A Women's Guide to Handling Guns - A Woman's Self-Defense Dina Angco, John Davidson, 2015-01-11 A Women's Guide to Handling Guns A Woman's Self Defense Table of Contents Introduction Chapter 1 Does a Woman Need a Gun for Self defense Chapter 2 What type of gun is for me Chapter 3 How to get started Chapter 4 The Cardinal Rules of Gun Safety Chapter 5 Parts of a Gun Chapter 6 Learning to Fire your Gun Chapter 7 Practical Shooting the sport Chapter 8 When you are under attack Chapter 9 Additional Safety Precautions Conclusion Author Bio Bonus Content Introduction Mental Attitude Towards Violence How to Stop from Panicking Facing Your Attacker Rules to Protect Yourself Going Out to a Party When You Are Walking What If You Are Being Followed Traveling on Your Own Traveling in Your Car Relationships Going Wrong No Means No To drink Or Not to Drink That Is the Question Learning How to Fight Back How to Protect Yourself Against Grabs Conclusion Author Bio Publisher Introduction I wrote this book to share what I have learned in gun handling and to give some idea not only to women but also to men of how a woman perceives this man dominated gadget or equipment I would say that 99% of women who know how to handle a gun or who are engaged in practical shooting as a sport were influenced by a male in their lives whether it is the father husband brother boyfriend uncle or a male friend Gun ownership inarguably is a man's world But it did not say that women cannot dip their fingers to it if it is necessary or even if she was just plain interested In my case the guilty party was my husband who suavely got my nod first for him to own a gun and later on to join him on his shooting practice tournaments and gun shows I have to admit that in the beginning I would cringe whenever I would see him working on his gun and later on guns I always have this thought that it will discharge accidentally and someone could get hurt At that time I could not even hold a gun But then gradually I warmed up to it I started holding the gun no bullets of course until later on my husband would be training me on how to hold it properly how to get the right stance and eventually how to fire it Believe it or not within months I was going with him on his practice shooting and tournaments At first I was the photographer and videographer Eventually I would be doing my own practice sessions and would join him on tournaments

A Girl's Guide to Firearms John Rao, Heidi Rao, 2018-11-27 Our founding fathers lived in a time of tyranny and oppression The idea of human rights personal property and freedom of expression were at the whims of the ruling class It was commonplace for people of the world to be told what religion they could belong to and how to worship and what they could say and not say about the leaders of their society to be forced to live in a caste system that did not allow for bettering one's life to be told what possessions they could own or to be even forced into slavery Violating the societal rules established by kings queens czars or other ruling classes would lead to severe penalties such as imprisonment torture loss of extremities such as fingers hands arms loss of the senses and organs such as eyes ears noses or tongue or the common practice of death by execution

A Woman's Guide To... Gwendoline Summers, Florence Grant, Maggie Joyce, Forrest Grant, 2022-04-06 Gwendoline Summers has a special style of writing to women about some of the unique

