A Lesson In Pride Mm Romance Novel:

Gay Romance, LGBTQ, "Justin: Book 2" The Influencer Series, M/M Bisexual Romance Sky McCoy, 2025-02-22

This book is for mature adults over 18 Justin I had always perceived myself as a heterosexual male who appreciated the admiration of women and the thrill of fast cars Yet I had never faced a true test of my identity I married the first woman who professed her love for me but we remained childless She was often preoccupied with friends and traveling until my financial success prompted her desire for children which for reasons unknown to me never materialized Perhaps that was due to my relentless work ethic and her inclination to indulge in the wealth I had amassed through my business endeavors However it could be our relationship lacked genuine love I recognized her affection for me was superficial early on yet we maintained our partnership for the sake of my business and her lifestyle as the spouse of a wealthy man With the guidance of my gay mentor I transitioned from a struggling mechanic to a billionaire though I remain uncertain about my journey going forward Now my life is unraveling as I have discovered true love a revelation that took me by surprise The moment I looked into his green eyes and youthful face I realized I wanted him to fill my empty hours and days yet our situation is fraught with complications not due to his lack of interest but rather the complexities surrounding us me as a straight dude who can t afford to lose everything I ve worked hard for This is book 2 in the Influencer series of a straight to gay romance and fake boyfriend with a HEA ending

Teaching Challenged and Challenging Topics in Diverse and Inclusive Literature Rachelle S. Savitz, Leslie D. Roberts, Jason DeHart, 2023-01-31 This groundbreaking text provides practical contextualized methods for teaching and discussing topics that are considered taboo in the classroom in ways that support students' lived experiences In times when teachers are scapegoated for adopting culturally sustaining teaching practices and are pressured to whitewash the curriculum it becomes more challenging to create an environment where students and teachers can have conversations about complex uncomfortable topics in the classroom With contributions from scholars and K-12 teachers who have used young adult literature to engage with their students chapters confront this issue and focus on themes such as multilingualism culturally responsive teaching disability racism linguisticism and gender identity Using approaches grounded in socioemotional

learning trauma informed practices and historical and racial literacy this text explores the ways in which books with complicated themes can interact positively with students own lives and perspectives Ideal for courses on ELA and literature instruction this book provides a fresh set of perspectives and methods for approaching and engaging with difficult topics As young adult literature that addresses difficult subjects is more liable to be considered controversial to teach teachers will benefit from the additional guidance this volume provides so that they can effectively reach the very students these themes address The Routledge International Handbook on Narrative and Life History Ivor Goodson,Ari Antikainen,Pat Sikes,Molly Andrews,2016-10-04 In recent decades there has been a substantial turn towards narrative and life history study The embrace of narrative and life history work has accompanied the move to postmodernism and post structuralism across a wide range of disciplines sociological studies gender studies cultural studies social history literary theory and most recently psychology Written by leading international scholars from the main contributing perspectives and disciplines The Routledge International Handbook on Narrative and Life History seeks to capture the range and scope as well as the considerable complexity of the field of narrative study and life history work by situating these fields of study within the historical and contemporary context Topics covered include The historical emergences of life history and narrative study Techniques for conducting life history and narrative study Identity and politics Generational history Social and psycho social approaches to narrative history With chapters from expert contributors this volume will prove a comprehensive and authoritative resource to students researchers and educators interested in narrative theory analysis and interpretation Who's who in Gay and Lesbian History Robert Aldrich,Garry Wotherspoon,2001 500 entries from more than 100 contributors profiling gay and lesbians throughout history ranging from Sappho to Andre Gide most entries are accompanied by a bibliography
