28 Days To Happiness With Your Horse Horse Confidence:

28 Days To Happiness With Your Horse Faye Low, 2014-10-23 Why is it so hard to get confident A few reasons but the main reason is we stop progressing forward When we lack confidence we allow our thoughts to search for problems and therefore that stops us from finding solutions We can all find a 1001 reasons to not go on that hack or ride our horse today On the surface this book looks like a whole bunch of things you can do with your horse to have fun However beneath the surface there is more to it than that This book was written as a tool for my clients to build their own confidence connection and leadership skills It is based on neuro science neuro linguistic programming and coaching skills It takes approximately 28 days to create a new habit of doing something A little something every day makes it easier to achieve so that you do not feel overwhelmed In the world we currently live in our balance has shifted so that we over think situations and live either too far into the future or way back in the past This book will teach you how to amend your balance so that you develop feel after all having horses is all about feeling right That feeling of riding and being free that feeling of a great canter Being with horses is about being in the NOW 28 days to happiness with your horse are daily things that you can do to increase your relationship with your horse and form a special bond of trust and respect Let this book take you on a journey of self discovery with your horse *Chronicle of the Horse* ,1990-10 Gardeners' Chronicle and Agricultural Gazette ,1860 **The Pennsylvania Horse** ,1972 *The London Chronicle* ,1759 **Events in Paris ... from the 26th, 27th, 28th, and 29th of July ...
