manuscripts He reads a bit He laughs Did I really agree to this he asks Mark knows the answer A couple of people who read the first book Tour De Europa he says they either really liked it or they found it very uncomfortable I liked the idea of it being uncomfortable I thought that was great I love the ambiguity But I also loved looking back on lost conversations and instantly remembering an emotion A clock somewhere strikes two and a friend arrives with tea pizza avocado with balsamic vinegar and cream cake for afters only to be playfully admonished by Mark who protests I can't eat all this shit It would appear some things never change
