After Fidel The Inside Story Of Castros Regime And Cubas Next Leader

Miguel A. Faria, Jr.

After Fidel The Inside Story Of Castros Regime And Cubas Next Leader:

After Fidel Brian Latell, 2007-02-06 A chief U S intelligence officer tells the inside story of Fidel Castro's 40 year rule and the man who will in all probability succeed him his brother Raul After Fidel Brian Latell, 2005 Cuba's Eternal Revolution through the Prism of Insurgency, Socialism, and Espionage Miguel A. Faria, Jr., 2023-06-21 This book not only relates the defining moments of the Cuban Revolution such as the Moncada Barracks attack the assault on Batista's Presidential Palace the Bay of Pigs invasion and the Cuban Missile Crisis but also lesser known events like the War Against the Bandits the overseas adventures of Che Guevara in the Congo and Bolivia Fidel Castro's possible prior knowledge of and involvement in JFK's assassination Cuba's silent war against the environment and ongoing foreign intelligence operations The book contains information most readers and academicians may not be familiar with and utilizes major tomes as sources that have only been published in Spanish and so are not widely available to international audiences outside of Spain and Latin America It will enlighten readers about the realities of the Cuban Revolution its purported achievements as well as its definite shortcomings its impact on world events in the last seven decades and correct the record where needed enhancing the fount of knowledge for further research by social scientists historians and political scientists **Cuban Revelations** Marc Frank, 2013-10-22 In Cuban Revelations Marc Frank offers a first hand account of daily life in Cuba at the turn of the twenty first century the start of a new and dramatic epoch for islanders and the Cuban diaspora A U S born journalist who has called Havana home for almost a quarter century Frank observed in person the best days of the revolution the fall of the Soviet Bloc the great depression of the 1990s the stepping aside of Fidel Castro and the reforms now being devised by his brother Examining the effects of U S policy toward Cuba Frank analyzes why Cuba has entered an extraordinary irreversible period of change and considers what the island's future holds The enormous social engineering project taking place today under Raul's leadership is fraught with many dangers and Cuban Revelations follows the new leader's efforts to overcome bureaucratic resistance and the fears of a populace that stand in his way In addition Frank offers a colorful chronicle of his travels across the island's many and varied provinces sharing candid interviews with people from all walks of life He takes the reader outside the capital to reveal how ordinary Cubans live and what they are thinking and feeling as fifty year old social and economic taboos are broken He shares his honest and unbiased observations on extraordinary positive developments in social matters like healthcare and education as well as on the inefficiencies in the Cuban economy The Counterintelligence Chronology Edward Mickolus, 2015-09-15 Spying in the United States began during the Revolutionary War with George Washington as the first director of American intelligence and Benedict Arnold as the first turncoat The history of American espionage is full of intrigue failures and triumphs and motives honorable and corrupt Several notorious spies became household names Aldrich Ames Robert Hanssen the Walkers the Rosenbergs and were the subjects of major motion pictures and television series Many others have received less attention This book summarizes hundreds of cases of

espionage for and against U S interests and offers suggestions for further reading Milestones in the history of American counterintelligence are noted Charts describe the motivations of traitors American targets of foreign intelligence services and American traitors and their foreign handlers A former member of the U S intelligence community the author discusses trends in intelligence gathering and what the future may hold An annotated bibliography is provided written by Hayden Peake curator of the Historical Intelligence Collection of the Central Intelligence Agency *Professional Journal of the United States Army* ,2006

The Guerrilla Legacy of the Cuban Revolution Anna Clayfield,2019-05-16 This book examines the way in which the guerrilla origins of the Cuban Revolution have shaped the beliefs and values that have underpinned it since 1959 The book proposes that it is this guerrilla discourse which holds the key to understanding not only the survival of the Revolution itself but the longevity of its leadership

The Moncada Attack Antonio Rafael De la Cova,2007 The account of Fidel Castro s rise to power is not complete without mention of the failed attacks of July 26 1953 on the Cuban army garrisons at Moncada and Bayamo This text views this initial overthrow attempt as a propaganda victory that marked the start of Castro s ascent to national power

A Brief History of the Caribbean D. H. Figueredo, Frank Argote-Freyre,2008 A Brief History of the Caribbean is an overview of the historical events that have taken place and shaped the islands of the Caribbean Sea