options available to them She knows what it is like to baby her husband Her first book is a guide to other women seeking to take their partner in hand and make them the baby they both need him to be This is not an enforced babying guide but rather one to help women who already KNOW that their partners need the security of nappies a dummy and a babyish lifestyle to achieve that goal The second book covers the subject in a more extensive way about making your partner into a Sissy Baby a baby girl And the third book brings up an interesting question is potty training a thing of the past and is it time to reject it both for your partner and yourself This book is not just for women with AB partners but for ALL women whether their partners are AB or not She takes it step by step in how to slowly get your partner into nappies and other baby items If your partner is AB then you are already partway there but if they are non AB this book is still for you It is a guidebook along a journey of letting our men express the infancy inside that is so often just beneath the surface *The Women's Guide to Handguns* Jim Carmichel,1982 From Boys to Men Emily Senay,Rob Waters,2010-05-11 THE GROUNDBREAKING GUIDEBOOK ON THE HEALTH OF BOYS AND MEN FOR THE WOMEN WHO LOVE THEM Men are likely to die on average nearly six years earlier than women and they have higher mortality rates for many of the leading causes of death in America including heart disease accidents suicide chronic liver disease and cancer The women in their lives mothers wives girlfriends sisters and daughters are traditionally charged with managing their health concerns From Boys to Men is a unique resource designed to arm women with much needed information about men s health issues and to help them educate their male loved ones on how to take care of themselves Filled with Dr Senay s expert medical advice personal anecdotes and a healthy dose of humor From Boys to Men will resonate with women of every age and stage of life TOPICS INCLUDE BOYS Health issues unique to infants the most dangerous threats to teenage boys learning disabilities and developmental disorders gender issues sportsmanship body image sex and sexuality MEN Preventative care emotional needs and disorders stress and depression high cholesterol and blood pressure coping with illness sexual dysfunction and more Glamping with MaryJane MaryJane Butters,2012-09-01 Glamour camping is about the juxtaposition of rugged and really pretty grit and glam diesel and absolutely darling The New York Times Glamping unleashing your inner wild while wearing a pair of fishing lure earrings is for every woman or man who ever had a get away from it all fantasy with a few frilly embellishments thrown in Learn about the never fail campfire cooking with cast iron how to change a flat and much much more Like the infamous Calamity Jane who said I figure if a girl wants to be a legend she should go ahead and be one MaryJane Butters coined the term glamping years ago when she founded her unusual Idaho canvas wall tent bed breakfast which was featured in The New York Times Magazine and Travel Leisure as the place to be Legend status achieved MaryJane lives in Moscow Idaho where she runs her many businesses which include a successful organic farm product lines a bed breakfast and MaryJanesFarm magazine This is her fourth book One busy hectic afternoon in my house I sat down to take a quick peek at Glamping Over two hours later I was still reading blissfully lost in MaryJane s beautiful world I m dying over this book I absolutely positively LOVE IT Ree

Drummond New York Times bestselling author of *The Pioneer Woman Cooks* **A Woman's Guide to Gun Ownership** Zoltan Fogassy, 2014-02-14 Let's face it even in this day and age sexism still exists Women can be ignored talked down to or misinformed about many things cloaked under the guise of male dominated markets particularly gun buying and ownership But owning a gun isn't a guy thing It's a right and privilege to which we all are entitled regardless of gender and women need to approach the shopping and shooting scenarios with confidence so they can make informed decisions avoid costly mistakes and ultimately realize the joy security and peace of mind that come with gun ownership A positive easy to use guide for first time or novice gun buyers A Woman's Guide to Gun Ownership empowers women with the knowledge they need to shop for purchase and own a firearm It explains the fundamentals of how guns work the different types of firearms available and their usage for home defense as well as offering tips for how to combat bias when talking with gun shop employees friends and family members Additional features of this must read text include interviews with female gun owners and information on websites clubs organizations and other resources to which women can turn to further expand and understand their ownership experience *Gender and Firearms* Peter Squires, 2024-04-01 Private gun ownership for self defense remains a major personal and public issue in the United States driven by concerns about crime vulnerability and a range of ideological factors including race and gender As media attention centres upon the extent to which women are taking up firearms with the gun lobby and firearms manufacturers celebrating the new armed woman and guns being promoted as Rape Prevention Kits this book explores the changing gendered aspects of gun ownership Can ownership of firearms by women be considered as some have claimed the embodiment of what might be termed pioneer feminism as women resist male violence in a dangerous world or are different stories told by the prominence of women in firearms control campaigns or the fact that women remain frequent victims of male gun ownership Analysing representations of the armed woman in firearm and gun lobby marketing and advertising campaigns together with television and popular music forms *Gender and Firearms My Body My Choice My Gun* examines the directions taken in the public debate on weaponisation in the United States considering the role of women in the politics of gun safety and gun control The book draws on statistical evidence in order to shed light on trends in gun ownership whilst engaging with feminist scholarship on the relationship between gender violence risk and vulnerabilities thus opening up critical new debates surrounding identity performance gender and risk in contemporary societies As such the book will be of likely interest to sociologists and scholars of sociology criminology and cultural and media studies with interests in gender embodiment risk crime and violence *Gun Control and Gun Rights* Andrew J. McClurg, David B. Kopel, Brannon Denning, 2002-06 The benefits of gun ownership The costs of firearms Philosophical roots of the right to arms and of opposition to the right The right to arms in the Second Amendment and state constitutions cases and commentary Guns and identity race gender class and culture **Stand Your Ground** Caroline Light, 2017-02-14 A history of America's Stand Your Ground gun laws from Reconstruction to Trayvon Martin After a young

