

The killer's still out there,
and Gaia's gone MIA.

AGENT OUT

Francine Pascal

Agent Out Fearless Fbi 3

Carolyn Cox

Agent Out Fearless Fbi 3:

Agent Out Francine Pascal,2010-05-11 Catherine is dead At least that s what the FBI claims They say there s no point investigating the strange disappearance any further Instead they want Gaia to stay in Quantico to carry on the search for the Lollipop Murderer Gaia is convinced her partner is still alive and that she needs help Even if it means putting the murder case on hold Gaia must go after her But going AWOL means losing the support of the FBI Gaia will be completely on her own and heading into danger Because Catherine s abduction is far more complicated and more sinister than she realized In fact it s a whole new mystery **VT (Vermont)** Emily Costello,2006 A condo on the slopes A bunch of hot strangers A three month party that s off the hook The Killington Vermont condo is almost slopeside and almost stylin So what if one of the bedrooms must be coed And the resort paychecks are a joke It s cool The six housemates are riding hard all day and raging hardcore all night The windchill may be dropping but these ski bums boarders and bunnies keep heating things up by the fire in the hot tub

My First Love and Other Disasters Francine Pascal,2005-12-27 Fourteen year old Victoria attracts the attention of the boy she likes but discovers her life is still full of problems *Agent Out* Francine Pascal,2006 Gaia Moore the girl born without fear is an FBI agent who searches for her kidnapped partner without the approval of the FBI **Live Bait** Francine Pascal,2005-10 When the murderer of a single mother leaves a strange clue at the scene Gaia Moore decides to put her FBI training into action in order to track down the killer before he strikes again **Envy** Robin Wasserman,2008-06-25 Kane and Harper know what they want Beth and Adam And they know how to get it Break up the shiny happy couple once and for all Miranda thinks she knows how to hit on Kane Mr Unattainable But she could take a few pointers from the all knowing Kaia who s seducing Mr Powell teacher en fran ais And Reed Well he just knows how to have a good time Know the feeling

Children's Books in Print, 2007 ,2006 J. Edgar Hoover: America's Master of Secrets and the Hidden Web of Power Charlie Armstrong Adams,2025-09-15 J Edgar Hoover America s Master of Secrets and the Hidden Web of Power The Spymasters Series Book 3 For nearly half a century J Edgar Hoover ruled the FBI with an iron grip surviving eight presidents silencing critics and shaping the United States domestic intelligence machine To some he was the ultimate defender of law and order to others a political predator who weaponized secrecy morality and fear In this third volume of the acclaimed Spymasters Series the hidden life and methods of Hoover are revealed in gripping detail From his formative years in segregated Washington to his war against communists and civil rights leaders from whispered rumors of kompromat and blue rooms to the Catholic CIA Mafia nexus hypothesis this book unravels the shadow web of power that sustained Hoover s astonishing tenure Discover how Hoover Built a culture of law and order absolutism and surveillance Used files secrets and morality as political weapons Fought bitter turf wars with the OSS and CIA Became both guardian and manipulator of American democracy Left behind an institutional DNA that still shapes the FBI and the modern surveillance state Drawing connections from the Jesuit Counter Reformation to Cold War intelligence this volume blends biography history and

investigative hypothesis into a chilling study of power without accountability If you've read Wild Bill Donovan and The Spymasters of the Cold War in this series prepare for the most controversial installment yet If you're new this book stands alone as a penetrating look into the most secretive spymaster of them all the man who made secrecy itself his empire

Gangster Hunters John Oller, 2024-11-26 The enthralling can't put down account of the birth of the modern FBI J Edgar Hoover was the face of the FBI But the federal agents in the field relentlessly chasing the most notorious gangsters of the 1930s with their own lives on the line truly transformed the Bureau In 1932 the FBI lacked jurisdiction over murder cases bank robberies and kidnappings Relegated to the sidelines agents spent their days at their desks But all of that changed during the War on Crime Hunting down infamous public enemies in tense frequently blood soaked shootouts the Bureau was thrust onto the front pages for the first time Young agents fresh out of law school and anticipating a quiet white collar job faced off with murderous felons who were heavily armed clad in bulletproof vests and owned cars that outraced the best vehicles the Bureau had But the federal men were fiercely devoted to the Bureau to each other and to bringing America's most wanted criminals to justice The G men crisscrossed the United States in pursuit of John Dillinger Bonnie and Clyde Ma Barker's criminal family Baby Face Nelson and Pretty Boy Floyd But the green FBI agents were always one step behind and a moment too late the criminals evading elaborate stakeouts and dramatic ambushes Facing mounting criticism with bodies left in their wake the agents had to learn to adapt After all more than their reputations were at stake Through incredible primary source research John Oller transports readers right to the most harrowing and consequential raids of the 1930s with fast paced action that shows the lengths both sides would go to win **The Publishers Weekly**, 2006

