The Diary of the Lost and Emotional Karoline Kurtz,2022-12-16 The Diary of the Lost and Emotional By Karoline Kurtz The Diary of the Lost and Emotional is a collection of poems rich in deep down feelings in the face of life s turmoil and experiences The author notes that every person sees and feels things differently and sometimes it can be difficult to relate to the emotions others feel We wish we could say the right things or do the right things to make them feel better but we do not know how This book was written to help the author understand the world around us and in the hope that reader experiencing many of the same things can learn that they are not alone in their struggles You are never alone *Toren the Teller's Flight* Shevi Arnold,2011-12-16 Have you ever been swept away by a story If you have you know the magic of the storyteller and you know that magic is real This is seventeen year old Toren s magic but is she brave enough to accept the power she holds When Toren returns home her little sister Noa is full of questions Why does Toren awake only at night What causes her almost constant pain And above all why after completing her apprenticeship has she decided not to become a wizard To answer Toren weaves a tale about a journey that leads her to discover the greatest source of magic in her world herself It is a revelation that comes at a high price Through her darkest years Toren finds solace and strength in the stories she tells But her greatest tale is not yet finished Together with Noa she sets out on a new adventure And in the end she must choose Will she continue to cling to her dream of an ordinary life or will she dare to let her own magic shine **TOREN THE TELLER S TALE** is an inspirational fantasy about the enchantment of literature because in Toren s parallel world there is no greater

magic than the magic of storytelling TOREN THE TELLER S TALE is the first book in the Toren the Teller series **The Kingdom of Fantasy (Geronimo Stilton and the Kingdom of Fantasy #1)** Geronimo Stilton,2011-09-01 Join Geronimo for his biggest most fabumouse adventure yet Dragons mermaids and much much more await readers in this very special edition I knew from the start that it was no ordinary day but I certainly didn t expect to find a golden staircase in my attic Up at the top there was a door And beyond the door was a world I never could have imagined the Kingdom of Fantasy Along with my guide a frog named Scribblehopper I set off on an incredible adventure to save the Queen of the Fairies But along the way I had to face giant scorpions witches sea serpents pixies and dozens of other creatures that I had only ever heard stories about Holey cheese what a journey Could I save the Queen and my own tail **Contemplations In Verse - Book Two** James McCaffrey,2002-02 Contemplations In Verse Book Two Let your imagination run free and you can be whomever whatever and wherever you may want to be through mystical flights of pure fancy Have you ever thought what it would be like to be a polar bear living in the Arctic cold a wolf in the wild a tall strong tree a flower that blooms in the spring a fine old house a fluffy white cloud a river flowing free a barn on a farm the weather and the wind a planet in the sky a clown in a circus an Irish leprechaun a guardian angel a knight in shining armor a quiet country lane a mirror on the wall a jolly old Christmas tree or a window to the world We have and now so can you Take an imaginary trip and be if only for a short span of time any or all of the above Step into a strange pair of shoes and see and feel how this imagined experience may perhaps have an influence on your ability to observe and better understand how other creatures perceive the world in which they live and how certain familiar inanimate objects that we normally do not relate to as having a living existence may conceivably think and react if they could and what they might say if these unique events were possible Give it a try It may help open your eyes to another level of life s unexpected unusual and enchanting experiences **The Heiress** Jude Deveraux,2008-12-26 Jamie Montgomery an impoverished Elizabethan knight is elated when he is assigned to escort Axia the Lancaster heiress to the castle of her betrothed If only she will fall in love with Jamie 00 as Jamie s devoted older sister predicts 00 the family s financial woes will be solved But Axia who has spent her life closely guarded by her father s servants is not the shy cossetted flower Jamie expects She s a hoyden hell bent on enjoying her precious moments of liberty before her marriage to a man chosen by her remote eccentric father After curtly informing Jamie not to bother declaring his love for her as all poor handsome men seem wont to do Axia makes his life a misery sneaking off to the marketplace nearly breaking her neck on a runaway horse and doing everything possible to delay the trip Though she dare not admit it even to herself Axia dreads being wed to a stranger Suddenly Jamie realizes that he savors even her most barbed words life the rarest nectar that he is falling desperately in love with this bold maddening beauty Now he must contrive a daring plan to win her freedom and win her proud defiant heart for his own King Arthur and Robin Hood on the Radio Katherine Barnes Echols,2024-08-30 Before stories of King Arthur and Robin Hood were adapted and readapted for film television and theater radio scriptwriters looking
