Read the passage about plants. Answer the questions and color the evidence in the text.

Plants

Plants are made up of tiny building blocks called cells. Plants are living things. Like all living things plants can grow and die. Plants need water and a good soil to stay alive. They also need sunlight and air. Plants use the light from the sun , the air, and the water to make their own food.

1 What are plants made up of?

2 How do we know that plants are living things?

3 What do plants need?
