Theology as Discipleship Keith L. Johnson, 2015-11-09 In this fresh and engaging text Keith Johnson examines how the discipline of theology not only leads to discipleship but is itself a way of following after Christ in faith Unlike other introductions that overview doctrines according to the Apostles Creed Johnson presents theology by describing the Christian life being in Christ hearing God's Word and sharing the mind of Christ

symphony on the art and craft of being a theologian [A Little Book for New Philosophers](#) Paul Copan, 2016-10-19 What's the point of studying philosophy when we have theology? Philosophy sometimes suffers from an inferiority complex in the church. But Paul Copan contends that it is possible to affirm theology's preeminence without diminishing the contribution of philosophy. This brief introduction surveys philosophy's basic aims and defends its function in the Christian life. **How to Teach Kids Theology** Sam Luce, Hunter Williams, 2025-01-13 How to Teach Kids Theology takes the deep truths of the Christian faith and gives practical, actionable direction for sharing them with children. **A Handbook of Theology** Dr. Daniel L. Akin, David S. Dockery, Nathan A. Finn, Christopher W. Morgan, 2023-04-01 In *A Handbook of Theology*, editors Daniel Akin, David Dockery, and Nathan Finn select nearly fifty contributors in the Baptist and evangelical heritage to lay a biblically informed foundation of a Christian theology for students, pastors, and church leaders. This volume surveys six parts of theology: foundations, Part 1; types of theology, Part 2; history and geography, Part 3; Christian doctrine, Part 4; the Christian life, Part 5; and theology and culture, Part 6. Each author centers their theological topics in the Scriptures while also being Trinitarian, Christ-centered, Spirit-enabled, and mission-focused. The *Theology for the People of God* series is edited by David S. Dockery, Nathan A. Finn, and Christopher W. Morgan. **Walking the Theological Life** Timothy Gaines, 2024-06-11 Theologian Tim Gaines invites you into the adventures of theology not as a disconnected discipline but as an invitation to respond to God from the deepest parts of ourselves. More than an intellectual pursuit, Gaines explores the lives of key biblical characters to help us grow in our understanding of how to do theology virtuously. [40 Questions About Biblical Theology](#) Oren R. Martin, Andrew David Naselli, Jason S. DeRouchie, 2020-11-24 An accessible survey of the meaning, methodologies, themes, and applications of biblical theology. To understand what the entire Bible teaches about any given subject, we must practice biblical theology. By surveying the whole canon of Scripture, we can best discern what God has revealed about any particular issue. But doing so requires answering a number of important questions: What type of biblical theology will we choose? What overall story does the Bible tell? How should we understand the relationship between the Old and New Testaments? How does our topic fit within salvation history? How do we apply the truths we discover? *40 Questions About Biblical Theology* provides resources to answer these key questions in order to guide readers in their own study and practice of biblical theology. Other vital topics the authors address include how to understand typology, key themes in biblical theology, and how Christians should relate to Old Testament promises. Ideal for courses on biblical theology for pastors and for anyone who teaches or interprets Scripture, *40 Questions on Biblical Theology* will deepen your understanding and application of the whole counsel of God. *Fallenness, Sustainment, and Judgment* Albert R. Portillo, 2025-01-21 This book seeks to establish a basis for coherency in Qohelet's theological appeal by analyzing a thematic trajectory underpinned by the rhetoric of Qohelet's emphasis on vanity, joy, and judgment. These emphases follow what have been labeled projectile themes which aim at particular points of Qohelet's message, carrying the audience through Qohelet's flow of thought. These thoughts are deeply

correlated and best recognized as the substance forming Qohelet's framework from which Qohelet's teaching flows. In other words, Qohelet's thoughts revealed by his thematic emphases and endpoint function as an evangelistic appeal to a theological worldview whereby the minds and hearts of his audience are directed to a present and future reality in the fear of God concept. This present and future reality follows the premise that humanity enters a fallen world; God sustains humanity amid the fallenness, and God preserves the lives of those who fear him on the day of judgment. What is ultimately discovered is that coherence in the course followed by the projectile themes of fallenness, sustenance, and judgment forms a framework guiding a trajectory in Qohelet aiming at an appeal to righteous living and eschatological hope. **Missing Voices** John E. Johnson, 2019-03-31. People are desperate for leaders who are credible; those who possess a moral center and exhibit sound leadership skills. Given our global realities, we need strategic leaders who possess cultural intelligence and theological discernment. The aim of this book is to shape such leaders. Each chapter combines careful research with contributions from leaders around the world. These voices bring much needed insight to leadership issues when translated and applied in different settings, especially the many urban, multi-cultural contexts that exist today. Present and emerging leaders, no matter the culture or field, will find this book invaluable in sustaining their call to godly leadership. **The Power of Truth in**

