**The Problem with Being a Person** Talia Pollock,2025-06-10 Escape the race to happiness build a life of value and resist the pull of self help You ve heard this story outwardly woman was living the dream Inwardly woman was drowning in despair It s what happened next that sets this tale apart Many of us go through life believing that something about us is not normal enough So we devote ourselves to the endless pursuit of self improvement That s what Talia Pollock decided to do In her quest to feel better Talia Pollock got seduced by self help trends that offered fleeting solace but failed to soothe the depths of her inner turmoil Conventional remedies like medication and therapy provided a semblance of relief but didn t ease the angst she felt inside It wasn t until she discovered Existentialist philosophy that she discovered is that what we re told is abnormal is actually entirely human and it s our attempts to cure ourselves of our humanity will eventually drive us mad Echoing the timeless wisdom of philosophers and the timely research of social scientists Pollock offers a modern take on finding the courage to create your own version of satisfaction Pollock s sincere retelling of her own experiences urges readers to question conventional notions of happiness embrace contentment as a lasting source of well being navigate the challenges of a comfortably uncomfortable life Whether you re grappling with existential questions seeking to break free from societal expectations or yearning for a deeper sense of fulfillment The Problem with Being a Person offers a powerful

message for prioritizing self acceptance over self improvement     Safety Education ,1942     Field & Stream ,1992-11  
FIELD STREAM America s largest outdoor sports magazine celebrates the outdoor experience with great stories compelling  
photography and sound advice while honoring the traditions hunters and fishermen have passed down for generations

,1948     *Technical Abstract Bulletin* ,     *Jane's Military Training and Simulation Systems* ,1994     History of Strategic  
and Ballistic Missile Defense: Volume I Barry Leonard,2010-11 As part of a larger study of the strategic arms competition  
which developed after World War II between the U S and the U S S R this study of the two countries strategies for air and  
ballistic missile defense addresses two broad subjects 1 How did each country approach the problem of defense against the  
threat from the air 2 Why did each country accent particular elements of an air defense strategy at various periods between  
1945 and 1972 The first question concerns the means that leaders chose for defense against an increasingly sophisticated  
offensive threat Includes several appendices of chronologies tables charts maps and notes     History of Strategic Air and  
Ballistic Missile Defense: 1945-1955 ,2009 From the book s Foreword In the early 1970s the U S Army Center of Military  
History contracted with BDM Corporation for a history of U S efforts to counter Soviet air and missile threats during the Cold  
War The resulting two volume History of Strategic Air and Ballistic Missile Defense covers the years 1945 1972 when the  
strategic arms competition between the United States and the Soviet Union was at its height The study was first published  
for limited distribution in 1975 and recently declassified with minimal redaction These volumes address the passive and  
active defense strategies technologies and techniques adopted by both U S and Soviet defense planners Much of their actions  
centered around three common questions How might we be attacked How shall we defend our country What can technology  
do to solve the basic problems of defending against this new intercontinental threat
