NEEDLEWORK THROUGH HISTORY

AN ENCYCLOPEDIA

CATHERINE AMOROSO LESLIE

A History Of Needlework

Robert R. Redfield

A History Of Needlework:

Art of Embroidery Lanto Synge, 2001 This glorious book is filled to the brim with a wide ranging history of textiles and 350 superb illustrations drawn from many countries and sources vestments and costume samplers and pictures great beds and furniture The story of embroidery and needlework is discussed within the fascinating context of the history of fabrics of decorative costume of interior decoration of church and state ceremonial of girl s education of furniture and pastimes Silk cotton linen and the significance of colours and dyes are also considered Two interesting chapters reveal the world wide fascination in an influence of Chinese embroidery and Indian textiles With a broad account of the artistic achievements of every facet of decorative needlework the book is rich with the art historical background encompassing the most magnificent of all embroidery the mediaeval English vestments so coveted by Popes and Bishops across Europe to the domestic treasures created in more recent centuries Baroque Rococo neo classical and other period characteristics are each discussed with reference to works created by children young girls and ladies who made furniture coverings destined for posterity The nineteenth century saw extremes of art and fashion ranging from Berlin woolwork to Art Needlework and the eclectic inspiration represented by William Morris all leading to simpler modernist styles which evolved over the twentieth century The author sets in political and social context the whole panoply of textiles distinguishing between the magnificent products of professional workshops and the uniquely individual and especially charming amateur embroideries that survive today amongst the most beautiful treasures of the decorative arts Mr Synge s text is authoritative but examines with infectious enthusiasm this field which has never been sufficiently understood but now interests more people than ever before It will appeal to all who admire beautiful things fine workmanship good design and lovely fabrics 320 colour 30 b w illustrations

The History of Needlework Tools and Accessories Sylvia Groves, 1966 This is a most unusual book dealing with a subject that has never previously been so thoroughly examined It concerns the tools and accessories that have been used in needlework throughout the centuries and their relation to the history and development of needlework itself A glance at some of the chapter headings gives an indication of the scope of the book Needles and Needle cases Scissors and Knives Work boxes and Work tables Embroiderers Tools and Cord making Appliances Knitting Netting Knotting Purse making and Pillow lace Not only is the evolution of the more everyday implements traced in detail the reader is introduced into a world of Hemming birds Niddy noddies Yarningles Lucettes and Drizzling pins the terms used are as delightful as the objects themselves There are more than 200 illustrations Some are from museums and art galleries in this country the United States and the Continent others are from the author s own unique collection of tools There are metal sewing boxes worn by Anglo Saxon women needles and pins of medieval times costly knotting shuttles used in the days of Marie Antoinette and all the varied paraphernalia of the Victorian era The author quotes extensively and most appropriately from many literary sources including Chaucer Defoe Jane Austen Hans Andersen the diaries of Parson Woodforde etc giving some indication of the

enormous amount of research she has undertaken She is herself a needlewoman familiar with all the processes she mentions To anyone interested in needlework and to the social historian this will be a valuable book of reference It also presents many challenges to the collector who will surely be inspired to search for the numerous delightful and once useful things described the delicate tubular needle cases of the Georgian and Victorian periods the sewing clamps or grippers that were so popular in the United States in the early 19th century the bobbins used for pillow lace with their intriguing inscriptions and the small stilettos needed for Broderie Anglaise or for that curious and long forgotten pursuit of Parfilage *Needlework through History* Catherine Amoroso Leslie, 2007-04-30 Needlework serves functional purposes such as providing warmth but has also communicated individual and social identity spiritual beliefs and aesthetic ideals throughout time and geography Needlework traditions are often associated with rituals and celebrations of life events Often overlooked by historians practicing needlework and creating needlework objects provides insights to the history of everyday life Needlework techniques traveled with merchants and explorers creating a legacy of cross cultural exchange Some techniques are virtually universal and others are limited to a small geographical area Settlers brought traditions which were sometimes re invented as indigenous arts This volume of approximately 75 entries is a comprehensive resource on techniques and cultural traditions for students information professionals and collectors

The Rise and Fall of Art Needlework Linda Cluckie, 2008 Cluckie explores the growth and development of Art Embroidery in Britain circa 1870 1890 giving special consideration to the support received from the art establishment in designing for and educating embroiderers This thesis demonstrates the hidden workforce s contribution to the British economy *Home Needlework Magazine* , 1899 [The Illuminated Book of Needlework. Comprising Knitting, Netting, Crochet, and Embroidery. By Mrs. Henry Owen. Preceded by a History of Needlework. Including an Account of the Ancient Historical Tapestries. Edited by the Countess of Wilton Mrs. Henry Owen, 1847](#)