The Hijacking of American Flight 119 John Wigger, 2023-10-12 In 1971 D B Cooper pulled off what some call the crime of the century skyjacking a Boeing 727 and parachuting into history and legend Here's a book that offers a gripping account of that still unsolved case based on never before published interviews showing how it launched one of the most extraordinary eras in American aviation history In November 1971 an unidentified man later anointed by the media as D B Cooper pulled off one of the most audacious crimes in aviation history hijacking a Northwest Airlines flight over the Pacific Northwest and parachuting from the Boeing 727 with 200 000 in ransom D B Cooper was never to be seen again and the FBI which kept his case open for forty years finally determined it would never be solved Unsolved perhaps but much admired Over the next seven months a number of air pirates imitated Cooper's crime None were more daring than the hijacker of American Airlines Flight 119 After commandeering the flight from St Louis with a machine gun and collecting 502 500 in ransom the Flight 119 hijacker parachuted into the night over Indiana Unlike Cooper he was found These two crimes were part of a wave of hijackings that occurred between 1961 and 1972 D B Cooper may have been the most famous but he was far from alone One hijacker ran across the tarmac in Reno Nevada with a pillowcase over his head gun in hand to seize a United Airlines flight Another collected a large ransom in Washington D C before jumping over Honduras Motivations in many cases remain murky

an admixture of politics greed derring do and boredom What they had in common was how they transfixed the nation s attention bringing about a transformation in the ways that commercial airlines were run and how the laws of the skies were enforced With its focus on the parachute hijackers beginning with D B Cooper John Wigger s book gathers together the stories of this period of daring criminality and recounts them in gripping fashion showing their effect on the public the media and law enforcement Using never before published interviews and first hand accounts he brings one of the most chaotic periods in U S commercial aviation to life **Congressional Record** United States. Congress,1998 Agent Out Francine Pascal,2012-12-11 Catherine is dead At least that s what the FBI claims They say there s no point investigating the strange disappearance any further Instead they want Gaia to stay in Quantico to carry on the search for the Lollipop Murderer Gaia is convinced her partner is still alive and that she needs help Even if it means putting the murder case on hold Gaia must go after her But going AWOL means losing the support of the FBI Gaia will be completely on her own and heading into danger Because Catherine s abduction is far more complicated and more sinister than she realized In fact it s a whole new mystery

Invasions of Privacy (government Agencies) United States. Congress. Senate. Committee on the Judiciary,1967

The Snatch Racket Carolyn Cox,2021-03 Although the 1932 kidnapping of aviator Charles Lindbergh s baby was a worldwide sensation it was only one of an estimated three thousand ransom kidnappings that occurred in the United States that year The epidemic hit America during the Great Depression and the last days of Prohibition as criminal gangs turned kidnapping into the highly lucrative snatch racket Wealthy families and celebrities purchased kidnap insurance hired armed chauffeurs and bodyguards and carried loaded handguns Some sent their children to school or summer camp in Europe to get them out of harm s way Recent Kidnappings in America was a regular feature in the New York Times while Time magazine included kidnappings in its weekly list of notable births deaths and other milestones The Snatch Racket is the story of a crime epidemic that so frightened families that it undermined confidence in law enforcement and government in general In response President Franklin D Roosevelt waged a three year War against Kidnappers with J Edgar Hoover and his G men newly empowered to carry weapons and make arrests on the front lines This first U S war against terrorism revolutionized and modernized law enforcement in the United States dramatically expanding the powers of the federal government in the fight against not only kidnapping but many new types of interstate crime At the heart of the narrative are some of the most iconic names of the twentieth century Rockefeller Ford Lindbergh Roosevelt Hoover Capone Schwarzkopf and Hearst all caught up in the kidnapping frenzy The Snatch Racket is a spellbinding account of terrifying abductions of prominent citizens gangsters invading homes with machine guns the struggles of law enforcement and the courage of families doing whatever it took to bring home the ransomed *Criminals and Folk Heroes* Robert Underhill,2015-10-01 During the Great Depression writers of True Crime could take the decade off life was imitating art so dramatically they had nothing to add In these pages historian Robert Underhill presents the most notorious criminals of 1930 1934 Wilbur Underhill Alvin Karpis the Barker Clan

