Against The Dark The Transylvanian Tribunal Ars Magica:

Against the Dark Richard Love, Matt Ryan, Mark Shirley, 2018-12-24 Between two empires is a land of high mountains and dark forests of great rivers and fertile plains The richest king in Mythic Europe rules Hungary but his nobles are restless and the Teutonic Knights he invited to guard his borders want no overlord Other small kingdoms play east and west against each other tolerating heresy in their search for freedom The mountains are the home of countless dragons and vampires stalk the peasants in their villages To the east a greater storm gathers This is the Transylvanian Tribunal One force brings light to the darkness Here where a lord need not swear fealty for his land the magi of the Order of Hermes may rule openly without violating the Code Here in the heartland of House Tremere the gifts and talents of all magi may be brought together to cooperate for the good of the world Here can be seen the shape of the new order that the Tremere wish to bring Let us work together as one and grow hale and strong
