AGAINST OUR WILL

MEN,
WOMEN
AND
RAPE

SUSAN BROWNMILLER
AUTHOR OF *FEMININITY*

"Chilling and monumental... Provides a place next to those
rare books which force us to change the way we feel about what we know."
The New York Times Book Review

Against Our Will Men Women And Rape

R. Branche,F. Virgili

A decorative red circular graphic element, resembling a stylized arrow or a partial circle, is positioned to the right of the author names.

Against Our Will Men Women And Rape:

Against Our Will Susan Brownmiller, 1975 The bestselling feminist classic that revolutionized the way we think about rape as a historical phenomenon and as an urgent crisis essential reading in the era of MeToo A major work of history The Village Voice One of the New York Public Library's 100 Books of the Century As powerful and timely now as when it was first published *Against Our Will* stands as a unique document of the history politics and sociology of rape and the inherent and ingrained inequality of men and women under the law Fact by fact Susan Brownmiller pulls back the centuries of damaging lies and misrepresentations to reveal how rape has been accepted in all societies and how it continues to profoundly affect women's lives today A keen and prescient analyst a detailed historian Susan Brownmiller discusses the consequences of rape in biblical times rape as an accepted spoil of war as well as child molestation marital rape and date rape a term that she coined In lucid persuasive prose Brownmiller uses her experience as a journalist to create a definitive devastating work of lasting social importance Praise for *Against Our Will* The most comprehensive study of rape ever offered to the public It forces readers to take a fresh look at their own attitudes toward this devastating crime Newsweek A classic No one who reads it will come away untouched The Village Voice Chilling and monumental Deserves a place next to those rare books which force us to change the way we feel about what we know The New York Times Book Review A landmark work one of the most significant books to emerge in this decade Houston Chronicle A definitive text startling compelling and a landmark St Louis Post Dispatch An overwhelming indictment We need it it is a hideous revelation and it should be required reading Los Angeles Times Book Review Chilling monumental exhaustive detailed absorbing and original Brownmiller's greatest contribution is establishing the continuity between rape and other facets of American culture Commonweal *American Social Leaders and Activists* Neil A. Hamilton, 2014-05-14 Profiles more than 285 men and women who fought for social reform and influenced American history [Public Rape](#) Tanya Horeck, 2013-04-15 Second wave feminism fought to end the blanket silence shrouding rape and bring it to public attention Now feminist critics must confront a different issue In *Public Rape* Tanya Horeck considers the public investment in images of rape and the figure of the raped woman Introducing the idea of public rape Horeck looks at how images of rape serve as cultural fantasies of sexual racial and class difference Looking at rape in real life as well as in literature and films such as *The Accused* and *Boys Don't Cry* Horek reveals how representations of rape raise vital questions about the relationship between reality and fantasy and between violence and spectacle **The Asian Yearbook of Human Rights and Humanitarian Law**, 2019-07-22 The Asian Yearbook of Human Rights and Humanitarian Law aims to publish peer reviewed scholarly articles and reviews as well as significant developments in human rights and humanitarian law It examines international human rights and humanitarian law with a global reach though its particular focus is on the Asian region The focused theme of Volume 3 is Law Gender and Sexuality

Research Handbook on Feminist Jurisprudence Robin West, Cynthia Grant Bowman, The Research Handbook on