Needlework in Australia Marion Fletcher, 1989 **A Pictorial History of Embroidery** Marie Schuette, 1964 **The Royal School of Needlework Book of Needlework and Embroidery** Lanto Synge, 1986 **A Bibliography of Arts, Trades and Sports** William Swan Sonnenschein, 1897 [A History of Needlework](#) Jane D. Zimmerman, 1978 [Stitching the World: Embroidered Maps and Women's Geographical Education](#) Judith A. Tyner, 2016-12-05 From the late eighteenth century until about 1840 schoolgirls in the British Isles and the United States created embroidered map samplers and even silk globes Hundreds of British maps were made and although American examples are more rare they form a significant collection of artefacts Descriptions of these samplers stated that they were designed to teach needlework and geography The focus of this book is not on stitches and techniques used in drafting the maps but rather why they were developed how they diffused from the British Isles to the United States and why they were made for such a brief time The events of the late eighteenth and early nineteenth centuries stimulated an explosion of interest in geography The American and French Revolutions the wars between France and England the War of 1812 Captain Cook s voyages and the explorations of Lewis

and Clark made the study of places exciting and important Geography was the first science taught to girls in school This period also coincided with major changes in educational theories and practices especially for girls and this book uses needlework maps and globes to chart a broader discussion of women s geographic education In this light map samplers and embroidered globes represent a transition in women s education from accomplishments in the eighteenth century to challenging geographic education and conventional map drawing in schools and academies of the second half of the nineteenth century There has been little serious study of these maps by cartographers and moreover historians of cartography have largely neglected the role of women in mapping Children s maps have not been studied although they might have much to offer about geographical teaching and perceptions of a period and map samplers have been dismissed because they are the work of schoolgirls Needlework historians likewise have not done in depth studies of map samplers until recently *Stitching the World* is an interdisciplinary work drawing on cartography needlework and material culture This book for the first time provides a critical analysis of these artefacts showing that they offer significant insights into both eighteenth and nineteenth century geographic thought and cartography in the USA and the UK and into the development of female education

The History of English Secular Embroidery Margaret Jourdain,1910 *Samplers and Tapestry Embroideries* Marcus B. Huish,2023-09-18 In *Samplers and Tapestry Embroideries* Marcus B Huish meticulously explores the intricate world of textile arts delving into the rich history and cultural significance of samplers and embroideries With a keen eye for detail Huish employs a descriptive literary style that evokes the intricate patterns and vibrant colors of these crafts all while providing historical context and analysis This work serves as both a visual feast and an informative guide encompassing various techniques regional styles and the evolution of embroidery techniques from their early origins to the Victorian era making it an indispensable resource for enthusiasts and scholars alike A prominent figure in the fields of art and craft history Marcus B Huish was an author and curator whose passion for textile arts was influenced by his exposure to the decorative arts during his formative years in the late 19th and early 20th centuries His expertise is suffused throughout the book as he combines personal reflections with academic rigor allowing readers insight into the sociocultural factors that shaped these art forms Huish s deep rooted appreciation for beauty and craftsmanship is evident as he champions the narratives behind each stitch This book is highly recommended for anyone interested in the arts history and cultural studies *Samplers and Tapestry Embroideries* sheds light on an often overlooked aspect of artistic expression inviting readers to engage with the tactile stories that samplers tell Whether a historian artist or casual reader one will find Huish s work a captivating exploration of embroidery as a significant cultural artifact

Hedonizing Technologies Rachel Maines,2009-06-09 The book addresses basic issues in the history of labor and industry and makes an original contribution to the discussion of how technology and people interact

Everyday Revolutions Michelle Arrow,Angela Woollacott,2019-08-30 The 1970s was a decade when matters previously considered private and personal became public and political These shifts not only

transformed Australian politics they engendered far reaching cultural and social changes Feminists challenged man made norms and sought to recover lost histories of female achievement and cultural endeavour They made films picked up spanners and established printing presses The notion that the personal was political began to transform long held ideas about masculinity and femininity both in public and private life In the spaces between official discourses and everyday experience many sought to revolutionise the lives of Australian men and women Everyday Revolutions brings together new research on the cultural and social impact of the feminist and sexual revolutions of the 1970s in Australia Gay Liberation and Women s Liberation movements erupted challenging almost every aspect of Australian life The pill became widely available and sexuality was both celebrated and flaunted Campaigns to decriminalise abortion and homosexuality emerged across the country Activists set up women s refuges rape crisis centres and counselling services Governments responded to new demands for representation and rights appointing women s advisors and funding new services Everyday Revolutions is unique in its focus not on the activist or legislative achievements of the women s and gay and lesbian movements but on their cultural and social dimensions It is a diverse and rich collection of essays that reminds us that women s and gay liberation were revolutionary movements

The Best Books William Swan Sonnenschein,1891 **A Reader's Guide to Contemporary Literature** William Swan Sonnenschein,1896 Report of the Committee of Council on Education (England and Wales), with Appendix Great Britain. Council on Education,1899 Minutes of the Committee of Council on Education Correspondence, Financial Statements, Etc., and Reports by Her Majesty's Inspectors of Schools Great Britain. Committee on Education,1891

Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of A History Of Needlework eBooks, including some popular titles.

FAQs About A History Of Needlework Books

What is a A History Of Needlework PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a A History Of Needlework PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a A History Of Needlework PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a A History Of Needlework PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a A History Of Needlework PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
