recognize the centrality of popular culture in contemporary American evangelicalism Many of today's evangelicals might not be theologically astute but they know their VeggieTales they've read John Eldredge's *Wild at Heart* and they learned about purity before they learned about sex and they have a silver ring to prove it Evangelical books films music clothing and merchandise shape the beliefs of millions And evangelical culture is teeming with muscular heroes mythical warriors and rugged soldiers men like Oliver North Ronald Reagan Mel Gibson and the Duck Dynasty clan who assert white masculine power in defense of Christian America Chief among these evangelical legends is John Wayne an icon of a lost time when men were uncowed by political correctness unafraid to tell it like it was and did what needed to be done Challenging the commonly held assumption that the moral majority backed Donald Trump in 2016 and 2020 for purely pragmatic reasons Du Mez reveals that Trump in fact represented the fulfillment rather than the betrayal of white evangelicals most deeply held values patriarchy authoritarian rule aggressive foreign policy fear of Islam ambivalence toward MeToo and opposition to Black Lives Matter and the LGBTQ community A much needed reexamination of perhaps the most influential subculture in this country Jesus and John Wayne shows that far from adhering to biblical principles modern white evangelicals have remade their faith with enduring consequences for all Americans *The Ultimate Violation* Kurtess Lief Scone, Bud Finnigan, 2012-06-14 In the right hands cosmetic or plastic surgery can become a work of beauty and a tremendous boost to a person's self esteem In the wrong hands cosmetic surgery can become a powerful force to destroy one's self esteem and any trace of confidence a person may have in the very core of his or her soul In *The Ultimate Violation* author Kurtess Lief Scone tells the story of his life his time suffering from rickets as a young boy his adolescence the role his relationship to Jesus Christ has played in his life and his adulthood during which disliking his facial appearance he underwent plastic surgery In this memoir he discusses the malpractice of his surgeon and being forced to deal with the negative consequences followed by mental and emotional issues related to abnormal cosmetic changes Scone provides tools and strategies to help others find the right cosmetic surgeon *The Ultimate Violation* details Scone's journey to seek justice and overcome the embarrassment shame and humiliation he experienced at the hands of an unethical surgeon **Forthcoming Books** Rose Arny, 2002

Discipleship from Jesus'S Perspective
 George Gray,2012-11-17 In this masterful work George Gray calls the church to live out the most natural expression of her love and obedience to the Master Grounded in careful exegesis comprehensive and sensitive to the complexities of modern life Gray examines the Gospels as a script that reveals not only how Jesus shaped the first disciples but how we must carry on making disciples in His name David B Capes Thomas Nelson Research Professor Houston Baptist University Discipleship is not about teaching someone to pray and read his or her Bible it is about learning how Jesus wants us to pray and read our Bibles Discipleship is not about the doctrine of the Church but the doctrine of Jesus Christ the head of the Church It is not about attending a church service but attending to the Lord Jesus's view of what it means to be the church In *Discipleship from Jesus's Perspective* author George Gray presents a guide for becoming a disciple the way Jesus intended that discipleship means adhering to His expressed will Gray carefully examines Jesus's pivotal statements regarding discipleship and unearths the key principles that transform the art of making a disciple from a subjective guessing game to an objective and definitive master plan Including purposeful questions and exercises *Discipleship from Jesus's Perspective* provides practical steps for following the master plan and applying the commands to everyday life to become a true disciple of Jesus

Babel Church Li Ma,2021-03-16 Assisted by a diverse mass media industry American evangelicalism has been long plagued by consumerism entrepreneurism and social engineering Churches and movements that carry the name of Christ have become projects of ambition and scandals in the public eye Without fixing its dysfunctions these ministry models have expanded to other parts of the world reaping similar fruits of corruption prejudice and abuses The alarm call of MeToo and ChurchToo movements since 2017 made it more urgent for the global body of Christ to inspect its pathological patterns What kind of response does the MeToo movement require of our public theology and leadership ethics Sociologist Li Ma invites us to re engage with biblical exegesis while being attentive to new mandates of God revealed from MeToo A creative Ellulian integration of sociological analysis and theology *Babel Church* incisively reveals why American evangelicalism and its global projects have succumbed to the temptations of worldly power at the expense of vulnerable members in the body of Christ

Jesús y John Wayne
 Kristin Kobes Du Mez,2023-01-30 Jes s y John Wayne es una amplia historia revisionista de los ltimos setenta y cinco a os del evangelismo blanco que revela c mo los evang licos han trabajado para sustituir al Jes s de los Evangelios por un dolo de la