Feminist Jurisprudence surveys feminist theoretical understandings of law including liberal and radical feminism as well as socialist relational intersectional post modern and pro sex and queer feminist legal theories Justice for 1971 War Rapes Tureen Afroz,2022-07-11 The history of 1971 Bangladesh War of Liberation accords the mass rape of Bangladeshi women by the Pakistan Army and their local collaborators After about 40 years of the Liberation War the matter of rape of the Bangladeshi women was brought under litigation to a certain extent in the International Crimes Tribunal of Bangladesh ICT BD However the issue of justice for the rape victims of the 1971 Bangladesh War of Liberation still lacks comprehensive social and legal attention A question remained very much unexplored as to whether legal justice through trials essentially ensures social justice for the war rape victims of Bangladesh It thus remains an unspoken narrative in Bangladesh in respect of how the war rape victims actually perceive justice Another question that arises in this regard is whether complete justice is being done in the course of ensuring legal justice to war rape victims It may be mentioned that no systematic and or comprehensive research has been conducted so far on this subject This research would endeavor to get an account from 385 Bangladeshi war rape victims and their families about the socio legal aspects of the long awaited justice *Sexual Correctness* Wendy McElroy,2001-06-15 As feminist and women positive ideas and ideals exploded in the 1960s and 1970s a sexual revolution was forged allowing women a variety of lifestyle choices Many current feminists called gender feminists by some too often are fighting to limit the sexual options of women They view women as victims of patriarchy whom must be protected from making incorrect sexual choices such as choosing to work in pornography or prostitution As a movement author McElroy believes feminism is in danger of drifting from sexual liberation to sexual correctness This work gives a critical overview of the ideological shift among many feminists The issues of sexual correctness are examined in detail showing how the changing ideology is destroying the principle of a woman s body a woman s right and endangering women s right to choose On each issue this work presents alternatives in the individualist traditions that defined the feminism movement for many years **Obscene Pedagogies** Carissa M. Harris,2018-12-15 In *Obscene Pedagogies* Carissa M Harris investigates the relationship between obscenity gender and pedagogy in Middle English and Middle Scots literary texts from 1300 to 1580 to show how sexually explicit and defiantly vulgar speech taught readers and listeners about sexual behavior and consent Through innovative close readings of literary texts including erotic lyrics single woman s songs debate poems between men and women Scottish insult poetry battles and *The Canterbury Tales* Harris demonstrates how through its transgressive charge and galvanizing shock value obscenity taught audiences about gender sex pleasure and power in ways both positive and harmful Harris s own voice proudly witty and sharply polemical inspires the reader to address these medieval texts with an eye on contemporary issues of gender violence and misogyny Deconstructing Sexuality in the Middle East Pinar Ilkkaracan,2016-05-13 Exploring the contemporary dynamics of sexuality in the Middle East this volume offers an in depth and unique insight into this much contested and debated issue It focuses on the role of sexuality in political

and social struggles and the politicization of sexuality and gender in the region Contributors illustrate the complexity of discourses debates and issues focusing in particular on the situation in Iran Iraq Jordan Lebanon Pakistan Palestine and Turkey and explain how they cannot be reduced to a single underlying factor such as religion or a simple binary opposition between the religious right and feminists Contributors include renowned academicians researchers psychologists historians human rights and women s rights advocates and political scientists from different countries and backgrounds offering a balanced and contemporary perspective on this important issue as well as highlighting the implication of these debates in larger socio political contexts

The Oxford Handbook of Feminism and Law in the United States Deborah L. Brake,Martha Chamallas,Verna L. Williams,2023 The Oxford Handbook of Feminism and Law in the United States provides a wide ranging exploration of U S legal feminism analyzing both prominent brands of feminist legal theory and key feminist social movements The Handbook s chapters examine the influence that legal feminism has exerted on law from the creation of feminist claims such as sexual harassment and gender equity in sports to new understandings of consent motherhood and reproductive justice Contributions from leading feminist thinkers dissect the backlash to feminism and compare feminism to adjacent discourses including queer theory and masculinities theory The Handbook is also forward looking insofar as it imagines how legal feminism will affect emerging areas like digital privacy immigration law and environmental law Thanks to its expansive scope and highly regarded team of editors and contributors The Oxford Handbook of Feminism and Law in the United States will be an essential source for scholars and students working in a range of interconnected fields

Rape in Wartime R. Branche,F. Virgili,2012-10-26 This collection offers a new reflection on rape in war time through 15 case studies ranging from Greece to Nigeria It questions the specificity of rape as a universal transgression its place in memories of war its legacies including children born from rape and the challenge of writing about intimate violence as both a scientist and a human

