ve worked hard for This is book 2 in the Influencer series of a straight to gay romance and fake boyfriend with a HEA ending
