After Her Brain Broke Susan Inman,2010 **After Her Brain Broke** Susan Inman,2010-02 With an introduction by Sen Michael Kirby Chair Mental Health Commission of Canada Cover **What a Life Can Be** Carolyn Dobbins,2011-10 A fascinating look into the world of schizo affective disorder which at times is funny heartbreaking but above all uplifting Dr Carolyn Dobbins describes the onset and progression of this debilitating disease and gives readers hope The book breaks through the stigma as mental illness affects us all Included at the end are facts about serious mental illness the 6 A s of self help and Dr Dobbins message to her counseling colleagues who may be surprised as all readers will be by the ending In an advance review the National Alliance on Mental Illness said this book is told in an unorthodox but very effective manner and that people are more than their illness Dr E Fuller Torrey author of *Surviving Schizophrenia* said an inspiration for all who have ever experienced psychosis Dr Thomas G Burish a professor of psychology and Provost of Notre Dame University said this book is powerful and revealing and provides a unique insight into chronic mental disease He added that the book is a probing liberating story **My Schizophrenic Life** Sandra Yuen MacKay,2010 Early in her life Sandra started to exhibit the symptoms of paranoid schizophrenia which came as a surprise to her unsuspecting family Her book chronicles her struggles hospitalisations encounters with professionals return to school eventual marriage and success as an artist writer and advocate **Mind You The Realities of Mental Illness** David Laing Dawson,Marvin Ross,2018-12-28 The blog has had about 75 000 views and has been read in 151 different countries since 2014 The posts reflect ideas about mental illness health and life that can be debated and discussed so that we can come to a higher understanding of the issues And we have separated out mental illness from mental health because despite their often interchangeability they are distinct Mental illness as a medical condition that disrupts a person s thinking feeling mood ability to relate to others and daily functioning Just as diabetes is a disorder of the pancreas mental illnesses are medical conditions that often result in a diminished capacity for coping with the ordinary demands of life Serious mental illnesses include major depression schizophrenia bipolar disorder obsessive compulsive disorder OCD panic disorder post traumatic stress disorder PTSD and borderline personality disorder In contrast mental health is a state of well being in which every individual realizes his or her own potential can cope with the normal stresses of life can work productively and fruitfully and is able to make a contribution to her or his community That is quite different from mental illness Unfortunately there is a tendency to confuse these Unfortunatly there tendency to talk about mental health issues and problems which are not the same as mental illnesses *Unfaithful Mind* Marion Gibson,2013-07 What had happened to our beautiful happy life Could it really be over for us I just wasn t sure if our love was strong enough to keep us together I probably believed it wasn t It was an idyllic marriage John and Marion were high school sweethearts who married and began a successful life together He was an internationally respected scientist in his field and she was a business woman in her family firm With three children and finally settled in Victoria BC Canada after

stints in Vienna and Australia tragedy struck Despite the eventual and probable diagnosis of late onset schizophrenia John and Marion struggled to hold their family together and to deal with an illness that usually strikes much earlier in life This is their story of what happens when your mind betrays you **Understanding Schizophrenia** Ravinder D. Reddy MD, Matcheri S. Keshavan MD, 2015-09-15 Written by two physicians with decades of clinical and research experience in the field this volume helps readers face schizophrenia by understanding what it is and how it is managed Schizophrenia is a devastating illness that affects more than two million Americans Written to help anyone who is faced with managing schizophrenia whether as a patient friend or family member this accessible book is an ideal first stop for practical up to date information It includes an overview of schizophrenic disorder and provides answers to common questions that arise at different phases of the illness This brief and to the point guide focuses on dealing with many aspects of schizophrenia complying with treatment managing crises being a caregiver communicating with the care team and coping skills The book also provides practical approaches to common issues such as financial support housing employment interacting with the legal system stress management socialization and negative emotions Included are useful forms lists and a comprehensive collection of resources to access help and information The goal of this book is to assist patients and their loved ones to effectively face schizophrenia achieve maximal recovery and enjoy a good quality of life *High Clear Bell of Morning* Ann Eriksson, 2014-03-07 High Clear Bell of Morning is the gripping tale of a father's love and the extent to which he will go to protect his daughter Ruby's life begins to unravel when she hears voices coming from her closet It isn't long before they are with her all the time Diagnosed with schizophrenia her treatment goes awry when she meets a drug dealer Kenny in group therapy He introduces her to cocaine and then heroin and within a short space of time she is ready to do almost anything for a drug that makes her feel alive Unwilling to let her go her father Glen follows Ruby through the streets catching glimpses of the horror filled world in which his daughter now resides Desperate to comprehend her illness he finds parallels between Ruby and his job as a marine biologist particularly in the mysterious death of a young whale found with a body full of chemicals In a struggle to get his daughter back Glen commits an unthinkable act that could cause him to lose everything else that has ever mattered to him Elegantly told and affecting High Clear Bell of Morning illustrates the strain on families facing mental illnesses and draws attention to the inadequate system that is meant to help At the same time it celebrates the natural world and sends a cautionary warning of what we all have to lose High Clear Bell of Morning lives up to the high praise Ann Eriksson's writing has received from Robert Kroetsch Nino Ricci and many others Psychiatry Disrupted Bonnie Burstow, Brenda A. LeFrançois, Shaindl Diamond, 2014-05-01 There is growing international resistance to the oppressiveness of psychiatry While previous studies have critiqued psychiatry Psychiatry Disrupted goes beyond theorizing what is wrong with it to theorizing how we might stop it Introducing readers to the arguments and rationale for opposing psychiatry the book combines perspectives from anti psychiatry and critical psychiatry activism mad activism antiracist

critical and radical disability studies as well as feminist Marxist and anarchist thought The editors and contributors are activists and academics adult education and social work professors psychologists prominent leaders in the psychiatric survivor movement and artists from across Canada England and the United States From chapters discussing feminist opposition to the medicalization of human experience to the links between psychiatry and neo liberalism to internal tensions within the various movements and different identities from which people organize the collection theorizes psychiatry while contributing to a range of scholarship and presenting a comprehensive overview of resistance to psychiatry in the academy and in the community Contributors include Simon Adam University of Toronto Rosemary Barnes University of Toronto Peter Beresford Brunel University Bonnie Burstow University of Toronto Chris Chapman York University Mark Cresswell Durham University Shaindl Diamond York University Chava Finkler Memorial University Ambrose Kirby therapist in private practice Brenda A LeFrancois Memorial University of Newfoundland Mick McKeown University of Central Lancashire Robert Menzies Simon Fraser University China Mills Oxford University Tina Minkowitz World Network of Users and Survivors of Psychiatry Ian Parker University of Leicester Susan Schellenberg Helen Spandler University of Central Lancashire and AJ Withers York University A courageous anthology Psychiatry Disrupted is a timely work that asks compelling activist questions that no other book in the field touches
