Forever a Hustler's Wife Nikki Turner, 2007-04-10 BONUS This edition contains an excerpt from Nikki Turner s Heartbreak of a Hustler s Wife The high priestess of the hood Nikki Turner is back with the novel fans have been feen in for the sequel to her 1 bestselling novel A Hustler s Wife Des Virginia s slickest gangsta is about to become a dad when he is charged with the murder of his own attorney But with Yarni his gorgeous wife and a brilliant lawyer now calling the shots Des isn t going back to the slammer without a fierce fight Even with the heat on Des manages to take his game to the next level and finds a new hustle one that will allow him to possess the three things all major players desire money power and respect He becomes a preacher Reluctantly Yarni stands by her man as he trades in his triple beam scale for a Bible and a Bentley and makes his Church of the Good Life Ministry a welcoming place for all sinners to step up to the altar But when Des s nephew is killed in the high stakes heroin trade and Des learns that someone close to him okayed the hit the dyed in the wool gangsta sets aside the Bible for the gospel of the streets even if it means risking the one person who s always had his back **Heartbreak of a Hustler's Wife** Nikki Turner, 2011-04-05 Long live the Queen of Hip Hop Lit Nikki Turner is back with another explosive page turning sequel to her 1 bestselling novels A Hustler s Wife and Forever a Hustler s Wife Yarni Taylor is a successful corporate attorney who wants nothing more than for her husband Des to renounce his hustlin ways and commit to his life as a pastor especially after someone tries to kill him But Des isn t ready to abandon his old habits just yet He has to find out who is behind the murder attempt and he wonders if the brazen robbery that took place during one of his church services is related in any way But before he or Yarni can regain their footing a young woman shows up on their doorstep Desember Day the eighteen year old daughter Des never knew he had And unfortunately she takes after her father so trouble isn t far behind With their lives on the line Yarni must sacrifice everything and take it out of the office and back to the streets to save her husband and her family from their checkered but intricately connected pasts **The Story Within Us** Megan Sweeney, 2012-09-11 This volume features in depth oral interviews with eleven incarcerated women each of whom offers a narrative of her life and her reading experiences within prison walls The women share powerful stories about their complex and diverse efforts to negotiate difficult relationships exercise agency in restrictive circumstances and find meaning

and beauty in the midst of pain Their shared emphases on abuse poverty addiction and mental illness illuminate the pathways that lead many women to prison and suggest possibilities for addressing the profound social problems that fuel crime Framing the narratives within an analytic introduction and reflective afterword Megan Sweeney highlights the crucial intellectual work that the incarcerated women perform despite myriad restrictions on reading and education in U S prisons These women use the limited reading materials available to them as sources of guidance and support and as tools for self reflection and self education Through their creative engagements with books the women learn to reframe their own life stories situate their experiences in relation to broader social patterns deepen their understanding of others experiment with new ways of being and maintain a sense of connection with their fellow citizens on both sides of the prison fence

The Idea of the City Joan Fitzpatrick, 2009-05-05 This collection of essays emerges from a two day international conference held at the University of Northampton UK It contains the best of the papers presented by 45 delegates from 12 countries UK India USA Canada Italy France Ireland Australia Romania Japan Germany Portugal involving both established academics and new scholars The collection is divided into three parts Part 1 Medieval and Early Modern Cities Performance and Poetry Part 2 Defining Urban Space the Metropolis and the Provincial and Part 3 Modern and Postmodern Cities Marginal Urban Identities The chapters explore the nature of the modern city in literature history film and culture from its origins in the early modern period to post modern dislocations and considers the city as a context within which literature is created structured and inspired and as a space within which distinct voices and genres emerge Much interest has developed recently on the city and its contexts but there is a tendency to focus on London for example there is the journal *Literary London Interdisciplinary Studies in the Representation of London* and the annual *Literary London Conference* a major conference that has run since 2002 This collection fills an important gap in the market by having a truly global focus Joan Fitzpatrick's *The Idea of the City* represents a fascinating snapshot of the current state of literary urban studies Conference proceedings can often seem diffuse or tokenistic but this collection offers unity on several levels For a start many of the contributors ask similar questions of their material approaching it with an informed awareness of the ways in which the city has been theorised as well as actually traversed from the medieval period to the present While one would expect work of this type and standard from established and widely published scholars such as Pamela Gilbert and Julian Wolfreys it is refreshing to see how new researchers are blending the cartographic with the psychological to raise important questions about the perception analysis and mythologisation of urban and metropolitan space The collection is impressively eclectic ranging from Petrarch's Avignon to modern Los Angeles and from 18th century Lichfield to operatic re imaginings of Venice As I said however the collection is unified at a deep level by the contributors shared interest in city writing and by their conviction that there is a complex relationship between space place and self This means that the book would be of use and interest to those working on individual writers including contemporary novelists such as Niall Griffiths on whom little has yet been published and in the