masculinidad ruda y el nacionalismo cristiano o en palabras de un capellán moderno por un malote espiritual Como explica la aclamada académica Kristin Du Mez la clave para entender esta transformación es reconocer la centralidad de la cultura popular en el evangelismo estadounidense contemporáneo Muchos de los evangélicos de hoy pueden no ser teológicamente astutos pero conocen sus VeggieTales dibujos animados cristianos han leído Wild at Heart de John Eldredge aprendieron sobre la pureza antes de aprender sobre el sexo y tienen un anillo de plata para demostrarlo Los libros las películas la música la ropa y los productos evangélicos conforman las creencias de millones de personas Y la cultura evangélica está repleta de héroes musculosos guerreros míticos y soldados rudos hombres como Oliver North Ronald Reagan Mel Gibson y el clan Duck Dynasty que afirman el poder masculino blanco en defensa de la América cristiana La principal de estas leyendas evangélicas es John Wayne un ícono de una época perdida en la que los hombres no se acobardaban por la corrección política no temían decir las cosas como eran y hacían lo que había que hacer Desafiando la suposición comúnmente sostenida de que la mayoría moral apoyó a Donald Trump en 2016 y 2020 por razones puramente pragmáticas Du Mez revela que Trump de hecho representó el cumplimiento en lugar de la traición de los valores más profundamente arraigados de los evangélicos blancos el patriarcado el gobierno autoritario la política exterior agresiva el miedo al Islam la ambivalencia hacia el MeToo y la oposición a Black Lives Matter y la comunidad LGBTQ Una reexaminación muy necesaria de la subcultura más influyente de este país Jesús y John Wayne muestra que lejos de adherirse a los principios bíblicos los evangélicos blancos modernos han rehecho su fe con consecuencias duraderas para todos los estadounidenses

Republican Gomorrah Max Blumenthal, 2009-09-01 Over the last year award winning journalist and videographer Max Blumenthal has been behind some of the most sensational and funniest exposes of Republican machinations Whether it was his revelation that Sarah Palin was anointed by a Kenyan priest famous for casting out witches or his confronting Republican congressional leaders and John McCain's family at the GOP convention about the party's opposition to sex education and hence the rise in teen pregnancies like that of Palin's daughter or his expose of the eccentric multimillionaire theocrat behind California's Prop 8 anti gay marriage initiative Blumenthal has become one of the most important and most constantly cited journalists on how fringe movements are becoming the Republican Party mainstream *Republican Gomorrah* is a bestiary of dysfunction scandal and sordidness from the dark heart of the forces that now have a leash on the party It shows how those forces are the ones that establishment Republicans like John McCain have to bow to if they have any hope of running for President It shows that Sarah Palin was the logical choice of a party in the control of theocrats But more than just an expose *Republican Gomorrah* shows that many of the movement's leading figures have more in common than just the power they command within conservative ranks Their personal lives have been stained by crisis and scandal depression mental illness extra marital affairs struggles with homosexual urges heavy medication addiction to pornography serial domestic abuse and even murder Inspired by the work of psychologists Erich Fromm who asserted that the fear of freedom propels anxiety ridden people into authoritarian settings Blumenthal explains

in a compelling narrative how a culture of personal crisis has defined the radical right transforming the nature of the Republican Party for the next generation and setting the stage for the future of American politics **Covenant Companion**,2002 *How White Evangelicals Think* Dave Verhaagen,2022-08-16 The majority of Americans have looked on in some combination of horror and befuddlement as many white Christians particularly evangelicals have revealed beliefs and opinions seemingly antithetical to the Christian faith whether holding racist attitudes supporting conspiracy theories aligning with nationalistic and authoritarian movements or becoming hostile toward the different and marginalized Dr Dave Verhaagen a nationally board certified psychologist and author tackles the challenge of explaining the psychology behind what has become the unique mind of the modern white Christian Each chapter explores one or more robust psychological principles that help make sense of why white Christians think like they do Christian Parenting David P. Setran,2022-06-21 What can the past teach us about what it means to be a good Christian parent today Today's parenting guidance can sometimes feel timeless and inviolable especially when it comes to the spiritual formation of children in Christian households But even in the recent past parenting philosophies have differed widely among Christians in ways that reflect the contexts from which they emerged In this illuminating historical study David Setran catalogs the varying ways American Protestants envisioned the task of childrearing in the seventeenth eighteenth and nineteenth centuries Comparing two main historical time periods the colonial era and the Victorian era Setran uncovers common threads opposing viewpoints and the cultural and religious influences behind the dominant parenting postures of each era The implications of his findings matter for today's big questions about parenting Should children be viewed as basically good in need of protection from corruption or as fundamentally sinful in need of moral correction How should parents address misbehavior Should a parent's primary role be that of teacher disciplinarian or nurturer What importance should be attributed to devotions and prayer church involvement Sabbath keeping home decorating and fun family activities What consideration should be given to gender Should boys and girls be raised differently Do mothers and fathers have essentially different responsibilities As he surveys these historical perspectives Setran reflects on the legacy and future of Christian parenting concluding that the Protestant heritage encourages the importance of intentional devotional practices the development of close parent child bonds and the creation of godly household environments In the end he argues that all of these historical values are critical to the full expression of Christian parental love This is a love that teaches because it wants to help children understand true goodness that admonishes and restrains because it wants to protect children from whatever keeps them from true pleasure and joy that fosters strong relationships so children might experience the lavishness of God's love that models Christlike sacrifice and guides children into the arms of their Creator *Books In Print 2004-2005* Ed Bowker Staff,Staff Bowker, Ed,2004
