Victor M. Corman

14 Ged Lesson Plans:

The Complete Theory-to-practice Handbook of Adult Literacy ,1990 This work offers guidelines for curriculum design and teaching approaches for adult education programmes that are broader and more interactive than many existing programmes for undereducated adults The authors describe ways in which classes can be organized and lessons developed around the specific needs and interests of adult learners rather than around pre packaged materials Strategies for Teaching

Learners with Special Needs Edward A. Polloway,James R. Patton,Loretta Serna,2005 This comprehensive non categorical special education methods book retains the key features that have made it a bestseller within the special education field for more than 20 years The authors give substantial coverage to generic methods and to all curricular content areas In the new edition increased emphasis is given to effective research based teaching strategies that will enable students with special needs to be successful in any classroom environment inclusive classrooms resource and self contained classrooms