white gunman killed twenty six people at Sandy Hook Elementary School in Newtown Connecticut in December 2012 conservative legislators lamented that the tragedy could have been avoided if the schoolteachers had been armed and the classrooms equipped with guns Similar claims were repeated in the aftermath of other recent shootings after nine were killed in a church in Charleston South Carolina and in the aftermath of the massacre in the Pulse nightclub in Orlando Florida Despite inevitable questions about gun control there is a sharp increase in firearm sales in the wake of every mass shooting Yet this kind of DIY security activism predates the contemporary gun rights movement and even the stand your ground self defense laws adopted in thirty three states or the thirteen million civilians currently licensed to carry concealed firearms As scholar Caroline Light proves support for good guys with guns relies on the entrenched belief that certain bad guys with guns threaten us all Stand Your Ground explores the development of the American right to self defense and reveals how the original duty to retreat from threat was transformed into a selective right to kill In her rigorous genealogy Light traces white America s attachment to racialized lethal self defense by unearthing its complex legal and social histories from the original castle laws of the 1600s which gave white men the right to protect their homes to the brutal lynching of criminal Black bodies during the Jim Crow era and the radicalization of the NRA as it transitioned from a sporting organization to one of our country s most powerful lobbying forces In this convincing treatise on the United States unprecedented ascension as the world s foremost stand your ground nation Light exposes a history hidden in plain sight showing how violent self defense has been legalized for the most privileged and used as a weapon against the most vulnerable

On Target Noah S. Schwartz, 2022-08-31 The National Rifle Association NRA is an important actor in the American gun debate While popular explanations for the group s influence often focus on

the NRA's lobbying and campaign donations it receives lesser attention for the mass mobilization efforts that make these political endeavours possible. *On Target* explores why the NRA is so influential and how we can understand the group's impact on firearms policy in the United States. The book looks at how the NRA both draws upon and shapes historical meta-narratives regarding the role of firearms in America's national identity and how this is part of a larger effort to expand the community of gun owners. Noah S. Schwartz demonstrates how the NRA portrays a vision of the past through events such as its annual meeting, communications such as *American Rifleman* magazine and NRA TV, and points of contact including the National Firearms Museum. Based on fieldwork in Indiana and Virginia including participant observation at NRA events and firearm safety classes, thematic analysis of audio-visual material and interviews with NRA executives and members, *On Target* sheds light on the ways in which the NRA tells stories to build and mobilize a politically motivated network of gun owners.

Female and Armed Lynne Finch, 2015-06-09 *Female and Armed* Lynne Finch offers an information-packed follow-up to her first book *Taking Your First Shot*. Based on questions and requests from readers, this book addresses more advanced techniques for personal defense as well as range drills to help readers practice and hone those skills. It's important to know how to defend yourself, and Finch provides the building blocks necessary to successfully navigate some dangerous real-life scenarios. Be it a carjacking, robbery, or home invasion, readers will learn how to protect themselves and their family. *Female and Armed* introduces readers to more advanced situational awareness techniques and builds upon their previous shooting experience by teaching them how to responsibly handle and carry a concealed handgun. Finch covers the advances in female holsters and discusses the various ways to carry as well as the importance of having a primary carry method. In addition to this, topics include handgun retention, defensive draw stroke, and defensive reloading, shooting from an unstable platform, and shooting from within a car. Knowing how to handle yourself can make all the difference in a stressful and dangerous situation. This guide also includes defensive tactics when confronted by an assailant armed with a gun or knife. Brimming with full-color photos, this approachable guide is written in Finch's distinctive conversational and nonthreatening style. It is great for the novice shooter looking to advance and for the more experienced shooter looking for tips to improve her shooting. [Gender, Crime, and Justice](#)

Erin Katherine Krafft, Jo-Ann Della Giustina, Susan T. Krumholz, 2021-12-09 *Gender Crime and Justice* is a unique core textbook that introduces key concepts through case studies. Each chapter opens with a compelling case study that illustrates key concepts, followed by a narrative chapter that builds on the case study to introduce essential elements. Each chapter features pedagogical elements: learning objectives, key terms, review and study questions, and suggestions for further learning and exploration. In addition to the unique case study approach, this book is distinctive in its inclusion of LGBTQ experiences in crime victimization, processing, and punishment. *Gender Crime and Justice* also addresses masculinity and the role it plays in defining offenders and victims, as well as challenges posed by the gender gap in offending.