Pretty Boy Floyd Baby Face Nelson the Barrows Buck Blanche Clyde and Bonnie and John Dillinger along with supporting material on their henchmen and the rise of the FBI Often armed better than the police criminals of the 1930s committed deeds ranging from stealing chickens to kidnappings bank robberies and killing innocent victims Yet such crimes were often taken in stride by avid readers Cooperation among local state and federal lawmen was rare as each sought to protect his own turf Criminals and lawmen made mistakes battling one another but in most cases the law triumphed and the wanted fugitive died under a hail of bullets His death would start myths and raise his reputation to national status The author of *Against the Grain Six Men Who Shaped America* and *The Rise and Fall of Franklin D Roosevelt* shows us another aspect of the Roosevelt era and portrays a series of figures who contributed to pop culture as well helping to shape the security forces in America Robbing the banks and driving fast cars they did what many Americans dreamed of and gave a depressed populace some excitement to distract from everyday worries With the Great Depression some citizens came to regard bank robbers as modern Robin Hoods seeking to avenge depositors whose life earnings had been wiped out by a bank's failure or malfeasance by its owners No small wonder that criminals were given colorful sobriquets and fact and fiction became intertwined Underhill shows how such heists and kidnappings especially helped create the modern FBI overcoming the complaints of those who alleged that a federal force was the first step toward an American Gestapo The belief that federal government had nothing to do with fighting crime was rooted in the U S Constitution and its provisions for states rights Local police were expected to provide security and to apprehend criminals without Washington getting involved In the big cities Prohibition era mobsters still ruled but in the Midwest especially smaller bands gangsters began to make headlines They tended to be blue collar criminals whose favorite targets were filling stations grocery stores and small town banks Prior to 1930 corruption was rife and cooperation among local state and federal police was little to none criminals often got away Only in 1935 was the FBI formally anointed and its agents were permitted to carry guns Now there was a federal agency that could supply sheriffs all over the country with information on suspected criminals By 1935 the hardest times of the Depression were beginning to ease and the thrill of watching these cops and robber stories play out was combined with a renewed interest in the lives of the rich and famous previously scorned for their role in ripping off the average man All in all the early 1930s were a uniquely dramatic time for crime and crimestoppers in America *Invasions of Privacy (government Agencies)* United States.

Congress. Senate. Committee on the Judiciary. Subcommittee on Administrative Practice and Procedure, 1965 **Invasions of Privacy: (Government Agencies) July 13-15, 19** United States. Congress. Senate. Committee on the Judiciary.

Subcommittee on Administrative Practice and Procedure, 1965 **VideoHound's Golden Movie Retriever 1996**

VideoHound Editors, Videohound, 1995-09 USA Today gave it a 4 star rating the Houston Chronicle called it by far the best and the New York Times says the Hound takes the lead in a blaze of supplemental lists The new 1996 edition of America's

favorite guide to movies on video offers over 22 000 video reviews including 1 000 new reviews **The Spy Who Was Left**

Behind Michael Pullara, 2019-11-19 The shocking true story of international intrigue a highly detailed engrossing work Kirkus Reviews involving the 1993 murder of CIA officer Freddie Woodruff by KGB agents and the extensive cover up that followed in Washington and in Moscow In a post truth era we need a lot more fearless writers like Michael Pullara Robert Baer author of See No Evil On August 8 1993 a single bullet to the head killed Freddie Woodruff the Central Intelligence Agency's station chief in the former Soviet Republic of Georgia Within hours police had a suspect a vodka soaked village bumpkin named Anzor Sharmaidze A tidy explanation quickly followed It was a tragic accident US diplomats hailed Georgia's swift work and both countries breathed a sigh of relief Yet the bullet that killed Woodruff was never found and key witnesses have since retracted their testimony saying they were beaten and forced to identify Sharmaidze But if he didn't do it who did Those who don't buy the official explanation think the answer lies in the spy games that played out on Russia's frontier following the 1991 collapse of the Soviet Union Woodruff was an early actor in a dangerous drama American spies were moving into newborn nations previously dominated by Soviet intelligence Russia's security apparatus resentful and demoralized was in turmoil its nominal loyalty to a pro Western course set by President Boris Yeltsin shredded by hardline spooks and generals who viewed the Americans as a menace At the time when Woodruff was stationed there Georgia was a den of intrigue It had a big Russian military base and was awash with former and not so former Soviet agents Shortly before Woodruff was shot veteran CIA officer Aldrich Ames who would soon be unmasked as a KGB mole visited him on agency business In short order Woodruff would be dead and Ames in prison for life Buckle up because The Spy Who Was Left Behind reveals the full throttle little known thrilling tale
