Regent of Hungary

A Life For Hungary Memoirs Of Admiral Nicholas Horthy Regent Of Hungary

Paul Miller, Claire Morelon

A Life For Hungary Memoirs Of Admiral Nicholas Horthy Regent Of Hungary:

A Life for Hungary Nicholas Horthy, 2011 *Regent of Hungary. The Authorised Life of Admiral Nicholas Horthy ... Based on Baroness Lily Doblhoff's "Horthy Miklós."* [With Plates, Including Portraits.]. Owen Rutter, Baroness Lily DOBLHOFF, Miklós Horthy (nagybányai), 1939 *Miklós Horthy: The Hungarian Anti-Hero*, Miklós Horthy is perhaps one of history's most controversial figures Glorified by one side as a pragmatic leader and vilified on the other as a slippery Nazi puppet Admiral Miklós Horthy lived a life of adventure sorrow and complexity in one of history's darkest chapters From his time at sea during World War One to leading a nation surrounded by fascist barbarism in the dying days of World War Two this is Horthy's untold story An episode in history that is not only guaranteed to entertain but perhaps even change your very perception of history in its entirety Not a history buff Don't have the time to read thick textbooks Then this book is perfect for you It covers the life of Miklós Horthy at a quick and enjoyable pace that's easy to digest introducing small bits of 20th century history as you make your way through Plus there are pictures Though certainly not as academic as other books on the subject this one will give you a detailed look into everything you need to know about the Kingdom of Hungary's only Admiral Regent Regent of Hungary Owen Rutter, 1939

Recollections of a Romanian Diplomat, 1918-1969: Diaries and Memoirs of Raoul V. Bossy, The half century covered by Raoul Bossy's diaries and memoirs was one of major upheaval in the world particularly in Eastern Europe A keen and witty observer Bossy faithfully recorded the reactions of informed people to the then unfolding international events His recollections begin in 1918 when Bossy entered the Romanian diplomatic service as a lowly attaché and began his climb through the ranks cabinet chief of the minister of foreign affairs to political director of the prime minister's office to secretary general of the Romanian regency By the early 1940s he achieved what was at that time the most important posting for a Romanian diplomat envoy to Berlin **Regent of Hungary** Owen Rutter, 1939 *Embers of Empire* Paul Miller, Claire Morelon, 2018-11-29 The collapse of the Habsburg Monarchy at the end of World War I ushered in a period of radical change for East Central European political structures and national identities Yet this transformed landscape inevitably still bore the traces of its imperial past Breaking with traditional histories that take 1918 as a strict line of demarcation this collection focuses on the complexities that attended the transition from the Habsburg Empire to its successor states In so doing it produces new and more nuanced insights into the persistence and effectiveness of imperial institutions as well as the sources of instability in the newly formed nation states **Illustrious Immigrants: The Intellectual Migration from Europe, 1930-41** Laura Fermi, 2021-10-09 Migration from Europe has occurred without interruption since the time America was discovered There have always been some intellectuals educated abroad whose presence and work enriched our culture Laura Fermi however analyzes a new and unique phenomenon in the history of immigration the wave of intellectuals from continental Europe that from 1930 to 1941 brought to these shores well over 20 000 professional refugees Most immigrant intellectuals were pushed out of the European continent by the

