AAA London Essential Guide AAA Publishing, 1955. The London Essential Guide is 144 pages of full color travel information, tips, maps, and more. The new cover format includes an expansion flap on both front and back covers. Cover 2 and its facing page and cover 3 with its facing page will depict frequently used maps from London. The expansion flaps make these maps bigger and more detailed than the competition. The cover appearance has been created with a distinctive new design while still allowing the new formats to integrate with existing titles on the shelf. Each title now has an atlas integrated into the body of the book up to 32 more pages of detailed full color atlas maps, no need to carry those extra maps. A street level index also makes using all those maps quick and easy. This guide covers the entire city of London including all the unique regions. Regional and street level maps assist travelers with planning and getting around London, the Underground, and to local areas such as Bath, Greenwich, Oxford, Cambridge, and Windsor. Points of interest include the British Museum, Covent Garden, Piazza, the National Gallery, Westminster Abbey, and many others. Specific attractions within London are covered such as museums, national parks, environmental areas, zoos, beaches, shopping centers, and more. Essence of London suggests a ride on the top deck of a London bus, a cruise on the Thames, join a walking tour, or enjoy the view from Waterloo Bridge. Travelers might also like to know that London is the largest city in Europe, a ragged oval stretching over 50km across. However, most visitors stay within Inner London, the area bounded by the Underground's Circle Line. Sections in the Essential Guide series titles include: Viewing covering historical timelines and happenings; local features and weather; the essence of the locale; famous people; and other data such as transportation monies, etc. 12 pgs. The 10 Essentials. With limited time in the city/country, these are the 10 things you shouldn't miss. 1 pg. The Top Ten. The Top Ten points of interest not to miss with detailed descriptions and photos. 10 pgs. What to See. Broken down by city or region, gives detailed information and maps on What to See. 60 pgs.
