

A WOMAN SCORNED

acquaintance rape on trial

"The novel allows us to look at the notion of telling to one's partner about one's sexual self and bringing sexual violence on many an acquaintance. But thanks to Sunday's focus on female understanding of the social and cultural forces that lie behind that violence, it's between Sunday and a novel quite different from both how the rape discussion has to go and how it has already gone."

A Woman Scorned Acquaintance Rape On Trial

Elizabeth A. Sheehy

A Woman Scorned Acquaintance Rape On Trial:

A Woman Scorned Peggy Reeves Sanday, 1997-01-01 In this bracing study of American sexual culture and the politics of acquaintance rape esteemed anthropologist Peggy Reeves Sanday identifies the sexual stereotypes that continue to obstruct justice and diminish women Beginning with a harrowing account of the St John s rape case Sanday reaches back through British and American landmark rape cases to explain how with the exception of earliest Colonial times rape has been a crime notable for placing the woman on trial A ground breaking work of scholarship *A Woman Scorned* brings a broader perspective to our understanding of acquaintance rape and envisions finally a new paradigm for female sexual equality

Athletes, Sexual Assault, and Trials by Media Deb Waterhouse-Watson, 2013-02-11 Since footballer sexual assault became top news in 2004 six years after the first case was reported much has been written in the news media about individual cases footballers and women who have sex with them Deb Waterhouse Watson reveals how media representations of recent sexual assault cases involving Australian footballers amount to trials by media trials that result in acquittal The stories told about footballers and women in the news media evoke stereotypes such as the gold digger woman scorned and the predatory woman which cast doubt on the alleged victims claims and suggest that they are lying Waterhouse Watson calls this a narrative immunity for footballers against allegations of sexual assault This book details how popular conceptions of masculinity and femininity inform the way footballers bodies team bonding women sex and alcohol are portrayed in the media and connects stories relating to the cases with sports reporting generally Uncovering similar patterns of narrative grammar and discourse across these distinct yet related fields Waterhouse Watson shows how these discourses are naturalised with reports on the cases intertwining with broader discourses of football reporting to provide immunity Despite the prevalence of stories that discredit the alleged victims Waterhouse Watson also examines attempts to counter these pervasive rape myths articulating successful strategies and elucidating the limitations built into journalistic practices and language itself

Handbook of Postcolonial Archaeology Jane Lydon, Uzma Z Rizvi, 2016-07 The contributors to this volume themselves from six continents and many representing indigenous and minority communities and disadvantaged countries suggest strategies to strip archaeological theory and practice of its colonial heritage and create a discipline sensitive to its inherent inequalities

Criminology Piers Beirne, James W. Messerschmidt, 2014 This is a comprehensive introduction to the study of crime and criminological theory for criminology courses The authors take a critical sociological approach which emphasizes the relationship between gender class race age and crime Definitions of crime and the measurement of crime are subjected to a critical analysis that focusses on the social construction of crime and crime rates The book addresses historical feminist and comparative perspectives highlighting the major types of crime and victimization patterns It is of most interest to those who teach criminology out of a sociology department those who are sociologists teaching the course out of CJ or any instructor for whom a critical approach is key