Perilous Times Marcus E. Drake, 2024-09-25. Real Hope in the Midst of a Culture Gone Awry. Yes, we live in this kind of culture and world. However, it is clear in the Bible that the more we pursue the knowledge of God as defined and described in Scripture, and the more we are devoted to him, the more he will work in us and through us during the perilous times in which we live. Therefore, in thinking about the extraordinary impact biblical truth can have on our society, this book focuses on three vitally important areas in the Bible: how God reveals his existence through nature and his Word; how he discloses his character through his attributes and promises; and how he calls his people to seek the knowledge of himself through the fear of the Lord and the bearing of his image. Thus, the purpose of this book is to lead believers into a deeper understanding of what God is like, a deeper understanding of what he has promised to those who know him, and a deeper understanding of the unshakable hope and strong encouragement we have in God's Word as we live in a confused and deteriorating culture. Rather than simply decrying the devastating changes in our nation and world, this book clearly proclaims the hope that is ours in the very nature and character of God himself, the identity and security believers have in Christ, and the biblical guidance we need in order to be salt and light in our generation. A God-centered, truth-loving, Christ-exalting approach to life changes everything.

Embodied Hope Kelly M. Kapic, 2017-06-06. Kelly M. Kapic meditates on how our suffering, particularly our physical suffering, relates to the Christian faith. This is not a theodicy or a book of easy answers. It is an invitation to reshape our understanding of suffering into the image of Jesus. What we discover is that in Christ and through his church, God displays his deep love and provision for his people. **Reflections of Grace** Jacob Harris, 2024-11-07. Reflections of Grace began spontaneously one afternoon as author Jacob Harris sat bedside in a hotel room, dreading feelings of complacency in his faith.

Therefore that night he began to write devotionals to be shared on the Enriching Grace website enrichinggrace.com From that point on feelings of complacency turned into constant reflections of grace This work is a 365 day collection of devotionals that are purposed to point the reader to a deeper understanding of grace via Harris's own struggles funny experiences and thoughts It is his hope that as you read and reflect day to day you yourself become a reflection of grace

Perspectives on Prayer and Spirituality Maurice Elliott, Patrick McGlinchey, 2021-02-12 Spirituality has become a buzzword in our contemporary culture as individuals strive for meaning and fulfillment Its detachment from the church and conventional definitions of religious practice highlights the seeming redundancy of what has come before Spirituality in this light signals a new attempt to find wholeness unencumbered by outmoded doctrines and stale rituals It is the conviction of this publication that the intuition behind contemporary searches for spiritual reality is a good one It acknowledges that there must be more to life than what secular media or consumerism might tell us The joyful message of Perspectives on Prayer and Spirituality is that the spiritual quest is a valid one and worth exploring There is treasure to be found However the surprise is that we must rediscover what we have left behind In the words of G K Chesterton it is not that the Christian ideal has been tried and found wanting rather it has been found difficult and left untried This book offers us the tools to mine the riches of Christian spirituality and find that elusive treasure The title Perspectives on Prayer and Spirituality alerts us to the fact that life giving spirituality stems from relationship with a personal God who can be known

Fruitful Theology Ronni Kurtz, 2022-08-30 Why do the theologians rage Even a cursory scrolling of social media may lead you to the conclusion that you have to be

angry to do theology Sadly our day is characterized by theological fighting complete with harsh words exaggeration biting sarcasm and the spirit of tearing down our brothers and sisters in Christ But it does not have to be this way In fact it should not be this way In Fruitful Theology Ronni Kurtz swims upstream to counter this prevailing problem Instead of theology leading to anger division and discord this book shows that the life of the mind can actually lead to the fruit of the Spirit Fruitful Theology is for anyone who Wants to grow in an understanding of Scripture but is afraid that knowledge will make them arrogant Is confused about the relationship between doctrine and Christian living Is concerned that theological conviction promotes disunity and discord among Christians Desires to grow in Christian maturity but isn t sure how theology fits into that desire What if our speech and conduct were seasoned more with love joy peace patience kindness goodness faithfulness gentleness and self control How might the church s unity be restored and our witness be maximized if we were characterized by the fruit of the Spirit instead of the spirit of our age Theology may not be the most obvious candidate in helping reorient our life towards the fruit of the Spirit but a right contemplation of God can indeed lead to right living for God and that is exactly what this book hopes to explore *The Writer and the Cross* Darren J.N. Middleton,2022-07-14
