Satyavrata, 2017-08-23 There are occasions when a book comes along at a critical time where the insights provided and foundations established through its publishing fills a broad vacuum with new vision Dr Ivan Satyavrata has written just such a book at a critical moment where serious theological reflection about the Church's engagement with the poor again requires recalibration If readers will take seriously the sturdy scholarship and prophetic voice of Dr Satyavrata we will avoid the debilitating results of popular pop justice causes of the day that threaten to dissipate the Church's witness with feel good activities that rob the fullest impact of Spirit empowered ministry Dr Byron Klaus Former President Assemblies of God Theological Seminary *Romans (Teach the Text Commentary Series)* C. In the Face of Death Fabian F. Grassl, 2019-05-14 My theological work was always only a superstructure placed upon the experiences and sufferings of my life. Helmut Thielicke's story is one of extraordinary circumstances. Especially as a young man living through Germany's darkest hour, he was time and again put on the brink of death by fatal sickness, Nazi oppression, and war. These experiences left an indelible mark on his worldview. In this thoroughly researched study, Fabian F. Grassl takes a fresh and original look at Thielicke's turbulent life through the specific lens of suffering and death. He paints an intimate portrait of a boundary rider whose theology uniquely developed in the face of death. As a result, new light is cast on one of the outstanding theologians, ethicists, and preachers of the twentieth century. The reader is invited to explore a world of thought decidedly shaped by the eschatological existence of an intriguing personality, a flawed human being like the rest of us, yet endowed with a fascinating theological prowess. His stand amongst Germany's major historical upheavals of the last century.

A Little Book for New Bible Scholars E. Randolph Richards, Joseph R. Dodson, 2017-05-09 Many young Bible scholars are passionate for the Scriptures. But is passion enough? Randolph Richards and Joseph Dodson encourage students of the Bible with wisdom from years of experience. Full of warmth, humor, and an infectious love for Scripture, this book invites a new generation of young scholars to dig into the complex, captivating world of the Bible.

Performing a Christian Life Thomas D. Kennedy, 2019-11-13 We want to live good lives, but determining what a good life is isn't easy, especially if we want the lives we lead to be ours rather than somebody else's. Tom Kennedy helps us see why it is hard to find our way when it comes to living well and what we can do about that. Finding our way requires knowing who we are, understanding ourselves, and Christians, because of their experience with God, will understand themselves differently than others in at least some ways. Kennedy explores that understanding and discovers that Christian encounters with God lead to beliefs about God, human nature, forgiveness, values, and loving well that have important implications for what we do and feel for how we should live. In clear and familiar language and with probing questions, he helps us think more carefully and deeply about our identities and what it should look like for us to live well.

Cross-cultural Theology Daniel J. Adams, 1987

Faith Without Illusions Andrew Byers, 2011-02-28 Cynicism has become almost a cliché. It pervades the culture and threatens to derail faith. Andrew Byers identifies the primary factors in the church that inspire disillusionment rather than faith, but he goes beyond that to help struggling cynics channel their frustrations into the redemptive vocations found in the Bible: the prophet, the sage, the tragic poet. These all find their fulfillment in Jesus, and he in turn inspires cynics from the apostle Paul to you and me to embrace our saintly calling, hopeful.
