to send Unit Expendable to Kuwait on a mission when they will fly into Iran to hopefully save Captain Weller. He remains in the U S with President Berry visiting his home to ask him to accompany her and the Secretary of State on Air Force One during her trip to Iran. After receiving a blessing from his father and feeling that he has no choice, Raven accompanies the U S President on her trip. Cairns plans a severe terrorist attack which makes Air Force One eventually dive from the damaged runway at Imam Khomeini International Airport towards the Metro underground train travelling below, creating total devastation. President Berry and the Secretary of State Johnson are kidnapped by Cairns, and President Modarres leaves Raven to leap from a huge inferno when several hand grenades are thrown in the damaged fuselage of Air Force One. Raven is now a man alone on a mission. After eventually joining up with members of Unit Expendable, he succeeds in being able to free several people from the clutches of Cairns' sadistic methods, sacrificing himself for their safe return. Raven's son John Weller had proposed to his girlfriend Louise, who tells him that before she can give him an honest answer, she wants him to leave the military so they can live a normal life. After seeing his father on television suffering injury, Weller knows that he also has a huge decision to make. He can only hope that after what his father endures from the enemy, that this time it won't be One Time Too Many. www.richardcrombleholme.com