Issues in Intimate Violence Raquel

Kennedy Bergen,1998-05-05 Designed specifically for undergraduate students Issues in Intimate Violence provides a comprehensive and accessible anthology that prepares the foundation for understanding a wide range of violence that commonly occurs in families and between intimates This collection of 22 scholarly yet readable chapters represents a variety of disciplines from both a theoretical and an applied approach Many articles offer a feminist perspective that addresses the gendered nature of violence and the consequences of power inequality in our society Created to make learning about intimate violence an accessible and cohesive process each section is introduced by editor Raquel Kennedy Bergen and concludes with discussion questions A variety of violence topics are included Child abuse Incest Violence in heterosexual dating relationships Violence in gay and lesbian relationships Acquaintance rape Wife abuse and wife rape Elder abuse While primarily directed to undergraduate students this book is also well suited for similar courses at the graduate level and will appeal to anyone working with survivors of intimate violence as well as the interested lay reader *The ^AWoman Who Married the Bear* Barbara Alice Mann,Kaarina Kailo,2023-11-10 Stories of the primordial woman who married a bear appear across the global North from Indigenous North America and Scandinavia to Russia and Korea In *The Woman Who Married the Bear* authors Barbara Alice Mann a scholar of Indigenous American culture and Kaarina Kailo who specializes in the cultures of Northern Europe join forces to examine the Bear Husband stories on their respective continents their common elements and their meanings in the context of matriarchal culture Speaking of Sex Deborah L. Rhode,1999 *Speaking of Sex* explores a topic that frequently is absent from our discussions about sex the persistence of sex based inequality and the cultural forces that sustain it On critical issues affecting women most Americans deny either that gender inequality is a serious problem or that it is one which they have a personal or political responsibility to address In tracing this no problem problem *Speaking of Sex* examines the most fundamental causes of women s disadvantages and the inadequacy of current public policy to combat them Latinas Narratives of Domestic Abuse Shonna L. Trinch,2003 In the American legal system valid witness testimony is supposed to be invariable and unchanging so defense attorneys highlight seeming inconsistencies in victims accounts to impeach their credibility This book offers an examination of how and why victims of domestic violence might seem to be changing their stories in the criminal justice system which may leave them vulnerable to attack and criticism *Latinas Narratives of Domestic Abuse* Discrepant versions of violence investigates the discourse of protective order interviews where women apply for court injunctions to keep abusers away In these encounters two different versions of violence each influenced by a range of ethnolinguistic intertextual and cultural factors are always produced This ethnography of Latina women narrating violence suggests that before victims even get to trial their testimony involves much more than merely telling the truth This book provides a unique look at pre trial testimony as a collaborative and dynamic social and cultural act *Sexual Assault in Context* Christopher Kilmartin,Alan D. Berkowitz,2014-04-08 Most North American colleges have programs that help students understand the harm done to victims of sexual violence and if prosecuted the potential

consequences of their perpetrators However only a few programs also address those aspects of masculine culture that surround sexual assault Sexual Assault in Context addresses the undesirable aspects of masculine culture that sustains the violation of women and girls It examines several typically overlooked patterns of behavior that provide the basis for sexual assault and provides an overview of masculine psychological development as a context for sexual assault The book also includes prevention strategies information on funding and consultation issues and additional resources for investigating further into male gender awareness and sexual assault The text s hands on practical approach helps counseling professionals negotiate educational organizational and logistical issues in helping college men understand the gendered context of sexual assault and harassment This resource is intended to help reduce the incidence of sexual assault on college campuses as well as help men gain a greater understanding of cultural gender pressures relationship skills their impact on others and the considerable influence male peer cultures have on how women are treated Sexual Assault in Context provides an easy to read synopsis of male gender and sexual assault education strategies It is intended as a resource for college counseling and or violence prevention programs and for those interested in understanding the psychological and social effects of the current culture of masculinity

Sexual Assault in Canada Elizabeth A. Sheehy,2012-09-29 Sexual Assault in Canada is the first English language book in almost

two decades to assess the state of sexual assault law and legal practice in Canada. Gathering together feminist scholars, lawyers, activists, and policy makers, it presents a picture of the difficult issues that Canadian women face when reporting and prosecuting sexual violence. The volume addresses many themes, including the systematic undermining of women who have been sexually assaulted, the experiences of marginalized women, and the role of women's activism. It explores sexual assault in various contexts, including professional sports, the doctor-patient relationship, and residential schools. And it highlights the influence of certain players in the reporting and litigation of sexual violence, including health care providers, social workers, police, lawyers, and judges. *Sexual Assault in Canada* provides both a multi-faceted assessment of the progress of feminist reforms to Canadian sexual assault law and practice and articulates a myriad of new ideas, proposed changes to law, and inspired activist strategies. This book was created to celebrate the tenth anniversary of Jane Doe's remarkable legal victory against the Toronto police for sex discrimination in the policing of rape and for negligence in failing to warn her of a serial rapist. The case made legal history and motivated a new generation of feminist activists. This book honours her pioneering work by reflecting on how law, legal practice, and activism have evolved over the past decade and where feminist research and reform should lead in the years to come. Youth Violence I. M. Rachia, 1999. This bibliography comprises a selection of Library of Congress catalog records for some 1,500 books, periodicals, and websites related to youth violence. Anyone wanting such a bibliography could probably compile it from the Library of Congress web site, and the deficiencies in conception and design of this product defy understanding. A brief preface sounds an alarm: no one should be surprised that youth violence lurks behind every school house door, but sets forth no criteria for selection of citations, no indication of time frame, purpose, or audience. Entries are arranged alphabetically by title within chapters on school violence, guns, and youth gangs, campus violence, dating, and violence, and periodicals and Web sites. Unforgivably primitive alphabetic sorting puts all titles beginning with 'The' together, the same with other articles, and in addition, those titles are indexed together. Though the title indicates the presence of abstracts, there are none except the summaries supplied by Library of Congress for juvenile titles, of which there are many. Cross-referencing and indexing, except by title, are absent. The compiler's credentials, motivation, and orientation are not cited. Furthermore, with better design, the contents would have consumed half the number of pages, and a few typeface variations would have eased scanning. Women at the Center Peggy Reeves Sanday, 2002. Contrary to the declarations of some anthropologists, matriarchies do exist. Peggy Reeves Sanday first went to West Sumatra in 1981, intrigued by reports that the matrilineal Minangkabau, one of the largest ethnic groups in Indonesia, label their society a matriarchy. Numbering some four million in West Sumatra, the Minangkabau are known in Indonesia for their literary flair, business acumen, and egalitarian democratic relationships between men and women. Sanday uses her repeated visits to West Sumatra in the closing decades of the twentieth century as the basis for a new definition of matriarchy. From the vantage point of daily life in villages, especially one

