The Admirable Lady Biddy Fane Frank Barrett, 1897 *A Lady Undone 9: The Pirate's Captive (Historical Romance, Erotic Romance)* Simone Holloway, The exciting conclusion to A Lady Undone book one Grace feels rocked by the presence of Captain James In fact she's eager to put him and the small port town behind her But she soon realizes she'll need his help when her world is turned upside When Morgan is captured by the British it's up to Grace to free him but if the pirate life has taught her anything it's that nothing is ever as it seems Corsairs and Captives: Narratives from the Age of the Barbary Pirates Adam Nichols, 2024-11-30 Explores the complex human narratives of Barbary corsairs from the 16th to 19th centuries revealing the intricacies of conflict faith and personal struggles through primary source accounts From the mid sixteenth to the early nineteenth centuries Barbary corsairs from North Africa swarmed the Mediterranean and the Atlantic seizing enormous amounts of booty and tens of thousands of captives hauling them back to the slave markets in their home ports and auctioning them off to the highest bidder The conflict between these Barbary corsairs and Europe was military but not just that religious but not just that social and economic but not just that either Above all it was a human conflict with all the confusion blurred lines and inherent messiness of such things and the narratives it generated were more complicated than simple swashbuckling pirate tales Corsairs Captives presents a collection of these narratives all based directly on primary source documents a number of which are translated into English for the first time They include biographies of four renegade corsair captains Europeans who converted to Islam and became corsairs descriptions of sea battles by those who were there accounts of ransomed captives the report of a French Trinitarian friar who led a ransoming expedition to Algiers even the transcript of a trial held by the Canary Islands chapter of the infamous Spanish Inquisition These narratives bring to life a world much rougher than our own but no less complicated in which people with the ordinary human fears and aspirations we are familiar with today struggled to endure It is not the world most people expect when they think of Barbary corsairs It is more interesting than that **Lady Undone Bundle: The Pirate's Captive (Bodice-Ripper, Erotic Romance)** Simone
