Goal Writing for the Speech-Language Pathologist and Special Educator Gozdziwski, Renee Fabus, Jeanne Lebowski, Julia Yudes-Kuznetsov, 2018-01-12 Geared for undergraduate and graduate students Goal Writing for the Speech Language Pathologist and Special Educator details different types of goals essential elements of goals how to establish goals from information garnered from evaluations and how to write continuing goals for the field of Speech Language Pathology and Communication Sciences It is written for students in a Clinical Methods Clinical Practicum course who are about to begin their clinical experience in SLP Real world exercises are provided throughout in order to provide realistic examples of what students may encounter in speech and hearing clinics hospitals and schools Goal writing is practiced by SLPs on a daily basis and understanding how to turn diagnostic information into therapy is a difficult yet crucial task This important subject is not covered in depth in other clinical methods titles yet is a skill all students and clinicians must master

Critical Perspectives on Social Justice in Speech-Language Pathology Horton, RaMonda, 2021-06-25 There is very little discussion of socially just approaches to speech language pathology Within other fields of clinically oriented practice social justice is a topic that has received a great deal of attention within the last few years Pedagogy for addressing social justice has been developed in other disciplines The field of communication disorders has failed to move forward and do the same Discussion of social justice is important given the current sociopolitical climate and landscape that clients carry out in their day to day functioning Speech language pathologists SLPs have an opportunity to engage in practices that help address and alleviate some of the injustices that contribute to educational and health disparities experienced by communities of color They may do this through the development and application of a socially just orientation of culturally competent practice that

fosters changes beyond the individual level Adapting such a framework makes it possible for SLPs to effectively advocate for and foster equity and inclusion for the individuals and broader communities impacted by SLP services Critical Perspectives on Social Justice in Speech Language Pathology addresses the socio political contexts of how the field of speech language pathology and service delivery can impact policy and debates related to social justice issues It explores social position factors and the experiences of marginalized communities to explore how speech language pathologists deliver services train and prepare students and carry out research in communities of color It covers topic areas including disproportionality in special education disability rights and ableism achievement and opportunity gaps health disparities and LGBTQ rights with a focus on voice communication and gender diverse populations This book is essential for speech language pathologists administrators practitioners researchers academicians and students interested in how the SLP profession and discipline can contribute to or develop efforts to help address injustices faced by Black Indigenous and people of color BIPOC communities