where she developed close personal ties Sanday's narrative is centered on how the Minangkabau conceive of their world and think humans should behave along with the practices and rituals they claim uphold their matriarchate Women at the Center leaves the reader with a solid sense of the respect for women that permeates Minangkabau culture and gives new life to the concept of matriarchy

Women Filmmakers in Contemporary Hindi Cinema Aysha Iqbal Viswamohan, 2023-01-28 This book is a comprehensive anthology comprising essays on women film directors producers and screenwriters from Bollywood or the popular Hindi film industry It derives from the major theories of modernity postmodern feminism semiotics cultural production and gender performativity in globalized times The collection transcends the traditional approaches of looking at films made by women filmmakers as feminist cinema and focuses on an extraordinary group of women filmmakers like Ashwini Iyer Tiwari Bhavani Iyer Farah Khan Mira Nair Vijaya Mehta and Zoya Akhtar The volume will be of interest to academics and theorists of gender and Hindi cinema as well as anybody interested in contemporary Hindi films in their various manifestations

Rape Mary E. Williams, 2001 Contributors debate the prevalence of rape as well as its causes and the effectiveness of various responses to the problem The perspectives of victims and perpetrators provide additional insights into this disturbing crime

Jews and Feminism Laura Levitt, 2013-09-05 By interrogating America's promise of a home for Jews as citizens of the liberal state *Jews and Feminism* questions the very terms of this social contract Maintaining that Jews women and Jewish women are not necessarily secure within this construction of the state Laura Levitt links this contractual construction of belonging and acceptance to legacies of marriage as a contractual home for Jewish women Exploring the immigration of Jews from Eastern Europe for America as well as their desire to make this country their permanent home Levitt raises questions about the search for stability in specific Jewish religious and cultural traditions which is linked to the liberal academy as well as feminist study thus offering an account of an ambivalent Jewish feminist embrace of America as home

Sexual Justice Alexandra Brodsky, 2025-10-16 A pathbreaking work for the next stage of the MeToo movement showing how we can address sexual harms with fairness to both victims and the accused and exposing the sexism that shapes today's contentious debates about due process Over the past few years a remarkable number of sexual harassment victims have come forward with their stories demanding consequences for their assailants and broad societal change Each prominent allegation however has also set off a wave of questions some posed in

good faith some distinctly not about the rights of the accused The national conversation has grown polarized inflamed by a public narrative that wrongly presents feminism and fair process as warring interests Sexual Justice is an intervention pointing the way to common ground Drawing on core principles of civil rights law and the personal experiences of victims and the accused Alexandra Brodsky details how schools workplaces and other institutions can indeed must address sexual harms in ways fair to all She shows why these allegations cannot be left to police and prosecutors alone and outlines the key principles of fair proceedings outside the courts Brodsky explains how contemporary debates continue the long sexist history of rape exceptionalism in which sexual allegations are treated as uniquely suspect And she calls on readers to resist the anti feminist backlash that hijacks the rhetoric of due process to protect male impunity Vivid and eye opening at once intellectually rigorous and profoundly empathetic Sexual Justice clears up common misunderstandings about sexual harassment traces the forgotten histories that underlie our current predicament and illuminates the way to a more just world
