Christ what enlightenment is for a Buddhist realization for a Hindu surrender for a Muslim and righteousness for a Jew It is the unmistakable character of one who has accepted the vocation to undertake the spiritual journey It is at the core of our experience of life in Christ Meg Funk guides readers deeper into a life of humility by following the movement of what the early Christians called the four renunciations to renounce our former way of life our thoughts of our former way of life our self made thoughts of God and our self made thoughts of ourselves With the help of the compelling examples of St Benedict St Teresa of Jesus and St Therese of Lisieux Funk shows the way to ongoing conversion of mind heart and way of life Mary Margaret Funk is a Benedictine nun of Our Lady of Grace Monastery Beech Grove Indiana From 1994 through 2004 she served as executive director of Monastic Interreligious Dialogue which fosters dialogue among monastics of the world s religions In addition to the volumes of the Matters Series she is the author of *Islam Is An Experience of Dialogue and Devotion* and *Into the Depths A Journey of Loss and Vocation*

Humble Pie Carol Bonomo, 2004-03-01 Take a quick look around politicians entertainers sports figures and even our own circles of family and friends Humble pie is not on the menu It is a me first society that turns pride into a virtue and humility into a vice But Christians especially those who follow the Rule of St Benedict are encouraged to embrace humility as a virtue that leads them closer to Christ And in this upside down Benedictine world we reach humility not by descending to the depths but by climbing joyfully to the top of a ladder In this honest funny touching book Carol Bonomo a Benedictine oblate a person vowed to live according to the fourth century Rule reconciles the conflict between the world s call and Benedict s more gentle admonition as she examines the twelve rungs on Benedict s ladder against the backdrop of the liturgical year From the first rung obedience during Advent to the twelfth constancy during the feast of All Saints Bonomo studies what it means for a contemporary Christian to climb the ladder of humility that leads to perfect fearless love Bonomo with a light hand and a sense of humor takes readers along on her down to earth spiritual adventure

David Beck, 2013-09-24. When pastor David Beck went to Haiti with a ministry team, he found himself deeply experiencing the power of being Christ's own hands and feet. *Luminous* explores what it means to live out the reality of the incarnation, emphasizing the purpose, presence, power, and peace Christ offers us, and we in turn extend to the world.

Monk Habits for Everyday People Dennis L. Okholm, 2007-12-01. In their zeal for reform, early Protestant leaders tended to throw out Saint Benedict with the holy water. That is a mistake, writes Dennis Okholm in *Monk Habits for Everyday People*. While on retreat in a Benedictine abbey, the author, a professor who was raised as a Pentecostal and a Baptist, observed how the meditative and ordered life of a monk lifted Jesus' teachings off the printed page and put them into daily practice. Vital aspects of devotion—humility, obedience, hospitality, and evangelism—took on new clarity and meaning. Paralleling that experience, Okholm guides the reader on a focused and instructive journey that can revitalize the devotional life of any Christian who wants to slow down and dig deeper.

The Joy of Advent with Saint Benedict John R. Fortin, 2010. The Meaning and Celebration of Advent. I have heard it said many times that Christmas is for children. As someone who is moving past the middle age years and who has always been very fond of Christmas, I can only say: I hope not. I hope that Christmas is truly a festival of light and happiness for everyone. Yet I also think that Christmas for young and old and middle aged alike is only celebrated well when the beautiful season of Advent is truly entered into as a time of preparation in joyful hope for the coming of our Savior Jesus Christ. *The Joy of Advent with Saint Benedict* opens your hearts during this Advent season and prepares for the celebration of Christmas with Saint Benedict. Inside, you will find for every day of Advent and Christmas: the daily Gospel Reading, a selection from the Rule of Saint Benedict, a reflection, and a prayer. Also included are chapters on Saint Benedict, the Meaning and Celebration of Christmas, and the O Antiphons. May you have a joyful Advent and a blessed Christmas.

The Imitation of Mary Quan Tran, 2020-11-19. In *The Imitation of Mary*, Fr. Quan Tran shows you how to imitate the twelve essential qualities of Mary in order to unleash a torrent of graces in your life.

Inside The School Of Charity Trisha Day, 2010-01-01. In 2003, Trisha Day spent three months living inside the enclosure of Our Lady of the Mississippi Abbey, a community of twenty Cistercian nuns. Although she had long been a monastic associate, she was startled by the unexpected challenges and insights that emerged as the weeks went by and began a process of profound reflection on her experience. Now drawing on her journals and reflections and on her own experience as a professional woman, wife, daughter, and mother, she delves into the questions of how the centuries-old wisdom of monastic life can challenge, inspire, and guide those living outside the monastery. Organized around topics such as prayer, community, and the vows, each of Day's reflections begins with memories of her monastic experience and then presents a perceptive and often humorous critique of the contrasting values of our present culture. For each topic, she chronicles with honesty and

humility her subsequent struggles to apply back home the alternative approaches learned from the sisters she lived with and offers a wealth of practical suggestions Filled with stories from her own life and fascinating details of daily life in the monastery her book is sure to strike a spark with all those seeking to live in a fully human and Christ centered way

Franciscan Virtue Krijn Pansters,2012-01-20 Providing an in depth analysis of the virtues of evangelical life according to three major Franciscan authors this book is a valuable contribution to our understanding of how the virtues functioned as central organizing elements in early Franciscan literature and instruction

Running with Expanding Heart Mary Reuter,2010-02-01 Mary Reuter recalls how as a child taking piano lessons she often skipped practicing scales and thought her teacher would not notice Reuter admits she never did advance to the level of a skilled pianist But in Running with Expanding Heart readers will discover that she is well practiced and thus skilled in paying attention to the extraordinary in the ordinary in discovering the presence of God in the events of daily life Through Reuter s poignant and humorous stories and through her careful listening to Scripture and the Rule of Benedict readers will also take up the practice of looking for God in unexpected places and in doing so they will find their hearts expanding with the unconditional and all embracing love of God Mary Reuter OSB is a member of Saint Benedict s Monastery in St Joseph Minnesota where she served as prioress from 1989 1995 She currently teaches in the department of theology at the College of Saint Benedict and Saint John s University

Evangelicals and the Early Church George Kalantzis,Andrew Tooley,2011-10-12 In this volume noted Evangelical historians and theologians examine the charge of the supposed ahistorical nature of Evangelicalism and provide a critical historical examination of the relationship between the Protestant evangelical heritage and the early church In doing so the contributors show the long and deeply historical rootedness of the Protestant Reformation and its Evangelical descendants as well as underscoring some inherent difficulties such as the Mercersburg and Oxford movements In the second part of the volume the discussion moves forward as evangelicals rediscover the early church its writings liturgy catechesis and worship following the temporary amnesia of the earlier part of the twentieth century Most essays are accompanied by a substantial response prompting discussion or offering challenges and alternative readings of the issue at hand thus allowing the reader to enter a conversation already in progress and engage the topic more fully This bidirectional look understanding the historical background on the one hand and looking forward to the future with concrete suggestions on the other forms a more full orb ed argument for readers who want to understand the rich and deep relationship between Evangelicalism and the early church
