A Life Together Wisdom Of Community From The Christian East:

A Life Together Sigrist Seraphim, 2011-04-01 Written in the tradition of the Orthodox East's desert tradition of short meditations on spiritual themes Bishop Seraphim's new book is the Eastern Church's answer to Bonhoeffer's great reflection on similar themes Here Bishop Seraphim explores the Russian understanding of the term Sobornost a word for community first introduced in the 19th century which has taken shape as a key concept for exploring what community means and how unity between human beings is truly possible This uniquely Eastern perspective on a topic of interest to people everywhere will appeal to anyone hungering for a new understanding of community that can inspire daily life The book will also leave readers with the happy awareness that the history of the Church is not something closed and complete nor is Christianity an exhausted creed which has run its course Instead Christianity is young and ever new and the Church is just beginning to discover the inwardness that is implicit in the Gospels

The Language of the Soul Jeff Crosby, 2023-05-23 For over fifteen years writer Jeff Crosby has been searching for a language of the soul a way to articulate our deepest longings Through the years he gathered clues from within global music styles from different cultures from his own Christian tradition and its sacred texts and from deep within himself A lover of words he sought not only to translate our longings into words but to understand why these seemingly universal yearnings have long remained unnamed Now in these pages Crosby gifts us with those so often untranslatable desires of our hearts guiding us to finally find the words and luminous insights for our own longings for home for friendship for forgiveness and for transformation and how God meets us in the midst of these longings Eschewing easy answers Crosby begins the naming process helping us to make connections and to recognize within ourselves and our faith our heart's true home