Stalin, Mao, Communism, and their 21st-Century Aftermath in Russia and China Miguel A. Faria, Jr.,2024-01-17 This book describes salient and momentous events as well as gruesome episodes in the history of communism under Joseph Stalin in the Soviet Union and Mao Tse tung in China and narrates succinctly the historic major happenings that have taken place since that time up to the 21st century such as hostilities espionage and actual confrontations occurrences that have affected relations between those two nations vis vis the West and the United States The author corrects the historic record where it needs amending given new information that has come to light and redresses political biases that have arisen and to which none of us are immune This book serves as a sincere warning about the evils not only of the full blown imposition of totalitarianism via revolution but also of the implementation of socialism and authoritarianism via evolution asserting that full economic and political freedom is always best

Military Review ,2006

Leadership in the Cuban Revolution Antoni Kapcia,2014-09-11 Most conventional readings of the Cuban Revolution have seemed mesmerised by the personality and role of Fidel Castro often missing a deeper political understanding of the Revolution s underlying structures bases of popular loyalty and ethos of participation In this ground breaking work Antoni Kapcia focuses instead on a wider cast of characters Along with the more obvious albeit often misunderstood contributions from Che Guevara and Ra l Castro Kapcia looks at the many others who over the decades have been involved in decision making and have often made a significant difference He interprets their various roles within a wider process of nation building demonstrating that Cuba has undergone an unusual if not unique process of change Essential reading for anyone interested in Cuba s history and its future

Revolutionary Cuba Luis

Martínez-Fernández,2014-09-16 This is the first book in more than three decades to offer a complete and chronological history of revolutionary Cuba including the years of rebellion that led to the revolution Beginning with Batista's coup in 1952 which catalyzed the rebels and bringing the reader to the present day transformations initiated by Raúl Castro Luis Martínez Fernández provides a balanced interpretive synthesis of the major topics of contemporary Cuban history Expertly weaving the myriad historic social and political forces that shaped the island nation during this period Martínez Fernández examines the circumstances that allowed the revolution to consolidate in the early 1960s the Soviet influence throughout the latter part of the Cold War and the struggle to survive the catastrophic Special Period of the 1990s after the collapse of the U S S R He tackles the island's chronic dependence on sugar production which started with the plantations centuries ago and continues to shape culture and society He analyzes the revolutionary pendulum that continues to swing between idealism and pragmatism focusing on its effects on the everyday lives of the Cuban people and bucking established trends in Cuban scholarship Martínez Fernández systematically integrates the Cuban diaspora into the larger discourse of the revolution Concise well written and accessible this book is an indispensable survey of the history and themes of the socialist revolution that forever changed Cuba and the world

Cuban Studies 37 Louis A. Pérez,2006-10-17 Cuban Studies has been published annually by the University of Pittsburgh Press since 1985 Founded in 1970 it is the preeminent journal for scholarly work on Cuba Each volume includes articles in both English and Spanish a large book review section and an exhaustive compilation of recent works in the field Widely praised for its interdisciplinary approach and trenchant analysis of an array of topics each volume features the best scholarship in the humanities and social sciences Cuban Studies 37 includes articles on environmental law economics African influence in music irreverent humor in postrevolutionary fiction international education flow between the United States and Cuba and poetry among others Beginning with volume 34 2003 the publication is available electronically through Project MUSE an award winning online database of full text scholarly journals More information can be found at http://muse.jhu.edu/publishers/pitt_press

Revolutionary Monsters Donald T. Critchlow,2021-10-05 Lenin Mao Castro Mugabe Khomeini All sparked movements in the name of liberating their people from their oppressors capitalists foreign imperialists or dictators in their own country These revolutionaries rallied the masses in the name of freedom only to become more tyrannical than those they replaced Much has been written about the anatomy of revolution from Edmund Burke to Crane Brinton Crane Franz Fanon and contemporary theorists of revolution found in the modern academy Yet what is missing is a dissection of the revolutionary minds that destroyed the old for the creation of a more harmful new *Revolutionary Monsters* presents a collective biography of five modern day revolutionaries who came into power calling for the liberation of the people only to end up killing millions of people in the name of revolution Lenin Russia Mao China Castro Cuba Mugabe Zimbabwe and Khomeini Iran *Revolutionary Monsters* explores basic questions about the revolutionary personality and examines how these revolutionaries came to envision themselves as prophets of a