The Atrocity Paradigm Claudia Card,2005 What distinguishes evils from ordinary wrongs Is hatred a necessarily evil Are some evils unforgivable Are there evils we should tolerate What can make evils hard to recognize Are evils inevitable How can we best respond to and live with evils Claudia Card offers a secular theory of evil that responds to these questions and more Evils according to her theory have two fundamental components One component is reasonably foreseeable intolerable harm harm that makes a life indecent and impossible or that makes a death indecent The other component is culpable wrongdoing Atrocities such as genocides slavery war rape torture and severe child abuse are Card s paradigms because in them these key elements are writ large Atrocities deserve more attention than secular philosophers have so far paid them They are distinguished from ordinary wrongs not by the psychological states of evildoers but by the seriousness of the harm that is done Evildoers need not be sadistic they may simply be negligent or unscrupulous in pursuing their goals Card s theory represents a compromise between classic utilitarian and stoic alternatives including Kant s theory of radical evil Utilitarians tend to reduce evils to their harms Stoics tend to reduce evils to the wickedness of perpetrators

Card accepts neither reduction She also responds to Nietzsche's challenges about the worth of the concept of evil and she uses her theory to argue that evils are more important than merely unjust inequalities She applies the theory in explorations of war rape and violence against intimates She also takes up what Primo Levi called the gray zone where victims become complicit in perpetrating on others evils that threaten to engulf themselves While most past accounts of evil have focused on perpetrators Card begins instead from the position of the victims but then considers more generally how to respond to and live with evils as victims as perpetrators and as those who have become both

Genocide Matters Joyce Apsel, Ernesto Verdeja, 2013-08-21 This edited book provides an interdisciplinary overview of recent scholarship in the field of genocide studies The book examines four main areas The current state of research on genocide New thinking on the categories and methods of mass violence Developments in teaching about genocide Critical analyses of military humanitarian interventions and post violence justice and reconciliation The combination of critical scholarship and innovative approaches to familiar subjects makes this essential reading for all students and scholars in the field of genocide studies

Women and Male Violence Susan Schechter, 1982 Takes an in depth look at battering and the social movement against it It describes not only the horrifying experiences of victims but the powerful movement that demands an end to violence against women and permanent changes in the conditions of women's lives

Researching Domestic Abuse and Sexual Violence Claire McLoone-Richards, 2023-08-25 This book offers a critical examination of the ethical and moral challenges in conducting research about domestic abuse or sexual violence from the perspectives of student practitioners and novice researchers within various professional disciplines offering rich insights based on the experiences of each author Including the research expertise of academics in this field and importantly the experiences of student practitioners in conducting their research the book explores practice informed research and research informed practice in relation to the examination of a range of issues and themes related to DA and SV All contributors consider the challenges and reflect on the salient issues related to their ethical research and with some of the research conducted during the global pandemic of COVID 19 they also reflect on these additional challenges and how they sought to address them The reader is invited to consider the different national and international gendered cultural and social contexts of DA and SV from early childhood to old age With a constant thread of critical reflection they are encouraged to think about their own positionality to the unfolding discussions within each chapter and how these may relate to their professional practice their research and their professional values Overall the book sets out to

- 1 articulate the dominant theoretical frameworks that have sought to offer explanations about domestic abuse and sexual violence within the research problems presented by the student practitioners
- 2 evaluate the significance of the legislation and policy provision within the UK in service provision and interventions for victims and perpetrators
- 3 showcase best practice examples of research studies on domestic abuse and sexual violence based on the experiences of student practitioners
- 4 promote a critical appraisal of the self and the positionality of the practitioner as researcher through

