

Constitutional Issue in Education

2002/03: The Education

Blacks at this time considered Britain to be a monarchy. They wanted a constitutional system where there would be a monarch who would be a ceremonial figurehead, but the country would be run by elected representatives.

14. They believed that as a monarchy was the best way that they could rule and together represented all of Britain.

Their main problem was to agree on the shape that their constitution and ruling system should take as they

21. It was not suggested that the original constitutional document of the 1215 chart should be used as the basis for the new constitution, but instead created the plan.
