The Midnight Dog Walkers Annie Phenix, 2016-03-29 Aggression is a subject that no dog owner wants to talk about but one that many owners have to face Statistics show that aggression is not only the most serious problem in dogs but also the top reason for owners to seek out professional help for their pets Left unchecked an aggressive dog can become a dangerous dog and this informative volume comes to the aid of many heartbroken owners who feel that they have tried everything to correct their dogs unpredictable and inappropriate behavior Author and certified dog trainer Annie Phenix shares her belief that many reactive dogs can be rehabilitated with the right training and she offers her expertise in positive force free training methods to desperate owners who have resorted to extreme measures to keep their dogs away from other people and animals Inside *The Midnight Dog Walkers* Stories and practical examples from the author based on aggressive dogs she s trained and owned Behavioral warning signs that owners should recognize Definitions of different types of aggression and why they occur Tips on how to handle a potentially aggressive or aggressive dog The author s force free training philosophy and how she applies it with her clients to effect positive changes Popular myths and misconceptions about training these grumpy growlers *Genealogy of Obedience* Justyna Wlodarczyk, 2018-08-27 In *Genealogy of Obedience* Justyna W odarczyk provides a long overdue look at the history of companion dog training methods in North America since the mid nineteenth century when the market of popular training handbooks emerged W odarczyk argues that changes in the functions and goals

of dog training are entangled in bigger cultural discourses with a particular focus on how animal training has served as a field for playing out anxieties related to race class and gender in North America By applying a Foucauldian genealogical perspective the book shows how changes in training methods correlate with shifts in dominant regimes of power It traces the rise and fall of obedience as a category for conceptualizing relationships with dogs Living with Kids and Dogs ... Without Losing Your Mind Colleen Pelar,2013 Provides busy parents with simple realistic advice to help ensure that the relationship between their kids and their dog is safe and enjoyable for all You will learn how to help your child and dog develop a strong relationship built on trust and cooperation set your family up for success with a minimum of effort recognize canine stress signals and know when your dog is getting worried about normal kid activity identify serious behavior problems before someone gets hurt prevent your child from becoming part of a growing statistic children who have been bitten by a dog

Positive Perspectives 2 Pat Miller,2008 Dogwise Publishing is pleased to reunite again with Pat Miller for the publication of her second volume of Positive Perspectives a collection of her recent articles This collection is more advanced than volume one with particular emphasis on understanding the latest in canine behavioral research so that you can become a more effective trainer and or owner Written in Pat s understandable but sophisticated style Positive Perspectives 2 presents the latest positive thinking on body language training and behavioral concepts teaching behaviors problem behaviors and aggression I Know Your Dog Is a Good Dog Linda Scroggins,2023-12-12 When a pet dog injures a human or another dog the owner is left in a state of fear and confusion If a dog wreaks havoc and destruction on a home the owner is left feeling helpless If an owner finds a dog uncontrollable or if a dog becomes aggressive and a threat to the community the dog becomes the one that is at risk for injury or death Families living with these behaviorally challenged dogs may become isolated and wonder if there is help for their dog The reality is there are thousands of families facing these issues This book explains the process for helping dogs with behavior problems in plain language Calling on her years of experience as a certified canine behavior consultant the author highlights the journeys of past clients through a series of vignettes broken up by chapters that contain informative and researched guidance While it is not meant to be a how to training guide the book lets people with reactive or anxious dogs know they are not alone And for those that lose the battle it walks with them through that final journey The Blanket Thief Julie Oldfield,2025-05-29 The Blanket Thief is Infused with deep emotion capturing the exhausting and heart wrenching journey of bringing Tammi a beautiful but terrified dog to the UK from Northern Cyprus From the very beginning the challenges faced by Julie and Mark are vividly portrayed making you feel as though you are right there with them Tammi having never known love or care arrives trembling and scared her fear palpable through the pages The story is a roller coaster of emotions one that grips your heart and refuses to let go Julie and Mark s unwavering love slowly transforms Tammi s life providing her with the compassion and care she so desperately needs As you witness Tammi s gradual progress you find yourself shedding tears of sorrow and joy This family s compassion and dedication

to Tammi shines through every chapter making this a story you won't be able to forget. It's a poignant reminder of the power of love and patience in healing even the deepest wounds. This book will leave a lasting impression resonating with anyone who has ever loved and cared for an animal.

The Dog Trainer's Complete Guide to a Happy, Well-Behaved Pet Jolanta Benal, 2025-09-23. If you want to raise a happy dog who loves to play and cuddle but still comes when called and doesn't chew up your favorite shoes, you need Jolanta Benal's *The Dog Trainer's Complete Guide to a Happy Well Behaved Pet*. Jolanta's dog training philosophy is simple: playful rewards-based training fosters sociable, polite behavior that is the hallmark of a likeable dog. Harsh, outdated prong collars and choke chains do not. Whether you've just welcomed a new puppy into your life or are facing some struggles with an already beloved family member, Jolanta has sound advice on everything you want to know, including how to housetrain your dog for good, how to read your dog's body language, how to avoid common training mistakes, and fix the ones you've already made. Jolanta's warm, funny tone and encouraging conversational style will teach you to raise the most loving and best behaved pooch on the block.

Millennial Guide to Training Your Baby Golden Retriever K Sal, 2022-06-02. A must-read for new Golden Retriever parents. This book is geared to getting you the baseline knowledge you need to ensure your dog is ready for the backyard and the beer garden. Among dog breeds, the Golden Retriever ranks among the most popular and beloved. The golden retriever is a dog that can do just about whatever you ask of it. Some people refer to them as bird dogs, family pets, service animals, or rescue dogs. The golden retriever is a calm, well-mannered dog who loves to cuddle. These dogs are fun and kind with youngsters but also get along with other pets and strangers. It's no exaggeration to say that Golden Retrievers are extremely bright dogs. Because of their eagerness to learn and their desire to please, they make excellent assistance animals. You shouldn't have any difficulty teaching your Golden what you expect if you obtained him from a reputable breeder who has worked hard to socialize him.
