Six thousand years ago, in the time before the first megaliths and stone circles, Druids appeared in small numbers throughout Europe. They began an inexplicable migration toward the Western Isles of Scotland. Among these was a Druid prophet, Lazwin. Lazwin predicted the coming of the Beltane

child The child would reunite the rune casters gather the Druid faithful and set in motion a series of events that would alter the history of Druid healing magic Sadly Lazwin s prophecies were lost to time In 1820 a Druid child named Finn was playing near the Faerie Pools on Skye He found a small opening behind a waterfall Stored within this hollow were the perfectly preserved scrolls containing the prophecies of the elder Lazwin This is the story of his prophesied Beltane child and his effect on Scottish culture The pages describe the Beltane child s quest to many of Scotland s sacred sites and his travels around the world meeting shamans and healers They share his journey along the eightfold path and his understanding of herbal medicines and essential oils You will learn of the child s discoveries on a bus trip from Kathmandu to London In these pages Dr Mellen helps you realize there should be some reason for the things that have gone into making you you If you have ever wondered Why am I here Where am I going and How am I going to get there Dr Mellen provides you with a fresh perspective and some rather surprising answers