reflection on their personal and professional development and 5 reflect on the impact of the shadow pandemic on the experiences of vulnerable individuals and the challenges of conducting research ethically and safely This is essential reading for students either currently engaged in or with aspirations to work in professional practice in the DA and SV sectors It is also useful for students on related graduate MA professional courses practitioners in social work health care criminal justice counselling and particularly in the multi faceted women s sector It will also appeal to final year students undertaking primary research in social work health care women s studies and criminology *Variationen Zur Literatur Im Umbruch* Lynne Tatlock,1991 Voices of the Women's Health Movement, Volume 2 Barbara Seaman,Laura Eldridge,2012-02-14 An unprecedented and definitive collection of rabble rousing writings on women s health Voices of the Women s Health Movement explores a range of provocative topics from reproductive rights to sexuality to motherhood Trail blazing advocate Barbara Seaman and health activist Laura Eldridge bring the revolutionary ideas of several generations together in this powerful new book celebrating women s bodies and women s voices The more than two hundred contributors include Jennifer Baumgardner Susan Brownmiller Phyllis Chesler Angela Y Davis Barbara Ehrenreich Germaine Greer Shulamith Firestone Charlotte Perkins Gilman Erica Jong Molly Haskell Shere Hite Susie Orbach Judith Rossner Alix Kates Shulman Gloria Steinem Sojourner Truth Rebecca Walker Naomi Wolf and many others With Voices of the Women s Health Movement for the first time every woman and girl can experience in one place the powerful history of stirring words and strong female perspectives that have inspired countless women to take control of their health and their lives Volume Two highlights include influential writings on sex rape and violence against women body image informed consent self help gynecology patient advocacy and the mind body connection **Violence: Probing the Boundaries around the World** ,2020-08-10 In Violence Probing the Boundaries around the World the contributors analyse implicitly and explicitly the conceptualisation of violent processes across the world as well as the circumstances that enable them to exist and open ways to imagine valuable interventions This collection of articles presented on the 11th Global Conference in Prague makes clear how fascinating violence is and how difficult to cope with and to initiate changes Through explicit thinking the book opens ways to develop and to plan relevant initiatives and valuable interventions that are culture sensitive **The Cry of Tamar** Pamela Cooper-White,2013-06-24 In this comprehensive practical and gripping assessment of various forms of violence against women Pamela Cooper White challenges the Christian churches to examine their own responses to the cry of Tamar in our time She describes specific forms of such violence and outlines appropriate pastoral responses The second edition of this groundbreaking work is thoroughly updated and examines not only where the church has made progress since 1995 but also where women remain at unchanged or even greater risk of violence **Battling Pornography** Carolyn Bronstein,2011-06-27 Pornography catapulted to the forefront of the American women s movement in the 1980s In Battling Pornography Carolyn Bronstein locates the origins of anti pornography sentiment in the turbulent social and cultural history

of the late 1960s and 1970s Based on extensive original archival research the book reveals that the seeds of the movement were planted by groups who protested the proliferation of advertisements Hollywood films and other mainstream media that glorified sexual violence Over time feminist leaders redirected the emphasis from violence to pornography to leverage rhetorical power *Battling Pornography* presents a fascinating account of the rise and fall of this significant American social movement and documents the contributions of influential activists on both sides of the pornography debate including some of the best known American feminists

Against Our Will Men Women And Rape Introduction

In the digital age, access to information has become easier than ever before. The ability to download Against Our Will Men Women And Rape has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Against Our Will Men Women And Rape has opened up a world of possibilities. Downloading Against Our Will Men Women And Rape provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Against Our Will Men Women And Rape has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Against Our Will Men Women And Rape. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Against Our Will Men Women And Rape. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Against Our Will Men Women And Rape, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Against Our Will Men Women And Rape has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the

vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Against Our Will Men Women And Rape Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Against Our Will Men Women And Rape is one of the best book in our library for free trial. We provide copy of Against Our Will Men Women And Rape in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Against Our Will Men Women And Rape. Where to download Against Our Will Men Women And Rape online for free? Are you looking for Against Our Will Men Women And Rape PDF? This is definitely going to save you time and cash in something you should think about.
