*Maryknoll*, 1997 *American Women in Mission* Dana Lee Robert, 1996 The stereotype of the woman missionary has ranged from that of the longsuffering wife characterized by the epitaph Died given over to hospitality to that of the spinster in her unstylish dress and wire rimmed glasses alone somewhere for thirty years teaching heathen children Like all caricatures those of the exhausted wife and frustrated old maid carry some truth the underlying message of the stereotypes is that missionary women were perceived as marginal to the central tasks of mission Rather than being remembered for preaching the gospel the quintessential male task missionary women were noted for meeting human needs and helping others sacrificing themselves without plan or reason all for the sake of bringing the world to Jesus Christ Historical evidence however gives lie to the truism that women missionaries were and are doers but not thinkers reactive secondary figures rather than proactive primary ones The first American women to serve as foreign missionaries in 1812 were among the best educated women of their time Although barred from obtaining the college education or ministerial credentials of their husbands the early missionary wives had read their Jonathan Edwards and Samuel Hopkins Not only did they go abroad with particular theologies to share but their identities as women caused them to develop gender based mission theories Early nineteenth century women seldom wrote theologies of mission but they wrote letters and kept journals that reveal a thought world and set of assumptions about women's roles in the missionary task The activities of missionary wives were not random they were part of a mission strategy that gave women a particular role in the advancement of the reign of God By moving from mission field to mission field in chronological order of missionary presence Robert charts missiological developments as they took place in dialogue with the urgent context of the day Each case study marks the beginning of the mission theory Baptist women in Burma for example are only considered in their first decades there and are not traced into the present Robert believes that at this early stage of research into women's mission theory integrity and analysis lies more in a succession of contextualized case studies than in gross generalizations *Morning Homilies II* Pope Francis, 2015-09-21

**The Prayer that Jesus Taught Us** Michael Crosby, 2002-01-01 The Lord's Prayer the prayer that Jesus taught us is one of the most familiar and beloved of all prayers But familiarity has dulled its radical edge In this close reading Crosby shows how the Our Father summarizes the themes in the Gospel of Matthew especially those of social

justice If we recite this prayer faithfully we are responding to Jesus call to reject the worship of idols to engage in right relationships with our neighbors and to commit ourselves to the project of the Kingdom of God that God s will may truly be done on earth as it is in heaven      Reading, Praying, Living The US Bishops' Open Wide Our Hearts Alison Mearns Benders,2020-04-09 In 2018 for the first time in nearly forty years the United States Conference of Catholic Bishops published a pastoral letter against racism Open Wide Our Hearts is a call to a humble and expansive love that respects human dignity and unites us all in Christ Now in Reading Praying LivingThe US Bishops Open Wide Our Hearts Alison Benders offers a resource designed to help parishes RCIA programs campus ministries and Catholic readers unpack and grapple with this important document Benders provides background on the social doctrine that grounds the document describes why it s so timely and offers a plan for studying the letter personally or as a group In an engaging and accessible way she walks readers through the scriptural theological and moral guidance needed to form our consciences and convert our hearts And because the work of racial healing is a journey not an event each section of the guide also includes questions for personal reflection and attentive discussion and prayers for spiritual renewal or reconciliation      Heart Prayers KJ Wuest,2012-04-11 Sometimes simple is extraordinary Heart Prayers is just that In its ability to name a need claim a promise embrace joy and pain release lament offer gratitude and above all trust in the presence of God in all Written during a year filled with transitions and uncertainties KJ s prayers speak beyond one person s experience to anyone seeking to walk faithfully through difficult circumstances Using simple and inclusive language these prayers encourage us to enter into or return to a practice of praying for ourselves that places all our moments into God s care      **The Vicarious Humanity of Christ and the Reality of Salvation** Christian D. Kettler,2011-03-01 In this book the problem of the reality of salvation is addressed by T F Torrance s doctrine of the vicarious humanity of Christ Through this approach salvation as humanization is affirmed yet without the problems of anthropocentric theologies This book is unique in that it offers both a survey of contemporary Christian thinking on salvation as well as a constructive alternative based on Torrance s doctrine a significant yet neglected contribution to modern theology      Systematic Theology, Volume 1, Fourth Edition James Leo Garrett Jr.,2014-09-14 Rivals the major systematic theologies of this century Baptist History and Heritage Journal July 1996 One of the characteristics of Garrett s system that needs especially to be noted is its balanced judicious and nearly invariably objective presentation of materials While holding true to the teachings of his own Baptist faith Garrett so carefully and judiciously presents alternatives that teachers and students from other confessional and denominational positions will find his work instructive Consensus 1997 If one is searching for an extensive exposition of the biblical foundations and historical developments of the various loci of systematic theology there is no more complete presentation in a relatively short work than this Pastors will especially find this feature to be a real help in teaching theology It is an indispensable contribution to the task of systematic theology Journal of the Evangelical Theological Society September 1999 Many students and pastors

will find all they need here and will in addition be helped to relate their knowledge to recent developments in the theological world The Churchman A Journal of Anglican Theology 1991 A gold mine of helpful material The Christian Century May 29 June 5 1991 No book that I know is more loaded with biblical and theological facts than this one The prodigious research that must have gone into the preparation of this volume is truly mind boggling Faith and Mission Fall 1991 Garrett has provided a massive and scholarly systematic theology from a thoroughly conservative and comprehensive viewpoint The work is well documented in both biblical and historical scholarship and will prove to be a classic William Hendrickson Southern Baptist Theological Seminary One of the most comprehensive concise books of its type available it should receive wide use in the classroom and in the study Robert H Culpepper Southern Baptist Theological Seminary
