The Heart of Perfection Colleen Carroll Campbell, 2019-05-21 An award winning author former presidential speechwriter and mother of four weaves stories of her own struggles against comparison and impossible expectations with those of seven ex perfectionist saints and one heretic who show us how to pursue a new kind of perfection freedom in Christ Spiritual perfectionism an obsession with flawlessness rooted in the belief that we can earn God's love is the most dangerous form of perfectionism because so many of us mistake it for virtue or deny that it afflicts us at all Its toxic cycle of pride sin shame blame and despair distorts our vision dulls our faith and leads us to view others through the same hypercritical lens we think God is using to view us As a lifelong overachiever who drafted her first résumé in sixth grade and spell checked her high school boyfriend's love letters Colleen Carroll Campbell knows something about the perfectionist trap But it was only after she became a mother that she started to see how insidiously perfectionism had infected her spiritual life how lethal it could be to her happiness and her family and how disproportionately it afflicts the people working hardest to serve God In the ruins of her own perfectionist mistakes Colleen dug into Scripture and the lives of the canonized saints for answers She discovered to her surprise that many holy men and women she once saw as encouraging her perfectionism were in fact recovering perfectionists And their grace fueled victory over this malady not perfectionist striving was the key to their heroic virtue and contagious joy In *The Heart of Perfection* Colleen weaves the stories and wisdom of these saints with Scripture and beautifully crafted tales of her own trial and error experiments in applying that wisdom to her life She introduces us to such saints as Jane de Chantal a single mother who conquered her impatience only after her ex perfectionist friend Saint Francis de Sales convinced her to trade punishing prayer regimens for the tougher discipline of showing gentleness to rude in laws rowdy kids and herself Colleen describes the battle against obsessive guilt that turned timid people pleaser Alphonsus Liguori into a fearless defender of God's mercy the discernment rules that helped Ignatius of Loyola overcome crippling discouragement and distraction the concern for reputation that almost cost the world the radical

witness of Francis of Assisi and the biblical work life balance that Benedict of Nursia pioneered after years of driving himself and others too hard and without surrendering his holy zeal Gorgeously written and deeply insightful Colleen Carroll Campbell s *The Heart of Perfection* shows that the solution to perfectionism is not to squelch our hard wired desires for excellence but to allow God to purify and redirect them by swapping the chains of control and comparison for pursuit of a new kind of perfection the freedom of the children of God *Called to the Emmanuel Community* Jean-Luc Moens,2017-05-12 This handbook has been written for the formation of all members of the Emmanuel Community and it also speaks to all people who want to live a 100% Christian daily life It is divided into six parts Living in the Emmanuel Community Life in the Holy Spirit Living with Brothers and Sisters Living with God Living in Freedom and Living in the World without belonging to the World Based on the great Tradition of the Church it stimulates commitment by inviting the reader to personal reflection and exchange This course in formation can be taken with an individual companion or in a group This book will tell you all you ever wanted to know about the Emmanuel Community and that you never dared to ask
