Guide to Figurative Language (Revised) Elaine C. R. Heckingbottom,2016-07-31 Aimed particularly at parents in the CSSE region who want to help their child to achieve the magic score which will result in them being allocated a place at their chosen selective school In today s increasingly competitive society preparation for the 11 has become incredibly tough whichever education authority area you live in For these children it involves studying many concepts that they will not have faced before Many of the questions are extremely hard and not all the elements of the exam can be fully prepared for however even in the areas of the country where they now claim the exams cannot be tutored there are still many tools that

you can give your children to help their preparation and one of those tools is a knowledge of the different aspects of Figurative Language Introducing metaphors and similes personification and pathetic fallacy alliteration idioms onomatopoeia hyperbole irony and oxymoron in a way that they will be easily remembered this book is a great introduction to Figurative Language for children from Upper Key Stage 2 to the end of Key Stage 3 9 to 14 year olds **Studies in Figurative Thought and Language** Angeliki Athanasiadou, 2017 This volume contains original research and innovative analyses that deepen our understanding of figurative thought and language The selected papers focus on the multi faceted aspect of figuration its function in thought and its impact on areas of grammar and communication Key topics explored include metaphor metonymy and their relationship to each other as well as the less studied figure of hyperbole and its relation to the fundamental figures of metaphor and metonymy Collectively the papers examine the pragmatic reasoning processes triggered by figurative thought the lexicogrammatical motivations and or constraints on figurative language the impact of deeply entrenched figurative thought on the lexicon of natural languages the cultural origins of figurative thought and the psycholinguistic motivations for figuration The comprehensive treatment of these issues is fundamental for future research on figurative thought and language particularly on questions of universality vs specificity of figuration the impact of figuration on constructions cross linguistic comparisons of figurative language and cognitive pragmatic approaches to figurative meaning *Figurative Language and Thought* Albert N.
