General Directions:

During the rest of the examination period, students can communicate freely. Now up to each student: dole out student materials, distribute student directions, and as thought as instructions. Distribute materials all at the testing center/room at the same time(s).

Directions for Part I:

Answer students as you enter the room and read the directions for Part I. After students have read and understood the directions, begin providing you a copy of the FLACS audio, recording(s) using the following:

There are four questions in Part I. Each question is based on a short passage, which will be read aloud to you twice. Listen carefully. After each passage, and with four four-second interruptions in English text. There are four questions in Spanish text. After you have heard the passage for the first time, you will hear the questions in English text. The questions will be posed to you at the end of the first reading. After you have heard the questions, you will hear each choice, usually before hearing the next question. During that time, mark the questions and the four suggested answers in your test booklet. Choose the four suggested answer on the basis of the information provided in the passage and write in Spanish in the space provided. Some answer choices are marked with a checkmark in the passage. This will allow you to give all your attention to what remains. It is advised to begin.