new age *Back Channel to Cuba* William M. LeoGrande, Peter Kornbluh, 2014 Back Channel to Cuba The Hidden History of Negotiations between Washington and Havana *Guantánamo, USA* Stephen Irving Max Schwab, 1999-11-16 Established as America's first foreign naval base following the Spanish American War Guantanamo is now more often thought of as our Devil's Island the gulag of our times This book takes readers beyond the orange jumpsuited detainees of today's headlines to provide the first comprehensive history of Guantanamo from its origins to the present Occupying 45 square miles of land and sea Guantanamo has for more than a century symbolized the imperial impulse within U.S. foreign policy and its occupation is decried by Cuba as a violation of international law even though a treaty legally grants the U.S. a lease in perpetuity Stephen Schwab now describes the base's role in American Caribbean and global history explaining how it came to be why it's still there and how it continues to serve a variety of purposes Schwab views the base's creation as part of a broad U.S. strategy of annexations protectorates and limited interventions devised to create a strong sphere of influence in the western Atlantic He charts its history from this early belief that it would prevent European powers from staking imperial claims in the Caribbean and examines the crucial defensive role that Guantanamo played as a convoy hub for strategic goods during World War II He then looks at clashes over Guantanamo during the Cold War culminating in LBJ's decision to make the base independent by firing Cuban workers and building a desalinization plant Schwab also fleshes out Guantanamo's ongoing roles as the U.S. Navy's lone forward base in the Caribbean providing refueling for U.S. and allied ships as a Coast Guard station engaged in search and rescue missions and counternarcotics operations and as a U.S. facility for processing undocumented aliens Even though the Castro government persistently protests America's presence and refuses even to bank the rent that the U.S. dutifully pays Guantanamo remains the only place where diplomatic exchanges between the two countries occur and Schwab documents how the facility has served mutual interests as both a point of nationalistic frictions and a center for diplomatic compromise By presenting Guantanamo's story within its broader historical framework his book gives readers a greater appreciation of America's true stake in this controversial Caribbean outpost *Cuban Americans and the Miami Media* Christine Lohmeier, 2014-02-10 This book makes a contribution to the debates on diasporic identities and transnational communication It provides an analysis of the Cuban American community and its relationship to Miami based English and Spanish language media Based on extensive ethnographic data the author demonstrates how different media have been used produced and influenced by segments of the Cuban American community in Miami After establishing the significance of Miami as a locale to receive a high number of migrants after the Cuban revolution in 1959 what follows is an exploration of the interplay of collective Cuban American identity and the evolution of an exile community on the one hand and media institutions and their output on the other In doing so Miami based press radio network television and online media are examined The author moreover shows how mediated memories of pre-revolutionary Cuba have been kept alive in Miami and over time became more inclusive through the use of new media technologies *A Dictionary of 20th-Century Communism*

Silvio Pons, Robert Service, 2022-04-12 An encyclopedic guide to 20th century communism around the world The first book of its kind to appear since the end of the Cold War this indispensable reference provides encyclopedic coverage of communism and its impact throughout the world in the 20th century With the opening of archives in former communist states scholars have found new material that has expanded and sometimes altered the understanding of communism as an ideological and political force A Dictionary of 20th Century Communism brings this scholarship to students teachers and scholars in related fields In more than 400 concise entries the book explains what communism was the forms it took and the enormous role it played in world history from the Russian Revolution through the collapse of the Soviet Union and beyond Examines the political intellectual and social influences of communism around the globe Features contributions from an international team of 160 scholars Includes more than 400 entries on major topics such as Figures Lenin Mao Stalin Ho Chi Minh Pol Pot Castro Gorbachev Events Cold War Prague Spring Cultural Revolution Sandinista Revolution Ideas and concepts Marxism Leninism cult of personality labor Organizations and movements KGB Comintern Gulag Khmer Rouge Related topics totalitarianism nationalism antifascism anticommunism McCarthyism Guides readers to further research through bibliographies cross references and an index

This is likewise one of the factors by obtaining the soft documents of this **After Fidel The Inside Story Of Castros Regime And Cubas Next Leader** by online. You might not require more mature to spend to go to the books establishment as skillfully as search for them. In some cases, you likewise realize not discover the pronouncement After Fidel The Inside Story Of Castros Regime And Cubas Next Leader that you are looking for. It will enormously squander the time.

However below, later you visit this web page, it will be for that reason definitely simple to get as with ease as download guide After Fidel The Inside Story Of Castros Regime And Cubas Next Leader

It will not recognize many era as we tell before. You can realize it though work something else at house and even in your workplace. as a result easy! So, are you question? Just exercise just what we pay for under as with ease as review **After Fidel The Inside Story Of Castros Regime And Cubas Next Leader** what you bearing in mind to read!
