*A Long Way from Home* Pat Sandiford Grygier, 1997-03-27 A comprehensive account of the tuberculosis epidemic among the Inuit in the mid part of the century The Inuit were victims not only of the epidemic but also of the Canadian government's shockingly slow response and lack of concern for their culture Grygier's focus is on patients' experiences and the programs set up to deal with the epidemic rather than on a purely medical discussion of the disease and treatment Annotation copyright by Book News Inc Portland OR

*The Horns* Dale McMillan, 2013-05-17 The Horn family is a poor family but proud of their heritage descending from some of the early settlers who helped carve out homes in the dense forest of the Big Thicket area of East Texas The Horns live a very primitive lifestyle which is hard but good Lonnie and Martha Horn are not educated people by most standards however they are self educated far beyond their formal education This proves to be an enigma to the people in the nearby town of Pine Hill Their six children are smart and industrious Martha and Lonnie give each child responsibilities at a very early age and require them to accept and execute those responsibilities in an adult manner This invokes the wrath of many in the town of Pine Hill and the Foggy Bottom community where they live Rex Horn their oldest child has finished high school and is leaving home to attend college Beth and Mark assume his responsibilities Rex continues his long range courtship with Mary Ann Anderson who is now a student at Rice University Rex is at Stephen F Austin State College in Nacogdoches Texas 160 miles away Since WWII has ended progress is rapidly encroaching on the Foggy Bottom community Modern civilization is about to come to that area Lonnie and Martha are encouraging each of their children to plan toward a college education and they are struggling to position them financially to make that possible This is very difficult on a poor dirt farm and requires all of the family's effort

*Long-Distance Hiking: Lessons from the Appalachian Trail* Roland Mueser, 1997-11-01 Blending sage advice with personal experiences and anecdotes this unconventional book is an unusually thoughtful account of long distance trekking on the Appalachian Trail Mueser draws upon interviews and questionnaire data gathered from over 100 long distance hikers hoofing it through the Appalachian Mountains

*On the Third Day* David Niall Wilson, 2023-08-25 Father Darren Prescott is a seeker of truth He works for The Vatican but his real work is within his own mind and heart Father Prescott hunts miracles Father Thomas is a young priest with a quiet congregation that worships at San Marcos by the Sea a small cathedral outside San Valencez California One Easter Father Thomas Mass is interrupted by something he cannot explain something powerful that shakes his world and that of his congregation Father Thomas experiences the Stigmata On The Third Day is the story of Father Thomas and his search for answers He turns to the church and his immediate superior Bishop Michaels for support and assistance and is shocked to find that not all priests seek miracles Some are comfortable with the status quo and vicious in their defense of it Bishop Michaels is battling his own demons not the least of which is a barely controlled love of alcohol Despite the distaste it engenders Bishop Michaels attends Easter Mass the year after the first incident He comes armed with an attitude of furious

disbelief and a video camera When Father Thomas not only repeats the previous year s experience but with much greater intensity collapsing across the altar and causing a near riot the Bishop escapes with his camera and his sanity and makes calls of his own He still does not believe but now he feels he needs a greater power than his own to prove his disbelief even to himself At the request of Bishop Michaels superior and his own mentor Cardinal O Brien Father Prescott arrives and begins his investigation with a third Easter Mass looming The Bishop is determined that Father Thomas be proven a charlatan and a fraud Father Thomas is frightened for his life and for his faith and only wants answers Father Prescott He wants the miracle he s waited his entire life to overcome to make up for what he considers past failings of his own What all three men find is the powerful thrilling conclusion to On The Third Day an experience that draws them together and pushes them apart in ways they never could have imagined The answers are there but some answers are too difficult to bear

**Horns Soaring** Dale McMillan,2015-02-06 In the fourth and last book of The Living Off the Land series you ll follow the excitement as the six Horn kids from the Foggy Bottom community grow up and choose career paths Intelligence persistence and dogged determination are the keys to success as the Horns move out into the broader world leaving behind their frontier style home with dog trot and delightful old kitchen In the process the Foggy Bottom kids encounter a few rough edges and clashes sometimes humorous sometimes serious with the good people of the adjacent town of Pine Hill These folks harbor much jealousy of those they call Fog Heads who are quickly leaving the town kids behind by pursuing their dreams with hard work and strong spirits Outside in the Interior Kyle Joly,2016-04-15 59 hikes floats skis and strolls in the Interior