dictatorships of that period they were the men and women who came to America fully made with their Ph D s or diplomas from art academies or music conservatories in their pocket and who continue to engage in intellectual pursuits in this country Among them we find Franz Alexander Bruno Bettelheim Enrico Fermi Hannah Arendt Albert Einstein Igor Stravinsky John von Neumann Paul Tillich and a long sequence of Nobel Prize winners and exceptional scholars Their contribution to American life continues to the present Working with a sample of about 1 900 names and relying on personal contacts interviews memoirs newspaper accounts obituaries and similar sources Mrs Fermi succeeds in conveying the significance of the intellectual immigration and the areas of its impact on America She describes the personal trials and the successes of these persons caught up in the web of persecution and peregrinations leading to higher institutions of learning in the United States the delightful style of the book the new light it throws on the period studied from a participant observer s position and the insight it brings forth concerning the mutual enrichment of American and European intellectual communities make it enjoyable and instructive reading Silvano M Tomasi *The International Migration Review* Illustrious Immigrants is an honest and informative book it is well organized well informed well balanced crammed with information with illuminating anecdotes often moving incidents and revealing statistics Peter Gay *The New York Times* Rich in personal anecdote and communication which make delightful reading in so many ways a splendid and useful book tackling with imagination industry and a rare combination of personal concern and emotional detachment a subject that would frighten indeed thus far has frightened professional social historians by its magnitude and complexity Alice Kimball Smith *Science* Laura Fermi has made an effort to bring together materials that exist nowhere else and to juxtapose them so as to reveal patterns that would otherwise be invisible For this we should be grateful Mrs Fermi s work is earnest and responsible Harriet Zuckerman *Physics Today* Laura Fermi is an immensely knowledgeable discerning and unpretentious guide to the influx of the intellectual migration from Fascist Europe as well as a personal example of its lustrous quality this engaging book will prove to be indispensable to all students of transatlantic interactions Cushing Strout *The Annals of the American Academy of Political and Social Science* This is an optimistic book a contribution to a singular chapter in the history of American science and learning Philip Morrison *Scientific American* Catalogue of the Foreign Office Library, 1926-1968: Classified catalogue Great Britain. Foreign Office. Library, 1972 *Admiral Nicholas Horthy: Memoirs* Miklós Horthy (nagybányai), Andrew L. Simon, 2000 Simon provides a brief introduction and some 600 footnotes to this edition of the 1957 memoirs of Hungary s head of state between the two world wars a man who was respected by his own people and was hated by both Nazis and Communists The publisher specializes in making available out of print books *Regent of Hungary* Owen Rutter, 1939 **British Book News** , 1956 Postwar Continuity and New Challenges in Central Europe, 1918-1923 Tomasz Pudłocki, Kamil Ruszała, 2021-09-30 This book presents a multi layered analysis of the situation in Central Europe after the collapse of the Austro Hungarian Empire The new geopolitics emerging from the Versailles order and at the same time ongoing fights for borders considerable war

damage social and economic problems and replacement of administrative staff as well as leaders all contributed to the fact that unlike Western Europe Central Europe faced challenges and dilemmas on an unprecedented scale The editors of this book have invited authors from over a dozen academic institutions to answer the question of to what extent the solutions applied in the Habsburg Monarchy were still practiced in the newly created nation states and to what extent these new political organisms went their own ways It offers a closer look at Central Europe with its multiple problems typical of that region after 1918 organizing the post imperial space a new political discourse and attempts to create new national memories the role of national minorities solving social problems and verbal and physical violence expressed in public space Particular chapters concern post 1918 Central Europe on the local state and international levels providing a comprehensive view of this sub region between 1918 and 1923 European Powers in the First World War Spencer Tucker,2018-12-07 First published in 1996 The First World War was the single most important event of the twentieth century This volume concentrates on non U S aspects of the conflict Organized alphabetically its more than 600 detailed entries offer information and insight on such subjects as the causes of the conflict major battles and campaigns weapons systems including military aviation chemical warfare the submarine and the tank and the terms of the peace Some 350 biographies provide information on the roles played in the conflict by generals admirals and civilian leaders There are also biographies of individuals who were shaped by the war such as Charles De Gaulle Adolf Hitler Benito Mussolini and Joseph Stalin essays on each of the countries involved in the conflict new appraisals of such subjects as military medicine and artillery tactics and essays on such diverse subjects as art literature and music in the war Each entry has references for additional reading and a subject index provides easy access The volume is an excellent reference source for scholar and neophyte alike The Barnes Review ,2003 **Жизнь для Венгрии. Адмирал Миклош Хорти. Мемуары. 1920—1944** Миклош Хорти,2022-01-31 1 1920 15 1944 PDF A4 **Catalogue, 1926-1968** Great Britain. Foreign Office. Library,1972 **The New Hungarian Quarterly** ,1989 *The Encyclopedia Americana* ,1972 *Hungarian History and Literature* Harvard University. Library,1974