more general areas of urban and cultural studies and critical theory The collection as a whole allows the reader to revisit the ideas of influential works from the previous decade such as Keith Tester's *The Flâneur* 1994 Sophie Watson and Katherine Gibson's *Postmodern Cities and Spaces* 1995 and Susana Onega and John Stotesbury's *London in Literature: Visionary Mappings of the Metropolis* 2002 It is therefore both a useful round up of established ideas from various city-centred disciplines and a starting point for the fresh consideration of enduringly suggestive material Dr Nick Freeman Loughborough University Author of *Conceiving the City: London Literature and Art 1870-1914* In this substantial volume the editor has assembled an international line up of scholars working on the city from the Renaissance to the present This is an important and timely work that has depth as well as breadth Interdisciplinary and cross period collections like this which straddle several historical periods run the risk of appealing only in part to coherent scholarly communities but Dr Fitzpatrick has structured the collection in a way which plays to the strength of critics working within particular periods while clearly displaying the latticework of links between the book's strongly marked sections There is an excellent balance between historical and theoretical readings between textual and contextual approaches and between interventions that are author or text based and those that deal with broader themes and issues The range of contributors is matched by the richness and variety of perspectives I would strongly recommend this book to students working in the early modern period and also to those interested in modern developments It is a comprehensive intelligently organized and richly researched volume that is likely to be well received well reviewed and well read I will certainly be ordering copies for my own University library and including it on reading lists for future courses Professor Willy Maley University of Glasgow

What Was African American Literature? Kenneth W. Warren, 2012-09-03 African American literature is over With this provocative claim Kenneth Warren sets out to identify a distinctly African American literature and to change the terms with which we discuss it Rather than contest other definitions Warren makes a clear and compelling case for understanding African American literature as creative and critical work written by black Americans within and against the strictures of Jim Crow America Within these parameters his book outlines protocols of reading that best make sense of the literary works produced by African American writers and critics over the first two thirds of the twentieth century In Warren's view African American literature begged the question what would happen to this literature if and when Jim Crow was finally overthrown Thus imagining a world without African American literature was essential to that literature In support of this point Warren focuses on three moments in the history of *Phylon* an important journal of African American culture In the dialogues *Phylon* documents the question of whether race would disappear as an organizing literary category emerges as shared ground for critical and literary practice Warren also points out that while scholarship by black Americans has always been the province of a petit bourgeois elite the strictures of Jim Crow enlisted these writers in a politics that served the race as a whole Finally Warren's work sheds light on the current moment in which advocates of African American solidarity insist on a past that is

more productively put behind us Return of the Hustle Eric Sheinkop,2016-03-11 Has a commercial ever brought you to tears Has a movie ever inspired you so much you change your way of life Has the series finale of a television show ever broken your heart Has a video game ever altered your perception of reality If you re like most consumers you answered yes to at least one of those questions Whether you remember it or not the music of that ad film show or game probably played a big role in influencing your emotional response during that experience In fact music is included in media specifically for the purpose of connecting with audiences on a deeper level that visuals alone cannot access A strong music strategy is fundamental to the success of television film brands and video games Because of higher expectations for audiovisual content it will take more than clever animation or a celebrity cameo to connect with consumers in an authentic organic way By providing audiences with a genuine music experience whether with an exclusive song through an artist partnership or by featuring new music from an emerging band you can build a bond that extends far beyond product experience Music touches us emotionally in a way that words seldom do We feel it we remember it In *Return of The Hustle* a leading music and marketing industry insider discusses the diverse audio touchpoints for four key industries and shows how marketers storytellers and advertisers can use music to effectively guide audiences along the customer journey from passive consumers to brand advocates *Return of The Hustle* provides readers with a blueprint for music strategy that professionals at any level in any industry can use to attract consumers immerse them into the content and extend relationships between them and the brand long after the commercial ends or the credits roll With detailed case studies exhaustive interviews and thorough research *Return of the Hustle* gives readers the playbook to use the marketing power of music to drive business results
