A comparative study of elite English-medium schools, public schools, and Islamic madaris in contemporary Pakistan Akhtar Hassan Malik, 2015-04-12 This ethnographic study examines the role of differing school knowledge in reproducing various social classes in the society It was observed that an unequal availability of capital resources agents class habitus and the type of their cultural currency act as selection mechanisms that clearly favour some social groups over others The ruling classes ensure the transfer of their power and privilege to their children by providing them with quality education in elite schools The disadvantaged classes are excluded from these unique institutions by both social and economic sanctions They have no other option than to educate their children either in public schools or Islamic madaris As a result inequitable educational opportunities consolidate the existing social class hierarchy

Most Common Interview Questions and Answers - English Navneet Singh, Preparing for an interview involves understanding common questions and practicing thoughtful responses Here are some of the most frequently asked interview questions along with example answers 1 Tell me about yourself Answer I m an experienced project manager with over six years in the tech industry I specialize in managing large scale software development projects and have a proven track record of delivering projects on time and within budget My strengths include strong organizational skills the ability to lead cross functional teams and excellent communication skills In my previous role at XYZ Corporation I successfully led a team that developed a new customer management system which improved client retention by 15% 2 Why do you want to work here Answer I ve always admired your company s commitment to innovation and quality The recent advancements your team has made in renewable energy solutions are particularly impressive I m passionate about sustainability and believe my

background in engineering and project management can help contribute to your ongoing success in this area

3 What are your strengths Answer My key strengths are problem solving adaptability and leadership In my current role I ve led multiple projects where I had to quickly adapt to changing requirements and find effective solutions For example when a major client requested last minute changes I worked closely with my team to ensure we delivered the revised project on schedule which led to a significant increase in client satisfaction

4 What are your weaknesses Answer I tend to be overly critical of my work which sometimes leads to spending more time on a task than necessary However I ve been working on this by setting more realistic deadlines for myself and seeking feedback from colleagues to ensure I stay on track without compromising quality

5 Describe a difficult work situation and how you overcame it Answer In my previous job we faced a major challenge when a key supplier went out of business threatening our project timeline I quickly organized a team meeting to brainstorm alternative suppliers and negotiated expedited production schedules By closely monitoring the new supplier and adjusting our internal timelines we managed to complete the project without any significant delays

6 Where do you see yourself in five years Answer In five years I see myself in a leadership role within this company having taken on greater responsibilities and contributed to significant projects I aim to develop my skills further and take on more complex challenges helping the company achieve its strategic goals

7 Why should we hire you Answer You should hire me because I bring a unique combination of skills and experience that align perfectly with the needs of your team My background in project management coupled with my proactive approach and problem solving skills means I can hit the ground running and make immediate contributions to your ongoing projects

8 What are your salary expectations Answer Based on my research and the industry standards for this role I believe a salary in the range of X to Y is appropriate However I am open to discussing this further and would appreciate learning more about the full compensation package you offer

9 How do you handle stress and pressure Answer I handle stress and pressure by staying organized and maintaining a positive attitude I prioritize my tasks break down large projects into manageable steps and ensure I take regular breaks to stay refreshed During high pressure situations I focus on clear communication and teamwork to ensure that everyone is aligned and working efficiently towards our goals

10 Do you have any questions for us Answer Yes I do Can you tell me more about the team I would be working with and the main projects I would be involved in Additionally what opportunities are there for professional development and growth within the company

Tips for Interview Success
