ENGLISH LITERATURE ADVANCING THROUGH HISTORY 4 - The Eighteenth Century Petru Golban, 2022-12-28 It appears that literary work possesses eternal temporal validity due to its autonomous aesthetic value whereas criticism provides points of view having temporary and transitory significance Despite such claims the vector of methodology in our series of books dealing with the history of English literature relies on Viktor Shklovsky T S Eliot Mikhail Bakhtin and especially Yuri Tynyanov whose main reasoning would be that literature is a system of dominant central and peripheral marginalized elements to us tradition centre versus innovation margin engaged in a battle for supremacy

demarginalization and the right to form a new literary system and the development or historical advancement of literature is the substitution of systems Roman Jakobson and French structuralism on the whole later Linda Hutcheon with her system and constant and Bran Nicol with the dominant to say nothing about Itamar Even Zohar and his theory of polysystem to a certain extent Julia Kristeva and even Homi Bhabha as well as our humble contribution we would like to believe maintain Tynyanov's line of thinking and concepts alive which have developed and emerged nowadays more like a kind of neo formalism Focusing on literary practice applying critical theory and emerging from within our own teaching experience the books in the present series are theoretical and surveyistic like a monograph whereas their more practical and text oriented aspect should appeal as a student handbook for didactic purposes in which certain literary works belonging to various writers of different trends movements and periods are analysed and compared with regard to their source form thematic arrangements ideas motifs character representation strategies intertextual perspectives structural or narrative techniques and other aspects The Palgrave Guide to English Literature and Its Contexts Peter Widdowson, 2017-03-14 This comprehensive guide to the historical and cultural context of English literature covers the core periods of literature and history from the English Renaissance to the present Peter Widdowson introduces and outlines key terms concepts and developments and provides a series of timelines showing political social cultural and literary events for each year Together this indispensable reference work offers a concise history of Britain for literature students at all levels and provides readers with the context for any literary work from 1500 to 2000 The Palgrave Guide to English Literature and its Contexts 1500 2000 Covers a wide range of canonical British authors and works but also provides contextualising examples of works from other countries Each chapter focuses on a key period in English Literature and History gives a brief overview of that period and defines the main terms and ideas of the age Contains easy to follow timelines which may be viewed either horizontally or vertically allowing readers to track a chronological history or single out the developments and events of a specific year

The Cambridge Medieval History: The rise of the Saracens and the foundation of the Western empire, 1964

Killing Children in British Fiction Dominic Dean, 2024-10-01 This book stems from a simple yet disturbing observation contemporary British fiction is full of children killing or being killed Thoughtfully considering novels and films alongside actual murder cases and moral panics Dominic Dean develops this insight into a complex account of British cultural history from the Thatcher to Brexit eras Killing Children in British Fiction argues that the figure of the child provides means for negotiating and hence for understanding recent crises in Britain and their intersections with broader transnational conflicts The book explores works from major British authors such as Kazuo Ishiguro Ian McEwan Doris Lessing Sarah Waters Alan

Hollinghurst and Peter Ackroyd emerging writers such as David Szalay and Melissa Harrison and filmmakers including Stanley Kubrick Nicholas Roeg Robin Hardy Derek Jarman and Remi Weekes Bridging and often challenging existing scholarship in childhood studies literary studies psychoanalysis and critical and queer theory Dean shows how the child at once materially present and representative of an insecure future can provoke relentless fantasies fears and most troublingly acts of real violence by adults

A Companion to the Global Renaissance Jyotsna G. Singh, 2021-04-26 A COMPANION TO THE GLOBAL RENAISSANCE An innovative collection of original essays providing an expansive picture of globalization across the early modern world now in its second edition A Companion to the Global Renaissance Literature and Culture in the Era of Expansion 1500 1700 Second Edition provides readers with a deeper and more nuanced understanding of both macro and micro perspectives on the commercial and cross cultural interactions of the sixteenth and seventeenth centuries Covering a uniquely broad range of literary and cultural materials historical contexts and geographical regions the Companion's varied chapters offer interdisciplinary perspectives on the implications of early modern concepts of commerce material and artistic culture sexual and cross racial encounters conquest and enslavement social artistic and religious cross pollinations geographical discoveries and more Building upon the success of its predecessor this second edition of A Companion to the Global Renaissance radically extends its scope by moving beyond England and English culture Newly commissioned essays investigate intercultural and intra cultural exchanges transactions and

encounters involving England European powers Eastern kingdoms Africa Islamic empires and the Americas within cross disciplinary frameworks Offering a complex and multifaceted view of early modern globalization this new edition Demonstrates the continuing global turn in Early Modern Studies through original essays exploring interconnected exchanges transactions and encounters Provides significantly expanded coverage of global interactions involving England European powers such as Portugal Spain and The Netherlands Eastern empires such as Japan and the Ottoman Safavid and Mughal empires Includes a Preface and Afterword as well as a revised and expanded Introduction summarizing the evolving field of Global Early Modern Studies and describing the motifs and methodologies informing the essays within the volume Explores an array of new subjects including an exceptional woman traveler in Eurasia the Jesuit presence in Mughal India and sixteenth century Japan the influence of Mughal art on an Amsterdam painter cum poet the cultural impact of Eastern trade on plays and entertainments in early modern London Safavid cultural disseminations English and Portuguese slaving practices the global contexts of English pattern poetry and global lyric transmissions across cultures A wide ranging account of the global expansions and interactions of the period A Companion to the Global Renaissance Literature and Culture in the Era of Expansion 1500 1700 Second Edition remains essential reading for early modern scholars and students ranging from undergraduate and graduate students to more advanced scholars and specialists in the field **Athenaeum** ,1864

Spectacle and Public Performance in the Late Middle Ages and the Renaissance ,2006-04-01 No volume about the spectacles and public performances of early modern England could pretend to treat comprehensively a body of materials so conspicuously vast Rather than efforts to survey the territory these essays are best understood in the original sense of the term as essays as trials attempts experiments to open alternative ways of understanding that vast corpus of mystery plays civic pageants court masques and professional dramas that constitute its subject The book crosses traditional period lines including studies of Medieval as well as Renaissance entertainments Once more the essays are not organized according to a single critical or historical methodology They employ an eclectic range of interpretive practices reflecting the variety of interpretive approaches now current in the field Contributors include Tiffany J Alkan Robert W Barrett Jr Sarah Beckwith Tom Bishop Peter Cockett Richard K Emmerson Peter Holland Nora Johnson Richard C McCoy Lauren Shohet and Robert E Stillman *History of English Literature*, A. Michael Alexander,2007 The second edition of this best selling book has been completely updated and revised throughout to take into account new authors and new scholarly developments in literature and in society Offering a comprehensive account of one of the world s richest literatures A History of English Literature traces its developments from the Old English period until the present day A narrative which is also a discussion of major authors the history reads as a clear and coherent whole **Saunders, Otley & Co.'s Literary Budget for England, India, China, Australia and the Colonies** ,1861 **The Athenaeum** ,1862
